

JASPER, DUBOIS COUNTY, INDIANA.

Entered at the Postoffice at Jasper, Indiana, for publication through the mail as second class matter.

FRIDAY, OCTOBER 11, 1901.

(If you have any local news, or want any printing, call us through the Courier Phone, 13-3.)

Mayor Downey, of our neighboring city of Washington, was aroused to a sense of duty by the losses by gambling of Cashier Davis, and has instructed the police to suppress all forms of gambling, and arrest those engaged in it. The stable door was closed after the horse was stolen.

The election in Indianapolis last Tuesday resulted in a large Republican majority—as most Democrats thought it would. The evident goldbug tendencies of the party leaders there caused many Democrats to vote the Republican and Social Labor tickets, and destroyed all enthusiasm among the Democrats, and many of them refrained from voting. The adoption of the same policies will result in the same results at the more important general elections next year, and should now afford a timely rebuke to such vacillation—and point the only way to success for the Democracy. "Truth crushed to Earth will rise again," and the Kansas City platform of 1900 was a righteous one, and should not be dodged or mutilated if success is desirable. The common people everywhere realize this fact now, and the great trusts' "prosperity" does not relieve them.

DIED.—Saturday, Oct. 5, 1901, of heart trouble, with which he had been suffering for several months, Mr. Wm. F. Goebel, aged about 65 years. He leaves a widow, but no children. He was a distant relative of the late Gov. Goebel, of Kentucky. Two nephews living in Louisville, arrived in Jasper Sunday morning, and took his body to Louisville, where he was buried in Cave Hill cemetery Tuesday. His widow has the sincere sympathy of a large number of friends in Dubois county.

Mr. Goebel traveled for a business house of Louisville for many years, and was acquainted with nearly every merchant in Southern Indiana and Illinois, and his genial disposition made him many friends among them. Some five years ago he got tired of traveling, and located at Portersville, and started a general store, where he was very successful. He came to Jasper about three years ago with his store, and added largely to his stock, but his liberal habits had made inroads on his health, and he was unable to give that close attention to business he otherwise would. His death was a sudden shock to our people, who vainly thought he would get well.

Dubois Circuit Court.
The October term begins next Monday, with rather a larger docket than usual, and bids fair to be a busy term.

The Jury Commissioners drew from the box the following named persons to serve on the juries:

GRAND JURY.—Geo. Ferrebach, Bainbridge township; Jacob G. Cato, Patoka; Jacob Nigg, Harrison; Geo. W. Ragle, Madison; Warren Armstrong, Madison; Peter Himsel, Boone.

PETIT JURY.—Robert P. Cassidy, Bainbridge; James E. Glenn, Jefferson; Robert Ruch, Patoka; Geo. Burger, Jr., Bainbridge; Jacob Frick, Jr., Jackson; W. E. DeMotte, Madison; Samuel H. Dillon, Madison; John Lottes, Marion; Henry Graham, Boone; James D. Sanders, Jefferson; Aug. Ulrich, Bainbridge; Geo. W. Landreth, Columbia.

On the criminal side of the docket there are a considerable number of cases where the defendants have not yet been arrested. There are seven in jail awaiting trial. There are 37 cases in which the defendants have been arrested, distributed as follows: seduction 1; concealed weapons 4; petit larceny 3; violating liquor law 11; A. & B. with intent to rape 1; A. & B. with intent to murder 1; A. & B. 6; provoke 3; drunks 3; burying human body without a permit 1; kidnapping 1; transferring claim out of state for illegal garnishment 2.

On the civil side of the docket there are 13 old cases awaiting trial or settlements. There have been 39 new complaints filed, one on change of venue from Spencer county; divorces 6; petitions of administrators or guardians to sell real estate 7; appeal from J. P. 2; breach of promise 2; to quiet title 2; to foreclose mortgages 2; on notes 8; release from bond 2; for change of name 1; for adoption of minor child 1; replevin 1; damages 1; pet. for receiver for insolvent 1; on account 1; petition to declare name 1.

S. A. Ingalls, Crown Point, N. Y., writes: "My wife suffered from kidney trouble for years. She was induced to try Foley's Kidney Cure and in less than a week after she began using it, she was greatly improved and three bottles cured her." B. B. Brannock.

FIRE.—On Sunday morning about 2 o'clock the hay press barn of Mr. F. Vollmer was discovered in a blaze, and a general alarm was sounded, but as the Town Trustees had sold the citizens fire engine, there was no way of getting water to it. It is probable it was set on fire by carelessness of somebody who was using it for shelter. Several tons of hay and some corn were burned, together with the hay press, a corn shredder and a mower. The loss is probably \$1,200, and with no insurance. It was situated on the river bank—too far from a hydrant to be reached by the fire department without an engine.

Quinine for Colds.
Many people who use quinine for the cure of colds say that the effect of this drug is more disagreeable than the disease. Krause's Cold Cure is prepared in a convenient capsule form, and will cure the most deeply seated cold in 24 hours without any interruption to business. They are pleasant to take and give you a clear, fresh sensation while operating. Price 25c. Sold by Martin Friedman.

Prison Sunday.
The observation of Prison Sunday by the churches of our land is had with increasing interest each year. Indiana is sharing in this. Her work in prison reform and the steps she has taken for the prevention of pauperism and crime lead us to expect that. Last year hundreds of churches in this State observed the day that has been designated Prison Sunday, the last Sunday in October. On it, consideration was given to those things which lead to crime, as well as to the effects of crime; to criminals and their treatment; to efforts at reforming the offender and measures for the prevention of crime. In these and kindred topics our people are deeply interested. This year Prison Sunday is October 27th. Several of the district and State meetings of different denominations have adopted resolutions requesting their ministers to observe the day. The result will be many other churches will take part in the observance. All those who contemplate doing so are requested to write the Board of State Charities, Indianapolis.

Wm. G. Coffey Accused of Attempted Rape.

Wm. G. Coffey, of the vicinity of Ireland, he of "white cap" fame, is being sought by the officers to answer to a charge of assault with intent to rape. The accusation is made by Miss Ella Smith, of Ireland, who alleges that Coffey broke into her room on Monday night of last week and attempted an assault upon her in the presence of her sisters, her father and brother being absent at the time. Finding that he was recognized, he abandoned his purpose and made his escape, and so far the officers have been unable to locate him.—News.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Birmingham, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

Backache should never be neglected. It means kidney disorder which, if allowed to run too long, may result in Bright's disease, diabetes or other serious and often fatal complaints. Foley's Kidney Cure makes the kidneys well. B. B. Brannock.
