Wise, Dale O., Capt., Elkhart. Wolf, Herman C., 1st Lieut., Indianapolis. Wood, Jesse A., 1st Lieut., Bedford. Yarrall, Andrew J., 1st Lieut.,

U.S. Aviator is Killed in Greece; Thrown by Horse

PARIS, Nov. 28.—Advices have been received here from Saloniki to the effect that Sergt. Paul Pavelka of the French flying squadron was killed recently by being thrown from a horse near Monastir. He was buried at Saloniki. Pavelka was the first American fighter killed on the Macedonian front. His home was Madison, Conn., and he enlisted in the foreign legion at the outbreak of the war, but was transferred to the aviation branch in November, 1915. He served with the Lafayette squadron before Verdun and in the Somme battle and later volunteered for service at Saloniki, where he was decorated with the war cross for his bombing and fighting exploits. Served in Foreign Legion. Pavelka, prior to enlisting in the flying corps in France, served 14 months in the trenches with the foreign legion. He established a record in his preparatory training at a military flying school in France of placing 12 bullets out of 12 shots in the head of a moving silhouette, representing the body of a man at a distance of 100 yards. Before the outbreak of the war Pavelka was a member of the crew of the United States battleship Maryland. Before joining the fliers he had taken part in three battles, in one of which, before Arras in June, 1915,

PIECE OF SCRAP IRON WRECKS TRAIN; 2 KILLED

WELEETKA, Okla., Nov. 28.—The playful throwing of a piece of scrap iron to which a rope had been attached by three small boys on the tracks of the St. Louis and San Francisco railroad near here caused the wreck Sunday morning of the fast train known as the Meteor and the death of two members of the train crew, according to a confession made by the boys to their parents Tuesday. When the iron became wedged in a joint the children abandoned it. No action has been taken by the authorities who have been working on the theory the wreck was caused by enemy aliens or I. W. W. agitators. FOUR FRONTIERS OF SWITZERLAND CLOSED GENEVA, Nov. 28.—The Austrian and German frontiers were closed Monday night. Both the French and Italian frontiers already had been closed for an indefinite period. Thus Switzerland's four frontiers now are sealed for the first time since the outbreak of the war. Notre Dame News

The New England club has completed its arrangements for the first Thanksgiving dinner which will be given for the members Thursday evening at the Farmers' Trust Inn on Main st. The speakers of the evening will be the Rev. John McGinn, C. S. C., dean of the sociology department and Miles W. O'Brien of the South Bend Lathes Works company. Both speakers formerly lived in New England. The committee in charge of the arrangements include: Walter O'Keefe, Bernard Murphy and Vincent Egan. The Very Rev. John Cavanaugh, C. S. C., president, announced the following program of motion pictures to be shown in Washington hall: Nov. 28, "Wolf Lowry" with William S. Hart; Dec. 5, "Matri-monial," Douglass Fairbanks; Dec. 8, "The Old Homestead," with an all-star cast; Dec. 12, "The Finch Hitter," with Charles Ray; Dec. 15, "Seventeen," with Louise Huff and Jack Pickford; Dec. 19, "American Aristocracy," with Douglas Fairbanks. The lecture and concert program includes: Dec. 1, Dr. Edgar J. Banks, the noted American archeologist; Jan. 12, Edwin Whitney, reading; Feb. 2, John Kendrick Banks, reading; Mar. 6, Bostonia sextette, concert; Mar. 25, Strickland Gillilan, lecture; Mar. 27, Sedler's sextette, concert; April 15, Sidney Smith, the famous cartoonist.

MARRIAGE LICENSES

Pearl B. Clow of Elkhart, Florence Messer of Elkhart. William E. Williams and Ethel May Merchant, both of Laporte. John D. Miller, Logansport and Clara D. Miller, Middlebury.

LOGGER HURT

Edgar Stahley, 22, residing with his father, Jesse Stahley, two miles west of Waterford, was badly hurt while handling logs. Through the slipping of a chain the top log was permitted to roll in such a way that it caught and broke both bones of his left leg.

BIRTHS

Twin boys were born to Mr. and Mrs. Frank Lower, residing east of Goshen. Mr. and Mrs. Charles Grabill are parents of a daughter.

J. G. SMITH DEAD

John G. Smith, 80, father of Mrs. J. W. Replige of this city, died at his home, six miles northwest of Elkhart, after a long illness of heart ailment and complications. Mr. Smith was born in Harris township, not far from where he died, Jan. 23, 1837. It is said he was the second white child born in that locality. Surviving are his wife, two daughters, two sons, two sisters and four grandchildren.

TRY TO AROUSE SWEDEN AND SWISS AGAINST U. S.

WASHINGTON, Nov. 28.—Information revealing the extent of misrepresentation employed by Germany in an effort to inflame public opinion against the United States is neutral as well as hostile countries is reaching Washington. The propagandists have been especially active in Switzerland and Sweden, and important newspapers in each country have been sued for the spread of anti-American doctrine.

FOSTER ESTATE IS VALUED AT \$400,000

WASHINGTON, Nov. 28.—The estate of the late John W. Foster, former secretary of state and noted diplomat who was father-in-law of Sec'y Lansing, is valued at \$400,000 in a petition filed Tuesday for the probate of his will. The estate is held in trust for the widow during her life and afterward is to be divided equally between the two daughters.

If party who took green auto blanket Saturday night will return same to this office within 48 hours, no questions will be asked. If not, prosecution will follow as party is known. 15-28—Adv.

CLARIDGE The New Fall ARROW COLLAR 20¢ each 2 for 35¢ 3 for 50¢

N. D. DOES NOT PLAY FRESHMEN ON VARSITY

Notre Dame students were indignant at the publication in Tuesday morning's Chicago papers of an insinuation on the part of Marquette college authorities that the University of Notre Dame is not strictly following all conference rules of eligibility. The specific charge was that the local school has and does use freshmen on her varsity teams. This is directly opposed to the five year long policy closely adhered to at Notre Dame. The story probably originated over the playing of Dudley Pearson of the Washington and Jefferson game at Washington, Pa., last Saturday. Pearson attended Marquette last year, and authorities there are probably working under the delusion that he has but freshman standing here this year. The facts of the case are, however, that Pearson attended a full scholastic year at Notre Dame, commencing September, 1915.

FEARS TWIN BILLS IF SCHEDULE IS CUT DOWN

CHICAGO, Nov. 28.—Numerous double-headers will result from any attempt to compress a schedule of 154 games into five and one-half months in the opinion of B. B. Johnston, president of the American league, Tuesday. He said that he favored reducing the American league schedule to 140 games, but if the National league decides to retain the 154-game schedule that it would be necessary for the American to play a like number in order to avoid conflicting dates. "Playing two games for one admission cheapens the sport," said Mr. Johnston, "and creates in the minds of the fans the belief that they are not getting their money's worth out of a single game of nine innings. Double-headers have done more to injure professional ball than any other one thing. Some of the minor leagues have played the double-header card to the limit and owe much of their financial trouble to that fact."

NOTED GRIDIRON MEN AT SOLDIER-SAILOR GAME

CHICAGO, Nov. 28.—Three prominent coaches of western conference universities and a former all-American quarterback are to be among the officials at the football game Thanksgiving day at Stagg field, between eleven from the Port Sheridan officers' training camp and the Great Lakes naval training station. John Richards of Wisconsin will referee the game. Fielding H. Yost of Michigan, will act as umpire. Fred Murphy of Northwestern, will be headlinesman and Walter H. Eckersall, quarterback on the University of Chicago team in 1905, is to be the field judge. Some of the most noted stars of football will be in the lineup.

HAPPY GO LUCKY BOYS QUINTET WINS 21-5

The Happy-Go-Lucky boys, a basketball team composed of 18-year-old members of the local Y. M. C. A., defeated the St. Patrick Hall Stars at the Laurel school gymnasium by a score of 21 to five Tuesday night. Frank Anderson of the Y. M. C. A. refereed, Smith, Edwards and Robacher of the Y. M. C. A. aggregation starred with three baskets each. Dome, Johnson and Brewer of the St. Patrick team featured. Brewer threw two baskets. The St. Patrick boys wish to meet again in an effort to prevent the 125 pounds. Games may be scheduled by calling Homer on Bell phone, 2896, after 6 p. m.

TURKEYS ARE HIGHER THIS YEAR THAN LAST

WASHINGTON, Nov. 28.—The nation's Thanksgiving turkey this year will cost more than it did a year ago. Reports to the department of agriculture made public Tuesday, show that poultry growers were receiving an average of 14 cents per pound more for turkeys and 21 cents more for chicken on Nov. 15 than they received on the same date last year. Turkey prices averaged 21 cents, 34 cents higher than the Nov. 15 average for the past four years, and chickens averaged 17 cents, an advance of 58 cents over the four-year average.

WINTER IS LAVISH IN SPREADING DISEASE

Your Vitality Must Be Kept Unimpaired if You Expect to Resist the Dangers That Are Lurking Everywhere

S. S. S. Will Fortify Your System Against the Severest Weather. Right now you are on the threshold of the most dangerous season of the year, when your system is called upon to undergo the severest test in resisting disease that is running rampant. For now is the time when every breath of air you inhale is laden with millions upon millions of tiny disease germs that are fighting to find lodgment in your system and set up their campaign of destruction. On every hand you see evidences of Catarrh, with its distasteful and nauseating symptoms, causing its victims to constantly hawk and spit in an effort to prevent the air passages and throat from becoming stopped up entirely. And it is a common thing to see the unfortunate victim of the bronchial germ, wheezing and coughing and almost a constant fight for the right to live. Those afflicted with colds and grippe are everywhere. Most dangerous of all is the germ of pneumonia, that deadly disease that carries off its victim with startling suddenness. Of course everyone is familiar with the suffering which the rheumatic has to endure as winter comes on, and the intensity and regularity of his pains. The disease seems to take on added severity at this season, and the little pain demon runs rampant in their frenzied delirium. Why is it that so many people fall victims to these diseases, while others escape unharmed? Isn't it true that everyone is equally exposed to attack? This is a very natural question, and the answer is easily arrived at by a little logical reasoning. It is quite true that practically everyone is equally exposed to the dangers of disease. You are just as liable to be attacked as the man or woman sitting next to you on the street car. It all depends upon the condition of your blood supply. If your blood is thin and impoverished and has been allowed to reach a low state by the accumulation of impurities, you have not sufficient vitality to resist these germ attacks and they find a fertile field in your system to spread and ease. Your neighbor will easily resist the identical attack because he believes in precaution, and keeps his blood strong and vigorous and absolutely free from all impurities by the use of a few bottles of S. S. S., the standard old blood purifier and tonic. He knows that the source of all disease is in the blood, and he is wise enough to keep his blood pure at this critical season when disease germs are lurking everywhere. You can enjoy the same immunity as thousands have been doing for years. Simply go to your drug store and ask for a bottle of S. S. S., and take it according to directions. You will notice an immediate tonic effect, for it will improve your vitality, and a few bottles will make you strong and vigorous, and you will enjoy the buoyancy of perfect health. And with your system kept in perfect condition, you will be safe from the dangers now so prevalent. Those who are afflicted with catarrh, rheumatism, eczema, or other blood troubles, or are in general run-down and debilitated condition, can obtain valuable medical advice from our Chief Medical Adviser without charge. Address Swift Specific Co., Swift Laboratories, Atlanta, Ga. Adv.
