

EAST CHICAGO AND IND. HARBOR NEWS

Katherine Howard, 4315 Scott Ave., Phone 283, will be pleased to write and receive social news and advertising for The Times.

HARTLEY THEATRE TONIGHT. The Serial Supreme, "The Woman in the Web," No. 3—also Earl Williams with Corrine Griffith in "Transgression."

The Council of Business Girls' Bible League will hold a meeting at the home of Miss Florence Cadman at 7:30 o'clock this evening. All members are

urged to be present.

The chairman of the East Chicago Red Cross Centre has asked to have it stated through the columns of this paper, that through an erroneous impression made recently, she is constantly being humiliated by people calling up and asking the privilege of purchasing one or more of the garments made at the Centre, and of course this must be denied them. The Centre is conforming to the universal ruling that governs all supplies and absolutely no

garment is ever sold. The work is progressing very nicely at the new headquarters and owing to the ample room and to the many more instructors added to the staff, there is an S. O. S. call for more women workers, that the sewing and knitting may even yet be turned out with greater dexterity and swiftness. Saturday, four boxes were shipped containing one box of handkerchiefs, two of surgical dressings, one of knitted garments, pajamas and hospital shirts. The two long tables which the work is accomplished at has been covered with a green-tinted sanitary oilcloth. The No Name Club was responsible for the covering of one and Mrs. James Price of North Baring avenue the other. Proper looks and attitudes have been placed and all to the credit of Mr. J. W. Roberts, who has given a part of his time from the busy routine of his daily tasks to accomplish the work. Two donations of \$1

each have been made lately, one coming from the pupils of Miss Stella Lamphere, of the McKinley school and the other from Mr. R. B. Miller. The generosity of these people have been well appreciated to those in charge of the Centre and to the workers themselves.

The No Name club will meet tomorrow evening with Mrs. J. M. Walsh in South Baring avenue.

The "500" party given in the evening of Saturday at the Parish Hall of St. Alban's Episcopal church, by the Messdames Nels Stenberg and Walter Nevelous proved to be a most gratifying success. The receipts of the evening were all that could be expected and the social features very much enjoyed by the young folks and their elders. In the game, the Messdames J. W. Lees and R. Breidenbaugh, and the Messdames Sikes and E. W. Walton scored highest and received the awards. Dainty refreshments were served, and dancing enjoyed up to the midnight hour.

Thursday evening there will be a business women's luncheon held in the First M. E. church dining room. The hour of service commences at 6:30 o'clock and will continue until all are served.

The adjourned meeting of St. Alban's Episcopal Guild of last week will be held tomorrow afternoon at the Parish House, for the purpose of electing officers. All members are most urgently requested to be in attendance.

The Directors of the Associated Charities will hold a meeting tomorrow afternoon at the First Calumet Trust and Savings Bank at 3:30 o'clock and all directors are asked to be present.

The Willing Workers of St. Mary's church will conduct a card party tomorrow afternoon. The receipts are to go towards a very good cause, that of purchasing knitting materials for the

The Duke of Wellington

often called the "iron duke," showed his courage and strong will at Waterloo when he helped defeat Napoleon. It takes greater courage, vim, vigor and lasting qualities to win the battle today, in the front-line trenches, than it did in olden times. Energy is a natural outpouring of a healthy body. It does not spring up in a night. Build up that which Nature has given us by taking a compound of iron, recently compounded by Dr. Pierce, and named by him "Ironic." This iron-ionic tablet is easily taken up by the blood.

If you try "Ironic" tablets, the brain responds to the new blood in circulation; the body is ready to fight against stagnation, which holds you in bondage. You gain in vim, vigor, vitality. Try it now. Don't wait. Today is the day to begin taking "Ironic" tablets. A little "pep" and you laugh and you live. A little energy saves the day. "Ironic" tablets make rich red blood. With good red blood comes courage, then comes success, which leads to more and more success.

Dr. Pierce's "Ironic" tablets are to be had in sixty cents vials at most drug stores. If you wish to test them send 10 cents to the Invalids' Hotel, Buffalo, N. Y., and get a trial package—Now!

THE MAKING OF A FAMOUS MEDICINE

How Lydia E. Pinkham's Vegetable Compound Is Prepared For Woman's Use.

A visit to the laboratory where this successful remedy is made impresses even the casual looker-on with the reliability, accuracy, skill and cleanliness which attends the making of this great medicine for woman's ills.

Over 350,000 pounds of various herbs are used annually and all have to be gathered at the season of the year when their natural juices and medicinal substances are at their best.

The most successful solvents are used to extract the medicinal properties from these herbs. Every utensil and tank that comes in contact with the medicine is sterilized and as a final precaution in cleanliness the medicine is pasteurized and sealed in sterile bottles.

It is the wonderful combination of roots and herbs, together with the skill and care used in its preparation which has made this famous medicine so successful in the treatment of female ills.

The letters from women who have been restored to health by the use of Lydia E. Pinkham's Vegetable Compound which we are continually publishing attest to its virtue.

RALPH B. BRADFORD Deputy Treasurer of Lake Co.

The last issue of the Lake County Review at Gary contained the following editorial—as to why the present Deputy Treasurer should be put at the head of the County's finance department:

DOES BRADFORD DESERVE PROMOTION?

"Promotion comes or should come to those who have proved not only their capabilities and willingness to DO but the PROFICIENCY to do the things required of them.

"If an individual WORTHY of promotion, either in private or public life, would it not be, not only fair and just, but the DUTY of those in authority to grant it?

"The record of Ralph B. Bradford shows that he is a practical business man, a hard worker; has been successful in all he attempted to do; that he worked on a farm, his way through college; that he has served as Deputy Treasurer, honestly, faithfully, and satisfactorily, the citizens of Lake County for ten years; that during his period of Deputy Treasurer the receipts have increased from a million and a half to four million dollars per annum; that he has banked this money for the Treasurer and accounted for every cent of it.

"Read the story. What think you of Ralph B. Bradford? Is he trustworthy? Has he the reliability the competency, for the Treasurership of Lake County?

"Would you feel entitled to promotion were you in Brad's place? That is exactly what Brad is asking. The honor should be conferred upon this faithful servant without hesitancy.

"A vote for No. 34, on the Republican ticket, in the May primaries, is a vote for PROMOTION for Ralph B. Bradford."—Lake County Review.
