

I. A. BELL COMES OUT FOR MAYOR

Makes Announcement in Pamphlet Attacking Alleged Methods of Organizing City Central Committee.

ELKHART, Sept. 18.—In a pamphlet which is being distributed from house to house throughout the city, Jas. A. Bell Thursday made the announcement that he will be a candidate for the nomination for mayor at the democratic city convention next Tuesday evening.

The pamphlet attacks the alleged methods that have been adopted to organize the city democratic "committee," assails the Chester administration as being "syncretized," and hits the Elkhart Truth.

Most of the matter that Mr. Bell is now presenting to the Elkhart public has been published before. The "reprints" are presented to vindicate Mr. Bell's attitude on various public questions, to rap his enemies, and to demonstrate his disposition to make a fight for the mayorship on his record as a public servant, both officially as controller under Mayor Greene and as a party man in directing the undercurrent of political activity in behalf of the democratic party and its local welfare and success.

He makes an appeal to democratic voters to turn out at the ward caucuses next Monday night and to "guard against gang tactics" and to insist that the delegates sent to the city convention shall be such as fairly represent the citizenship of the respective precincts. Incidentally, he impugns the honesty of the election of J. J. Littrell as city chairman at the democratic meeting in the city hall last July.

In the final paragraph of his formal announcement of candidacy, Mr. Bell says he desires to assure the citizens of Elkhart that if elected he "shall be mayor," and "shall not need nor will I permit Max Kemper to serve as night mayor." "I am also confident," he says, "that I shall not need Fred Palmer for a press agent." "Neither will he need," he says, "R. E. Proctor for city attorney." "I shall give the city an administration that will compare favorably with that of the Hon. C. T. Greene, which has never been excelled."

DIDN'T KNOW WHERE TO GO BUT WERE ON WAY

Young Couple From Grand Rapids Married at Elkhart as "First Good Town" They Come To.

ELKHART, Sept. 19.—"We will be married at the first good town we come to after a two hours' ride," agreed Laverne Petrie of Grand Rapids, Mich., and Miss Beatrice Tessor of Fresno, Cal., when they left Grand Rapids on a Lake Shore train shortly after 1:30 p. m. yesterday.

Elkhart filled these requirements exactly and the young people found their way to the superior court clerk's office and thence to the Trinity Methodist parsonage where they were made husband and wife by Rev. Dr. R. J. Wade.

"We hadn't any idea where we would land when we left Grand Rapids," said the happy bridegroom after the ceremony, "but I am sure we are both satisfied. We came to a good town and were married by a good man."

Mr. Petrie, who is a manufacturer of photographic supplies in Michigan City, explained that the marriage was the culmination of a courtship of two years, the bride coming to Grand Rapids two months ago to marry the man who she had met on occasion of a former visit. Mr. and Mrs. Petrie returned to Grand Rapids last evening.

CONSCIENCE HURTS HIM AND HE SURRENDERS

LAPORTE, Sept. 19.—"This is the first free and easy breath I have drawn for over two years," said James Lyng, when brought back Wednesday night from Dedham, Mass., charged with stealing \$100 and jewelry from George Francis two years ago. The man gave himself up last week at Dedham.

Lyng was given \$100 to take to Francis, for whom he was working. When he got to the house no one was home. He said that he got homesick and immediately started for his home in Providence, R. I. However, when he got to Albany he began thinking the officers might be after him. Since that time he says he had wandered all over the United States. During this time he says he never went home for fear of arrest. He says he would have sent the money back, but feared arrest. He cannot explain why he took the jewelry.

TRIAL ON INTERURBAN DISSOLUTION OCT. 6

LAPORTE, Sept. 19.—Action on the petition of F. C. Raff, South Bend, for the dissolution of the merger of the Interurban lines forming the Gary & Interurban, will start in the Porter circuit court at Valparaiso Oct. 6, the date just set for trial. If the action is successful the merger made last spring, by which the Air line, the Gary city lines and the lines west of Gary were made into one company, will be declared void. Raff is the owner of 5,040 shares of stock in the Gary & Interurban and says the stockholders were not consulted in making the merger.
