

NEBRASKA GAME IS CALLED OFF

Rockne Works Hard to Stage Battle With Municipal Pier Eleven.

BULLETIN.
 Notre Dame will play Wabash college at Crawfordsville today. This game was arranged at 7 o'clock Friday night. Twenty-for men made the trip, leaving South Bend at 5 a. m.

No game with Nebraska today. That is the word passed to the discouraged and disappointed Notre Dame eleven and fans by Coach Rockne this morning. Late last night the Notre Dame athletic director received a wire from Prof. R. N. Scott of the athletic board of the University of Nebraska, making this announcement and explaining its cause.

During the week Coach Rockne had received assurances from the University of Nebraska that the game would certainly be played. The assurances were given in good faith as the state authorities in Nebraska had lifted the ban on such contests, and there was no thought but that the city of Lincoln, where the game was to be played, would do the same at the first meeting of the city council, which was held Thursday night.

At the fateful meeting, the council determined to keep the ban on, and then Prof. Scott sent Coach Rockne the heart-breaking wire.

If it had not been for previous assurance that the game would certainly be played, the local athletic director would have secured a game with Municipal Pier, as that famous eleven had also been disappointed and wanted a game Saturday. As it is, Coach Rockne, with characteristic energy and decision, went to work at once to secure a game with the Great Lakes.

TWO BIG GAMES IN NEW ENGLAND

For First Time This Season College Teams Figure In Gridiron Play.

NEW YORK, Nov. 2.—For the first time this season college football teams will figure to a considerable extent in the gridiron play of the week end. While the schedule of games is meager, when compared with the first Saturday of November during a normal season, the showing is the best of the autumn to date. Intercollegiate contests outnumber the games to be played with or between cantonment or naval station games.

Two of the best games of the day will bring together Pennsylvania and Lafayette at Franklin Field, Philadelphia, and Dartmouth and Syracuse at Springfield, Mass. All four teams have played one or more preliminary contests, and while not as formidable as in past years, appear to be somewhat evenly matched. Other games include Williams and Wesleyan at Williamstown; Amherst and Columbia at New York; Franklin and Marshall vs. Ursinus; Navy vs. St. Helena N. T. S. at Annapolis, and Penn State vs. Wissahickon Barracks at State College, Pa.

U. S. TO CONTROL PAPER INDUSTRY

News Print Product May be Taken Over Beginning First of December.

WASHINGTON, Nov. 2.—Government control of the news print paper industry by which paper will be distributed to all newspapers in the country to protect the smaller newspapers is being considered by Chairman Baruch of the war industries board. Dec. 1 is the date the control would become effective under the present plan.

A tentative plan has been worked out by the pulp and paper section of the board for Chairman Baruch's approval.

Operation of papers mills by the government is not contemplated, but the entire news print output of the country would be allocated, according to each newspaper's requirements, thus assuring a supply to the smaller papers now said to have difficulty in obtaining news print from the mills.

Chairman Baruch said today that investigation of the news print situation disclosed that some action by the government toward equitable distribution of paper is necessary. Some larger newspapers, he said, have been able to purchase an ample supply, and in some cases have more than their requirements, while smaller ones face a serious shortage which threatens suspension of publication.

It is considered that the new plan if accepted, will supersede the present restriction of the use of news print which reduced the news space in daily newspapers 15 per cent and Sunday editions 20 per cent.

Mr. Baruch intimated that he would be in favor of allotting each newspaper so much paper to be used in any way the paper desires.

"Big Ten" Season Will Open Today

CHICAGO, Nov. 2.—With four teams in action, the belated championship season of the western conference will officially open today. Chicago, with a temporary team, will play Purdue at Lafayette and Illinois will face Iowa at Iowa City.

Three other members of the "big ten" also will take the field, but the games will have no bearing on the championship race. Indiana will play Camp Zachary Taylor at Indianapolis, while Wisconsin will have Beloit as its opponent at Madison. Minnesota will be opposed by Carlton at St. Paul.

The losing team of the Chicago and Purdue and the Illinois and Iowa games will be eliminated from the championship.

SOUTH BEND HIGH TO MEET ELKHART H. S.

South Bend high school will play football against Elkhart high school this afternoon at Elkhart. This game has been postponed twice on account of the ban placed by the health authorities.

The local team will leave South Bend about 12:30 and drive through in autos.

Grant is First Major Leaguer to Sacrifice His Life For His Country

BY JACK VEIOCK,
 International News Sports Editor.

NEW YORK, Nov. 2.—The name of Eddie Grant will go down in baseball annals as the first major leaguer ball player to give his life for his country.

Grant was killed in action in the Argonne forest sector northwest of Verdun by an exploding shell. He was leading a unit which attacked the Germans in the fight that resulted in the rescue of the "lost battalion," which held out for five days after being surrounded.

Grant did not wait to be drafted when Uncle Samuel tossed his hat into the big arena. He enlisted shortly after the United States entered the war and won a captaincy within a year. He served as a private and also as a dispatch bearer previous to winning his first commission. As a ball player he leaves a record covering eight years in the major leagues. He first attracted attention in baseball while at Harvard, where he gained the reputation as one of the greatest collegiate fielders ever brought out in the east.

After playing independent baseball at Lynn, Mass., he signed his first professional contract with the Jersey City club and the following year, 1907, saw him wearing a Philadelphia National League uniform. Grant continued with the Phillies until 1911, when he was traded to the Reds. In 1913 he was sold outright to the Giants. He played third base and shortstop for McGraw until 1915, when he resigned to enter a business career.

Grant came of fighting stock. He was born at Franklin, Mass. He answered the call for volunteers as soon as it came. Baseball would be proud to have more sons like Eddie Grant.

TO SELL GERMAN WOOLEN MILLS

Manufactories in East Worth 200 Millions to be Put on Block.

NEW YORK, Nov. 2.—Announcement that the great German woolen mills of New Jersey and other large manufactories throughout the country, with an aggregate value of more than \$200,000,000, will be sold within the next two months to Americans was the answer today of A. Mitchell Palmer, alien property custodian, to the recent note from the German government protesting against disposition of former German-owned interests in the United States.

German property seized in this country totals \$900,000,000 and will soon reach \$1,000,000,000, as compared with \$14,000,000 worth of American interests taken over in Germany, Mr. Palmer said. In line with the government policy of wiping out all the "outposts of kultur" in the United States, he added, the former German companies will be sold only to persons who can satisfy the advisory committee of the alien property office of their Americanism. This committee, headed by Otto T. Bannard of New York, also will decide whether or not the prices offered are fair.

Chief of the manufactories to be placed upon the auction block are the Passaic, N. J., woolen mills, valued at \$50,000,000; principal among them the great Botany worsted mills, whose appraisal at \$14,000,000 has just been completed. The Bayer company, one of the country's leading makers of pharmaceutical products, and the Heyden Chemical company, a close rival of the Bayer concern in size, also will be sold. Most of the auctions, it was announced, will take place at the plants, though a few will be held in New York.

Red Flag Hoisted by Austrians

COPENHAGEN, Nov. 2.—A dispatch from Vienna printed in the Tageblatt of Berlin says:

"The national assembly met at 3 o'clock in the afternoon. A vast crowd had assembled before the diet and frantically cheered the red flag which was displayed by laborers from the suburbs of Vienna.

"Socialist members of the diet were cheered when they addressed the crowd in favor of a republic.

"Meanwhile the national assembly had accepted a constitution in which no place was left for the crown. The national assembly has the legislative power while the state council and the state government share the executive power. It was planned to name a new government Wednesday night."

Victor Adler, a socialist leader, is the probable choice for state secretary of foreign affairs. The socialist Leuter is the most prominent candidate for secretary of war while the progressive, Ofner, is mentioned for minister of justice.

At eight o'clock in the evening a deputation of officers and soldiers visited the national council and demanded the formation of a soldiers' council to conduct the demobilization of the army and to abolish provisionally the military garrisons.

JEWISH MAGNA CHARTA DAY TO BE OBSERVED

NEW YORK, Nov. 2.—Jewish communities throughout Palestine, it was announced here today by the Zionists organization of America, will celebrate tomorrow the first anniversary of the signing of "the Jewish magna charta," a title given to the British declaration in favor of the establishment of a national homeland for the Jewish people.

The organization also made public a cablegram from Gen. Allenby, the British commander in the Holy Land, in which he expressed thanks for the inscription of his name in the "golden book of the Jewish national fund." An honor bestowed only upon those who have during the past 20 years rendered definite service in bringing about the realization of the Zionist ideal.

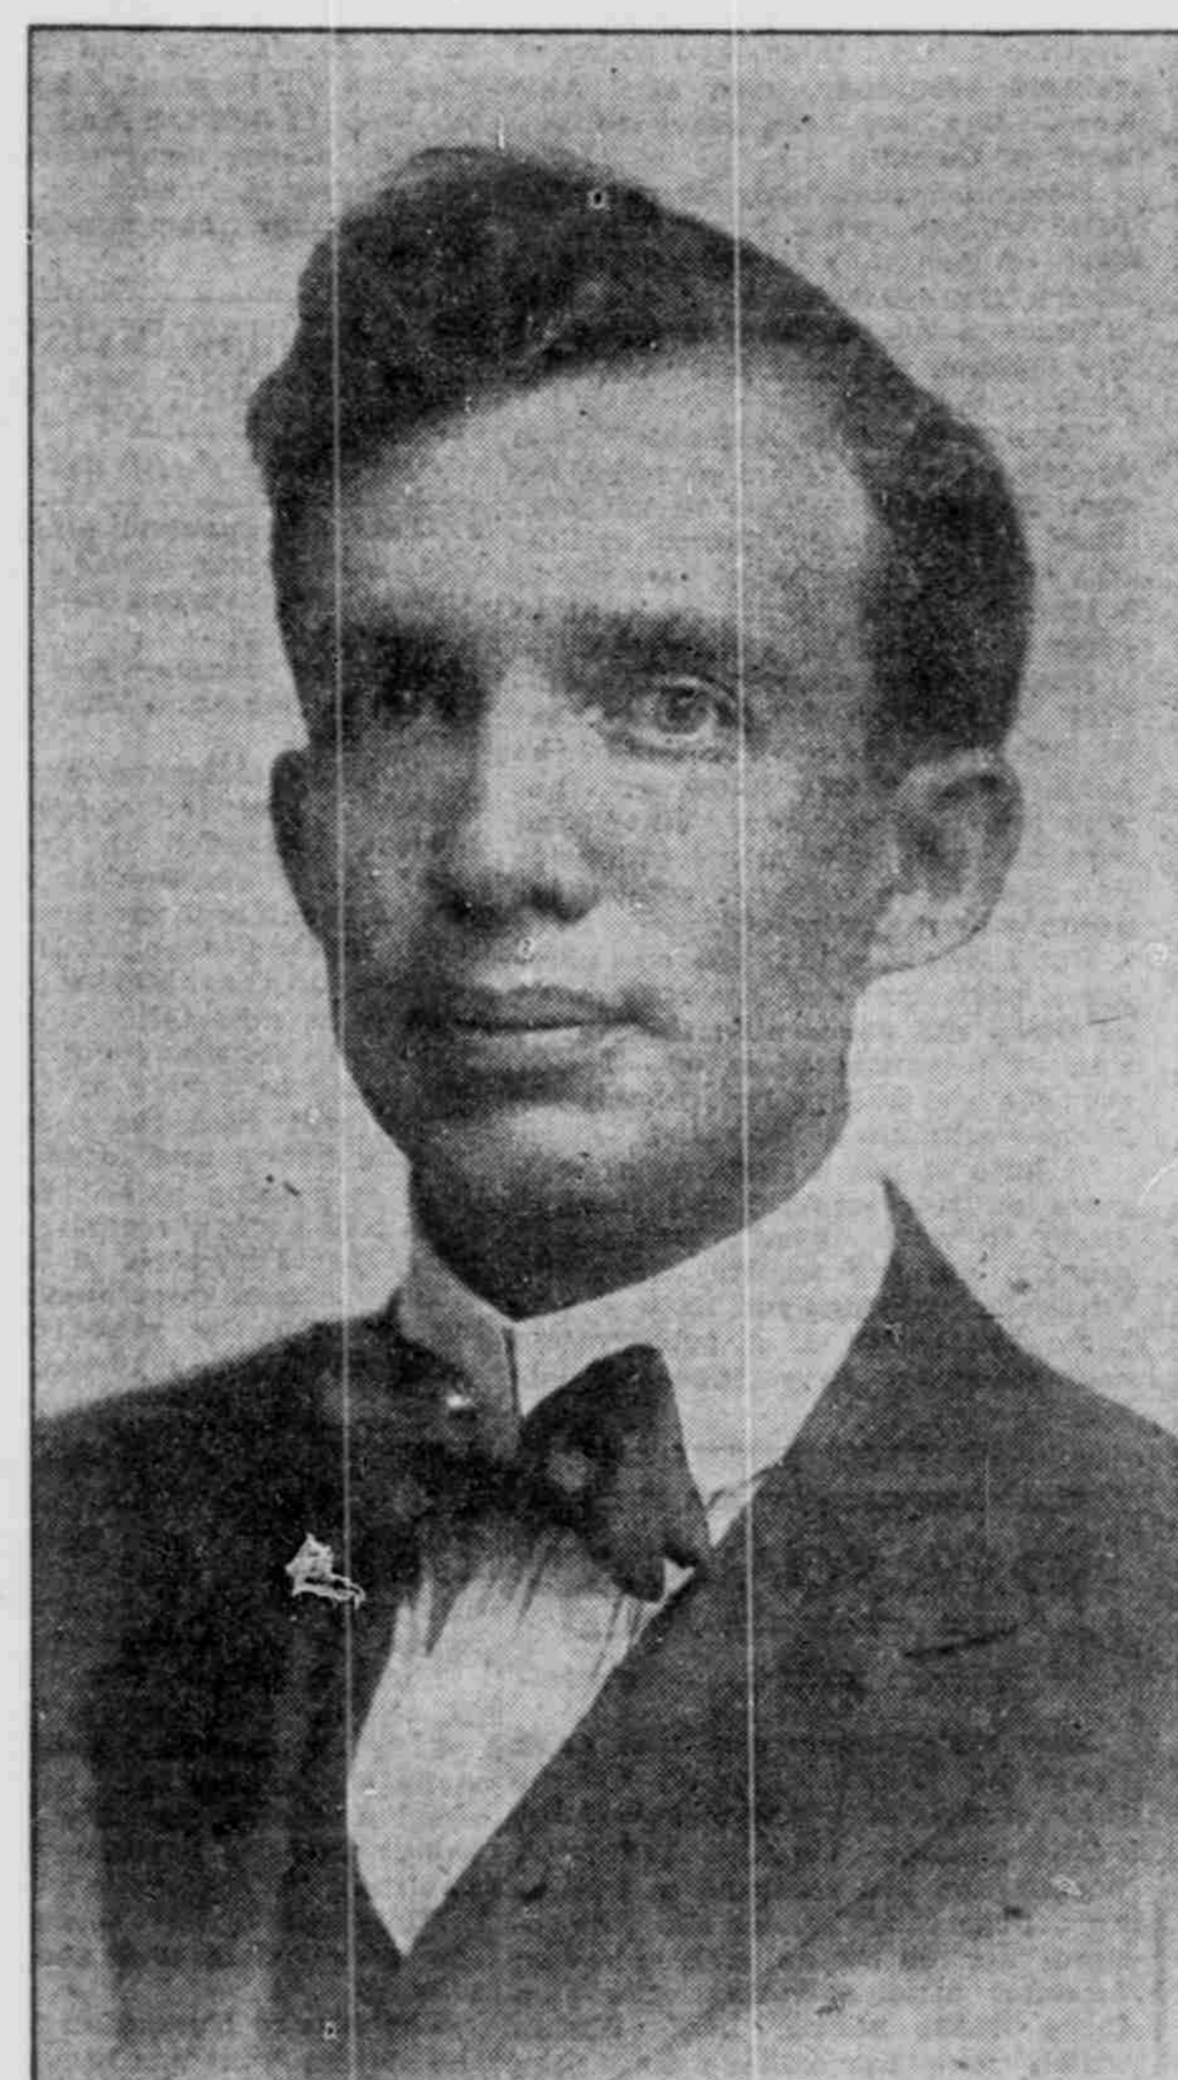

A message from Emir Feisal, an Arab chief, congratulating Palestine Jews upon the liberation by the allies of oppressed nations from the yoke of the Turk, was also received.

LaSalle
 All Theaters Closed Temporarily

When the theaters reopen, the Castle and the LaSalle will both be under the same management. A combination booking policy will be arranged and the best pictures made shown at both houses without conflicting programs. The LaSalle Coupon Books—10 Tickets for \$1.10—will be good at either theater.

THE BAN IS STILL ON AND WE WILL NOT BE ABLE TO OPEN SUNDAY AS EXPECTED. WE MUST WAIT ANOTHER WEEK AND BE PATIENT. HOWEVER, THERE IS A RAY OF SUNSHINE IN THIS VICINITY—ELKHART OPENS TOMORROW. WE CAN RECOMMEND THE DRIVE ON THE LINCOLN HIGHWAY, OR THE RIDE ON THE TROLLEY. IT MAKES A PLACE TO GO, AND AT THE ORPHEUM IN ELKHART YOU CAN SEE MARIAN DAVIES IN "CECELIA OF THE PINK ROSES."

To the man who said he would give a dollar to see a reel of pictures:
 The Orpheum in Elkhart opens tomorrow.
 "Cecelia of the Pink Roses," with pretty Marian Davies, is the attraction.
 We can recommend it, for it was shown at the LaSalle in July, and was pronounced a fine picture.
 Monday and Tuesday the Elkhart Orpheum will show Mabel Normand in "Peck's Bad Girl," a delightful new comedy.
 The LaSalle bookings have been set back for another week, and those who wanted to see Norma Talmadge in "The Forbidden City," must wait a little longer.
