MARRIAGE

John R. Peters, a Kosciusko county farmer, was married Thursday to Miss Vivian A. Fields of Berrien. When they were all at home, just before dinner, the officiating clergyman happened to come into the kitchen and see that bread was being baked, and so he was occupied in the proper direction. He was not neglected, and the Prophet promised to see that he had his share.

Nate Anglo

Mr. Hilla A. Muro and Miss Goldie J. Angell, both of Kosciusko county, were married last Thursday at a house on West Madison Street, Saturday evening at seven o'clock. The wedding was a beautiful and typical event. The couple left town by special train, returning to their home on Monday morning. They were the guests of the bride's parents.

Old English Festival

Proclamation Made By John Mark, First Governor of Marion, Establishing the Old English Festival

The old English festival is being established by Governor Mark, and is to be held annually on the last Thursday in May. It is to be a grand festival, with games, music, and dancing, and all who attend are expected to wear English costumes.

THE RESERVATION

The Reservation for life purposes

To fill the world with his glory.

This was written 500 years ago, but it is still valid if we have any concern in our government today. We will work together to make sure everyone has equal opportunities.
