

# NEW POLICY OF UNITED STATES ANNOUNCED SOON

Further Action Will Depend on Results of Meeting to be Held Friday—Will Announce Stand.

VERA CRUZ, Oct. 29.—General Felix Diaz, now a refugee on board the American battleship Louisiana, learned Wednesday that the privilege of asylum on a battleship carries with it certain restrictions not unlike prison regulations. By order of the admiral, Gen. Diaz is not permitted communication with any one from shore without his permission, and that the admiral has given Gen. Diaz to understand that such permission will rarely be given.

The enforcement of this order is rigid. "Will you please go below sir?" said the officer of the deck, saluting the general, when he had begun a conversation with a man who had brought his baggage aboard. Gen. Diaz appeared to be annoyed for an instant, but without hesitation, complied.

Admiral Fletcher explained that while he was willing to place his flagship at the disposal of Gen. Diaz as an asylum, he did not propose to expose himself to the criticism of making it a place for possible plotting. He asserted his confidence that Gen. Diaz would not attempt to abuse hospitality by meeting friends there and from a safe vantage point indulge in intriguing or conspiracy, but he was resolved to take no chances. The disposition of Diaz and his companions has not yet been determined, but it appears probable that they will eventually be set ashore from one of the battleships, probably the Louisiana herself, when she sails from Mexican waters the first week in November.

Gen. Diaz has expressed his preference for Havana, adding, however, that he was willing to be set ashore anywhere except at a British port, since he was convinced that the British authorities would send him back to Mexico.

WASHINGTON, Oct. 29.—Pres. Wilson has under consideration a new plan for restoring peace in Mexico which he will discuss with his cabinet Friday and make it public within a few days.

Officials were reticent as to what is contemplated. As the United States has asked not only the European governments but those of Latin America and the Orient to withhold the formulation of their policy toward Mexico until the Washington government can make known its plans for dealing with the situation, the solution upon which the president and Secy. Bryan are working is believed to be more specific than any suggestions heretofore made for the pacification of the southern republic.

High officials of the government, while declining to say what steps would be taken by the United States, declared that the purposes and aims of the government had been explained in the president's speeches at Swarthmore, Pa., and Mobile, Ala. The American government's course of action will be embodied in a formal note which it is expected will set forth the principle that constitutional government alone must be established out of the chaos in Mexico, and will suggest means for accomplishing that purpose.

Not to be Recognized. Though the state department has not been informed officially of the reported purpose of Gen. Huerta to declare Gen. Blanquet as having been elected, it is certain that in line with previous declarations, the election of last Sunday will not be recognized as constitutional.

The inability of the Huerta government to conduct a constitutional election, it is thought will lead the American government to suggest a method of holding the elections in which safeguards and guarantees can be given which will permit the constitutionalists to participate freely. Diplomats generally here believe that before suggestions concerning any election can be carried out, the elimination of Huerta from the situation must be accomplished.

It is thought that in much the same way as Pres. Wilson outlined recently to John Lind the points upon which a satisfactory settlement of the trouble in Mexico seemed to be conditioned, he will repeat his suggestions, but will add the stipulation that someone acceptable to all factions be placed in provisional authority to conduct a fair and free election. Details of an election plan it is thought would accompany such suggestions.

FEARED ARREST. VERA CRUZ, Oct. 29.—Mrs. Dan-fel Madero, in fear that she was about to be arrested, went to the American consulate this afternoon and remained there for several hours. She and Mrs. Ernesto Madero, were brought here with their husbands, who were arrested by the federal authorities at Monterey. The two men are now held in San Juan de Ulua prison.

The two women have been trying to procure aid for their husbands so that their removal to the capital might be prevented.

## MOORMAN ENDORSED BY THE REPUBLICANS

Republicans in session at headquarters in the Summers' building Wednesday night endorsed John L. Moorman of Knox for the state republican chairmanship and Perry Smith as chairman from the 13th district.

Owing to the weather only a small crowd was present. Perry Smith made an address in which he pleaded for support for the local candidates. The progressive meeting which was scheduled for Wednesday night was not held as Edwin M. Lee, the state progressive chairman, was unable to attend. He will be in the city on Friday night when a mass meeting will be held. An informal discussion of campaign problems was held in the progressive headquarters.

"Give me interference," yelled a player on a team that was being badly beaten. One of the Notre Dame players heard him and rushed over, grabbed him around the neck. "That's what I call accommodating," said the guy next to me.

### WORK ON C. G. GATES MANSION IS STOPPED

Builders Must Wait Until Widow and Mother Have Been Consulted on Matter.

MINNEAPOLIS, Minn., Oct. 30.—Work on the mansion being erected here by the late Charles G. Gates was stopped Wednesday on orders telegraphed by the general contractors in New York. It was announced that nothing further would be done until the architects and builders had consulted with the widow of the dead multi-millionaire.

Work was begun on the Gates home more than a year ago and its completion was expected some time in 1914. The plans for the building call for the most palatial residence in the north-west.

### SEE IF THE CHILD'S TONGUE IS COATED

If Cross, Feverish, Constipated, Give "California Syrup of Figs".

Look at the tongue, mother! If coated it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When Peevish, cross, listless, pale, doesn't eat, doesn't sleep or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs", and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them feel splendid. Ask your druggist for a 50-cent bottle of "California Syrup of Figs", which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.—Adv't.

### MILLS LECTURE TONIGHT

Will Discuss Conditions in China at Progressive Club.

Dr. John Nelson Mills, distinguished traveler and lecturer and formerly a South Bend man, will lecture in South Bend tonight in the Progress club rooms. The occasion is the annual evening meeting of the Progress club and the lecture will be open to members of the club and their friends. Others may attend for a small door fee. The subject of the discourse will be "China," which Dr. Mills has visited during some of the recent interesting periods of its development. He is a graduate of South Bend high school, of Wabash college and Princeton university, receiving at the latter place his theological education and entering the Presbyterian ministry.

### Rheumatism

A Home Cure Given by One Who Had It.

In the spring of 1903 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temporary. Finally I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bed-ridden with Rheumatism, and it effected a cure in every case.

I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent; simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-looked-for means of curing your Rheumatism, you may send the price of it, one dollar, but understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fairly offered you free?

Don't delay. Write today. Mark H. Jackson, No. 202 Gurney Bldg., Syracuse, N. Y.

Mr. Jackson is responsible. Above statement is true.—P.M.
