

DAY AT THE CHURCHES

Everyone is invited to attend the services in South Bend churches. All seats are free. Regular as well as special services are announced below. Pastors are invited by The News-Times management to send the paper outlines of their Sunday sermons that they may be read by the 60,000 News-Times readers in the Monday editions. Through this medium the sermons can be addressed to a congregation which is even more than city-wide.

1915 Overland

\$1075

The Advantages of Magneto Ignition

THE new Overland is equipped with the finest high tension magneto.

—it keeps the motor cool.

This is entirely independent of the starting and lighting system.

—it develops more power due to a hotter spark, which increases its heat as the motor speed increases.

High tension magneto ignition is conceded by the great majority of experts and engineers to be the most efficient. Also it is the most expensive.

The heat of an Overland spark, by actual test, is ten times greater than the spark of the ordinary battery ignition.

All high-priced cars are equipped with a magneto.

The high tension Overland magneto requires no dry cells.

Most popular priced cars have no magneto. Only the cheaper and less effective battery ignition is furnished.

The absence of a high tension magneto on a car is an indication that the car is not all it should be. Something very important is lacking, consequently there might be many other important things left off, of which you are not aware.

Those manufacturers who use the battery ignition do so to cut down their manufacturing costs. They do not furnish a magneto because it is too costly.

The Overland has every practical and essential improvement.

A high tension magneto is furnished with the Overland because—

When you purchase an Overland you get the most stylish, most comfortable, most convenient, most complete and most carefully constructed car for the price in the world.

—it means a faster getaway.

—it means a livelier motor.

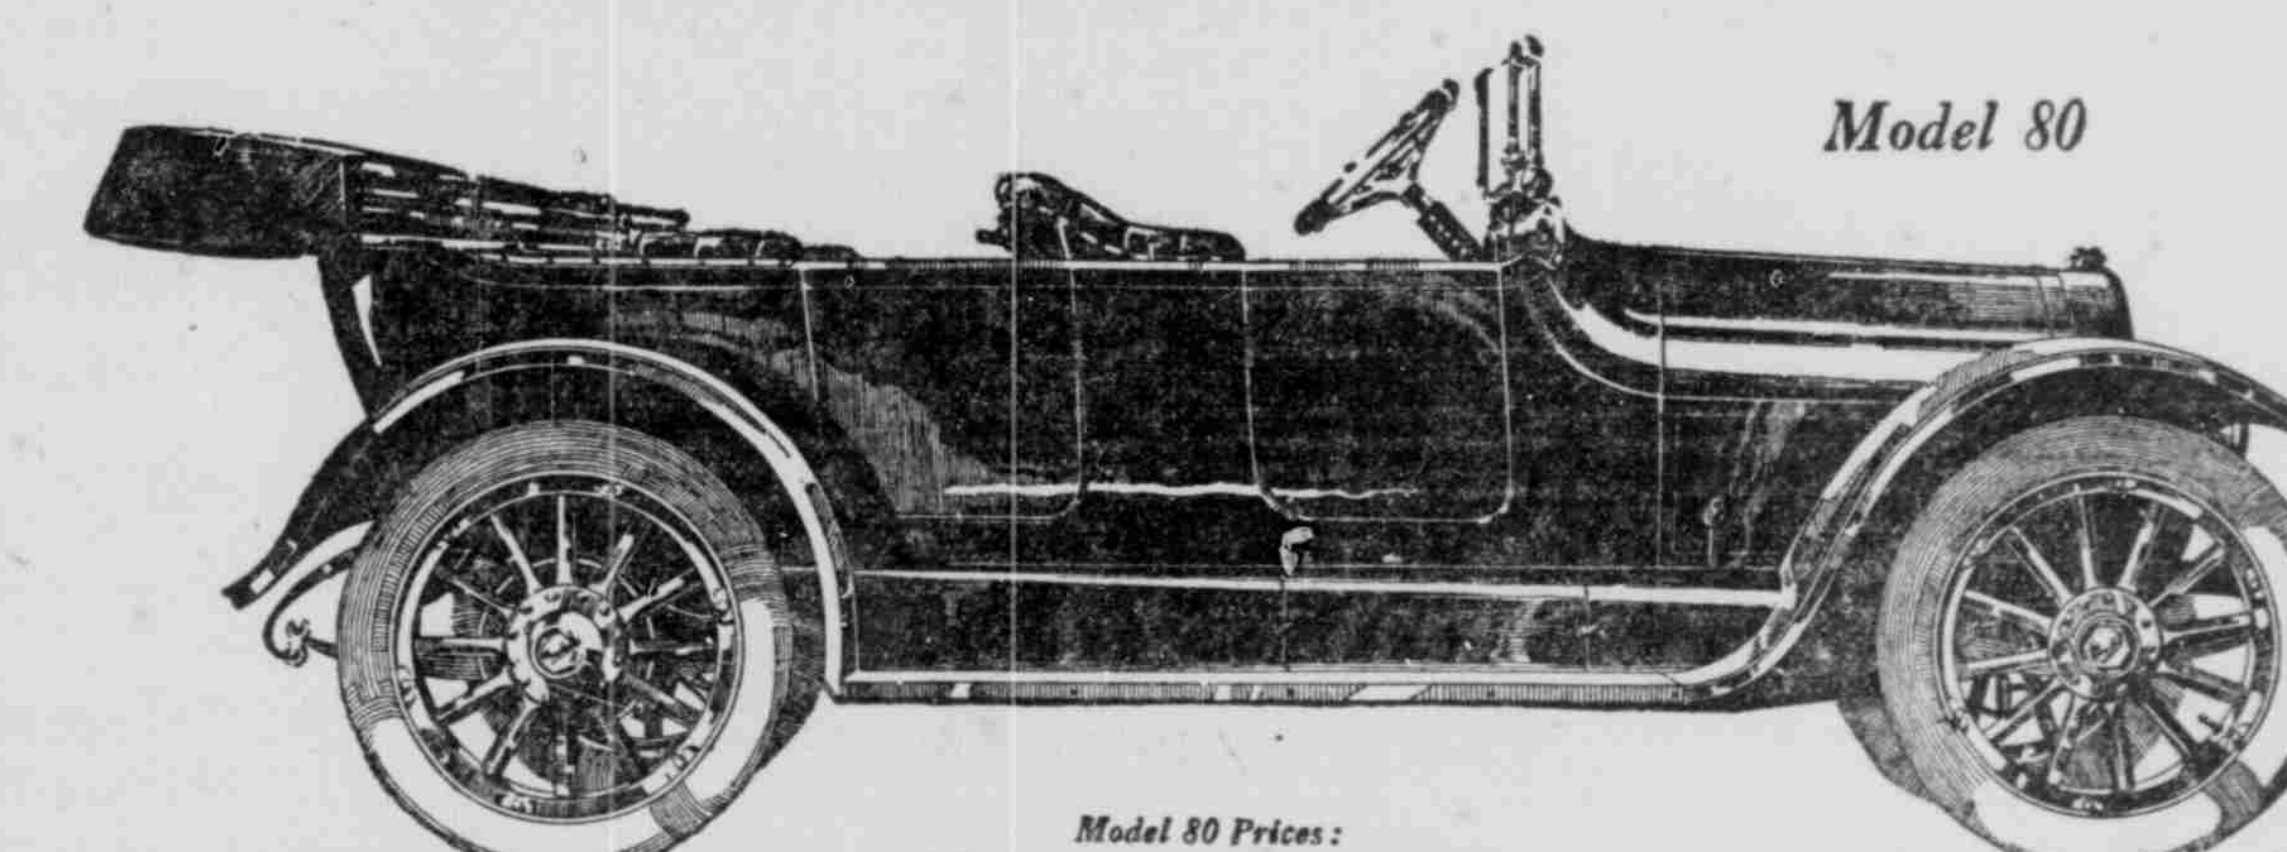

—it means more power at all speeds.

SOUTH BEND Y. M. C. A. IS FOURTH IN STATE RACE

Campaign Being Conducted by State Associations Will End Tonight. The Y. M. C. A. directors were working on the membership campaign Friday. A meeting was called at the association building in the morning when plans were made for conducting the campaign on broader plans. Although few workers are taking an active part in the campaign because of the two campaigns being waged by the Chamber of Commerce bodies, considerable interest is being shown. The city fell back a point in the state wide contest report for Friday dropping into fourth place. Evansville is leading, followed closely by Indianapolis and Crawfordsville. The fact that Thursday's report gave Crawfordsville a chance to move into second place instilled renewed enthusiasm among the teams and captains.

WILL BE GUESTS OF Y. M.

Eighth Grade Boys Are to Be Entertained Tonight. The junior department of the Y. M. C. A. entertains all of the eighth grade boys of the city tonight at the third of a series of school socials scheduled for this winter. A program of athletic events has been arranged, which will be followed by a swim in the Y. M. C. A. tank.
