

EAST CHICAGO AND INDIANA HARBOR

EAST CHICAGO. Agreement is Reached.

The laborers employed by the Gary Construction company at the 26th avenue were yesterday granted the desired raise of 15 cents per hour and are now receiving the 35-cent rate. The agreement was reached last night and the men will all return to work immediately.

Woman Socialist Talks.

Mrs. Gertrude Hunt, a powerful speaker on "Socialism," entertained an audience of about 300 persons on Chicago avenue last evening for two hours and a half. Mrs. Hunt made many friends by her remarks but there was a notable lack of applause, convincing evidence that the public is not yet to be won by the rabid declarations of the fiery orators. Mrs. Hunt wore the conventional red badge of the socialist party. She will speak this evening in South Bend, where a hall has been engaged. She will also preside at two open air socialist meetings in the Oliver town.

Buildings Are Sold.

The old city hall and fire station, on Forsyth avenue, have been sold. A. G. Rundquist, a local house-mover, has purchased the two relics and will dismantle them as soon as the new city hall is completed. The city hall was purchased for \$170, while the fire hall brought the exceedingly low figure of \$45. Citizens of East Chicago will be heartily glad to see the buildings moved away, as they have long been an eye-sore to the public.

Miss Etta Dixon of Macon avenue suffered a severe strain in her ankle while returning from Gary Monday evening. She was barely able to walk from the Lake Shore depot in Whiting to the telephone exchange, where she is employed as night operator. Dr. W. E. Putnam of Whiting was called and succeeded in reducing the strain. Miss Dixon is able to walk around but still notices a slight pain when placing her foot on the ground.

Mrs. McNabb and son, Alexander, of Olcott avenue, have returned from their week's jaunt in Milwaukee. The Congregational church will hold a supper in the Elks hall tomorrow evening from 8 to 9 p. m. The ladies have always been very successful in their dinners and will doubtless retain the distinction. A large attendance is expected.

Misses Myrtle, Alexander, accompanied by Misses Bernice Brackett and Minnie Patton attended dancing school at Hammond last evening.

Melvin Haecall and Miss Lella Mercer witnessed Monday evening's performance of "The Broken Idol" at the Whitney opera house.

The White Stars are endeavoring to secure a game with the Crown Point team for next Sunday, but Manager McShane is unable to receive a reply from the team. Through the medium of *The Times* he wishes to issue a challenge to the Crown Point boys.

The Tigers, East Chicago's aspirants for gridiron honors, have commenced diligent practice in the Central park grounds. Jensen, a former Michigan City high school star, has been secured to assist in the backs, while an exceptionally heavy line is promised.

The Story of a Medicine.

Its name—"Golden Medical Discovery" was suggested by one of its most important and valuable ingredients—Golden Seal root. Nearly forty years ago, Dr. Pierce discovered that he could, by the use of pure, triple-refined glycerine, aided by a certain degree of constantly maintained heat and with the aid of apparatus and appliances designed for the purpose, extract from our most valuable native medicinal roots their curative properties much better than by the use of alcohol, so generally employed. So the now world-famed "Golden Medical Discovery," for the cure of weak stomach, indigestion, or dyspepsia, torpid liver, or constipation, and kindred derangements, was first made, as it ever since has been, without a particle of alcohol in its make-up.

A glance at the full list of its ingredients, printed on every bottle-wrapper, will show that it is made from the most valuable medicinal roots found growing in our American forests. All these ingredients have received the highest endorsement from the leading medical experts, chemists and writers on *Hygienic Medicine* who recommend them as the very best remedies for the diseases for which "Golden Medical Discovery" is advised.

A little book of these endorsements has been compiled by Dr. R. V. Pierce, of Buffalo, N. Y., and will be mailed free to anyone asking same by postal card, or letter addressed to the Doctor as above. From these endorsements, copied from standard medical books of all the different schools of practice, it will be found that the ingredients composing the "Golden Medical Discovery" are advised not only for the cure of the above mentioned diseases, but also for the cure of all catarrhal, bronchial and throat affections, accompanied with catarrhal discharges, hoarseness, sore throat, lingering, or hanging-coughs, and all those wasting affections which, if not promptly and properly treated are liable to terminate in consumption. Take Dr. Pierce's Discovery in time and you will persevere in its use until you give it a fair trial and it is not likely to disappoint. Too much must not be expected of it. It will not perform miracles. It will not cure consumption in its advanced stages. No medicine will. It will cure the affections that lead up to consumption, if taken in time.

DEMOCRATS ARE IN THE BAD

"Kick Lazar Sarich From Your House As Though He Were a Serpent," Advises Spiritual Leader.

(Special to THE TIMES.) Indiana Harbor, Ind., Sept. 9.—"If Lazar Sarich, of his agents, attempt to draw you from the republican party, the party which has always befriended you, kick him from the house as though he were a serpent," were the words of Rev. Father Mihalton of the local Roumanian Greek Orthodox church to his parishioners last Sunday morning.

Is President of Society. Advice of the priest's sanction of the republican doctrine and his belief in their co-operation with his religious precepts, was given THE TIMES representative last evening. Rev. Mihalton is the president of a local republican society and has constantly used his priestly influence in bringing men to a clearer vision of political affairs. He has been particularly successful in this work and has gained a strong hold upon the militia forces in republican Oklahoma.

Sarich is foreign exchange manager for the John R. Farovold company and for several weeks has been engaged in the preparation of a poll book for use in the democratic party. On entering the homes of his friends he is alleged to have made derogatory remarks concerning the priest's actions and declared that his influence was not for the best. It was this which has caused the ire of the reverend gentleman and the utterance of the command to his parishioners.

Effects Are Seen. The declaration was made at a special meeting of the church body, held immediately after the regular services on Sunday morning. Already it has had its effect and Charles Sasko, who is assisting Sarich in the preparation of the poll list, has been forcibly evicted from two Harbor saloons. The proprietors of these saloons, Nick Rolicu and Phil Holom, are active republicans and strongly resented the action of Sasko in ridiculing their politics. They declare that they will enforce the commands of their priest and resent the advances of any ally-seeking democrats.

The blow will be a hard one to the local democrats as they are desirous of securing a large foreign vote, which is practically out of the question after Rev. Mihalton's edict.

The exclusion of this hall was made following the refusal of Cohen to pass upon a claim for money due De Bria's East Chicago orchestra. De Bria's men played in the Cohen dance hall on July 4 and despite the persistent demands, Cohen has refused to loosen.

Officer Rybecki last night arrested John Meckovitch of Cedar street on a charge of stealing a trunkful of clothes from a friend living on One Hundred and Thirty-seventh street. Meckovitch intended to use the clothes as part of his own wardrobe and was about to leave for Europe on an extended visit. The friend, however, heard Meckovitch moving the trunk about the house and fired four shots at him. The shots brought the attention of the officer and Meckovitch, instead of enjoying a vacation tour abroad will likely spend several days under Sheriff Carter's protection at Crown Point.

Mr. and Mrs. Alexander and daughter, were in Hegewisch Sunday.

Monday the Hegewisch Colts and the Larkins Clover Leaf teams met on the diamond at Hegewisch and for the first four innings all went well, the score standing 5 to 1 in favor of the Larkins. This was too much for the Hegewisch team and they are noted for being kickers, of course trouble began.

The Hegewisch umpire was so clearly unfair that he was taken from the diamond and another one was put in. The Larkins were a fine lot of players as well as a fine lot of boys, and with fair play would evidently have won the game, which closed 8 to 5 in favor of Hegewisch.

Mr. and Mrs. Swan Olson of 1353 Buffalo avenue, were visiting Sunday and Monday in St. Joseph, Mich., and they had a very pleasant time.

Miss Anna Ganz of Hyde Park, was visiting Mr. and Mrs. William Drinnan Sunday and Monday.

A grand program will be rendered in the Swedish Lutheran Lebanon church of Hegewisch next Friday evening, 11, under the auspices of the Ladies' Aid society of the church.

SPORTING NOTES

GANS & NELSON TODAY

Question of Superiority to Be Decisively Settled This Afternoon.

San Francisco, Sept. 8.—Joe Gans and Battling Nelson will clash for the third time tomorrow afternoon in Jimmy Coffroth's arena for the lightweight championship of the world.

In spite of the fact that pretty close to \$15,000 was expended by spectators who witnessed the Attell-Moran go of yesterday, it is likely that a tremendous house will see the coming battle. Interest runs far higher than in the featherweight contest of yesterday.

There is just one point where a matter of doubt exists—this is the condition of Gans and the peculiar state of getting affairs. The men who used to be down heavily in the days of the old "fight trust" regime are backing Gans whenever they can get their money covered. But to the time of writing comparatively small sums have been wagered.

and drops Ed Yates, the veteran, behind the home plate says were just the kind that fools them all. And with the fine support given the battery made victory easy. Had the visitors given their battery the same support the game might have been a little different.

The Sunday game was also a one-sided affair with Walters back to his third base position and Jarvis of Mome, in the box. Jarvis done effective work at the home plate and had fine support behind him. A large number witnessed both games. Following is the score by innings:

Saturday:
Colts 0 0 1 0 0 0 0 2-3
Oaklands 0 2 2 0 2 0 2 0-8
Batteries—Colts, Baker and Wallace. Oaklands, Walters and Yates.

Sunday:
Colts 0 0 0 0 1 0 0 0-1
Oaklands 1 0 0 0 0 1 1 4 0-7
Batteries—Colts, Baker and Wallace. Oaklands, Jarvis and Yates.

FIRST BLOW WAS DECISIVE.

Los Angeles, Sept. 8.—Stanley Ketchel, with his face a swollen mass and both eyes blackened and puffed in spite of the lancing to which they had been subjected, admitted today that the first blow Papke landed took the steam out of him. He said he scarcely knew what he was doing half the time he was in the ring. He wants return match with Billy.

ATELL AND MORAN EACH EARN \$3,990 FOR THEIR DRAW.

San Francisco, Cal., Sept. 8.—The receipts of the Attell-Moran fight were \$13,303. This was divided 60 per cent to the fighters and 40 per cent to the promoter. The featherweights having fought a draw out their end of the purse 50 per cent each. This makes for the men interested: Promoter Coffroth, \$5,311; Abe Attell, \$3,990, and Owen Moran, \$3,990.

PAPKE RECEIVES \$6,652 FOR WHIPPING STANLEY KETCHEL.

Los Angeles, Cal., Sept. 8.—According to Barney Long, manager of the Jeffries Athletic club, the total receipts of the Papke-Ketchel fight were \$18,480. Papke gets \$6,652 and Ketchel gets \$4,486.27.

Touch.

I am sure that if a fairy bade me choose between the sense of sight and that of touch I would not part with the warm, endearing contact of human hands or the wealth of form, the nobility and fullness that press into my palms.—Helen Keller, 1) Country Magazine.

LOWELL GETS READY

Lake County Team to Meet LaPorte in Second Game of the Series.

Lowell, Ind., Sept. 9.—(Special)—What will undoubtedly prove to be the most interesting ball game ever pulled off in northern Indiana is scheduled for next Sunday at Oakland park, Lowell, when the fast LaPorte team journeys there to meet the 1907 champions in the second game of the northern Indiana championship series. Baseball matters have simmered down to that point where the championship lies between these two teams and the Lowell contingent are determined that their next year's stationery shall read "Champions of Northern Indiana, 1907-8."

While manager Wood of the Lowell team is very guarded in taking of his line up for this game enough has been learned that it is safe to say Lowell will go into battle with the best bunch of ball players seen together in this part of the country for several years. Irwin, the "Invincible," who struck out 12 of the LaPorte players in the first game will do slab honors as usual. The infield as well as outfield will see several new faces and to a man up a tree it looks like Lowell will keep up the record they feel so justly proud of and which few teams can boast, viz: Having won every game played on home grounds this year. There is a great deal of interest taken in this game from all neighboring towns and if the weather man is on his good behavior it will prove a record breaking ball crowd for Lake county. Valparaiso, Leroy, Hebron, Crown Point, Hammond, Indiana Harbor, Whiting, Rensselaer, Mome, Grant park and Brook will each send over a good sized delegation to root for Lowell and LaPorte is trying to make arrangements for two special cars to be over the Lake Shore and Monon railroads direct to Lowell. The management has hit upon a novel plan of advertising, in sending out an endless chain of post card invitations to the Lowell boys in Chicago and elsewhere and it is safe to say that if there is any person you want to see—come to the ball game—that person will be there.

Last Friday night two men tried to enter the home of William Dunn in Robertsdales, by the way of the pantry window.
