But I know that you cried, little sister,  
As soon as I'd gone out the door,  
And did I cry myself? I'm a soldier,  
So don't ask me anything more.  
I think of you often, kid sister—  
You're the only kid sister I've got—  
I know you'll be good to your mother,  
And I know that you'll help her a lot.  
And whenever she seems to be gloomy,  
You're just got to cheer her somehow.  
You were only a kid to your brother,  
But you're now more than the world to him now.
