WEEKLY SECTION OF RICHMOND PALLADIUM

RICHMOND, INDIANA, SATURDAY, JUNE 19, 1920

CANARIES SING IN SPECIAL SERVICES

The Children's Day program of the West Side Friends' church was given before a setting beautifully fitted to the occasion. There was a white trellis woven with real pink roses, and three canary birds in gilded cages were hung in various places near the platform and, seeming to know that it was a happy and unusual occasion, they sang, at least two of them did, all through the service, which began at 10 o'clock.

Flowers and birds, however, were not all that was needed to make a successful service, and so marching into the church and up on the platform, came all the children of the Sunday school, marching to music played on the organ by Miss Ruth Hutchens, and singing "Tis Children's Day."

The program of the service follows:

Salutation, Martha Hodson; Exercise, "Tell Me, Birdie," Louise Overman, "Sing On, Birdie," Miriam Hodgins; Exercise, Wishes, Elizabeth Peacock, Eleanor Lindley, Samuel Hutchens, Mildred Gluys, Samuel Hodgins, Jr., Helen Bills, Bernice Louise Woodward; Message, "Birds, Flowers and Children," Rev. Charles Woodman; Prayer, Elizabeth Fry Group; Song, "All Ye Happy Children," Primary and Beginning Classes.

Garden Film Shown in R. H. S. Thursday

Thursday afternoon, a two-reel film was shown in the High school auditorium especially for the members of the School Garden Army, although any person interested in gardening was invited to attend. It was brought here by Mr. E. E. Rice, supervisor of the Richmond division of the School Garden Army. It is a film sent out from the headquarters of the U. S. S. G. A., in Washington, D. C. About two hundred children were present. A short address was given by Mr. Murphy urging the Garden Army members to plan to take part in a local garden exhibit held sometime in July.

Supervisor Rice reports that the Richmond gardens are coming along pretty well, that there are a large number of nice gardens, and he is especially pleased that they are so clean from weeds.

Mr. Rice gave out many badges Thursday afternoon and wishes to say, through the Junior Palladium, that any children who have not yet received their badges as members of the Garden Army, may do so by going up to him when they see him on the street (he keeps a supply in his pocket) or by calling at his house, 103 South Ninth street.

CAMPFIRE GIRLS MEET TO DISCUSS CAMP, MONDAY

Monday evening, at 7:30 a special meeting of the Tatapoehon Campfire Girls will be held at the home of their Guardian, Miss Ruth Hieger, 133 South Fifteenth street. The idea of having a camping party at Henley's cabin, for a week, beginning June 27, will be discussed.

ST. MARY'S BASEBALL TEAMS GET NEW SUITS

Rooms 1 and 8 of St. Mary's school have organized baseball teams. Room 1 ordered baseball suits, which arrived Wednesday. They are stunning suits of gray and maroon. We expect to hear good reports of this team!

SCOUT TROOP IS AWAKENED EARLY IN OVERNIGHT CAMP

"They yelled all night," said the Boy Scouts of Troops One and Three, in speaking of Baron and Hart, two members of the troop, "and they got up at 12:30 and made a fire!"

But who wouldn't yell and do a whole lot of things when the "Head Cheese" and the other fellows had all the blankets? Something had to be done, and so Baron and Hart saw that something WAS done.

All this happened out on Abington pike where the boys of the Methodist Scout Troops led by "Tow" (the boys did not give us his other name) Ashinger and Everett Lawson, scoutmasters, had pitched their tent for the night. This statement "had pitched their tent" isn't meant literally, for they really had no tent at all.

Last Saturday evening was the second evening these boys had gone hiking and camping over Saturday night. They take eats along and have a general good time.

The mosquitoes and ants have a good time, too, we hear, and probably wish the boys would come oftener. The boys have discovered "4, 5, or 6" springs in this place.

Harold Percifield is senior patrol leader and treasurer of the troop.

There are two patrols, the Eagles with John Pinnick as leader, and the Beavers, with Wayne Reid at their head.

Airplane Ride for Winner.

A contest will be offered the offered the members of the troop sometime soon and the winner will get a ride in Lawson's airplane. Lawson is connected with the Airplane company, here.

Degree work and tests are going right along. Percifield has successfully passed three merit badge tests as well as the second class Scout test. Pinnick and Reid have passed the second class test. The boys who have passed the tenderfoot test are Lauren Owens, Wilbur Pond, Robert Thomas, James Hart, James Baron, Clarence Abel, William Huber, Thomas Mull, and Albert Foster. The troop's scribe is Gerald Watterson.

Regular meetings are held at the church every Wednesday evening at 7:30. Plans are being made for camping sometime in July and for the raising of money to buy uniforms.

THIS TROOP WISHES TO ANNOUNCE THAT THEY HAVE A TEAM THAT CHALLENGES ANY JUNIOR TEAM IN RICHMOND TO A BASEBALL GAME!

They wish any boy between 12 and 17 years of age who is interested in Scouting, to visit one of their Wednesday evening meetings with a view to joining.

Miss Mather Here — Winter of Interest

Miss Mary Mather, former editor of The Junior Palladium, has returned to her home in Richmond for the summer. During the past winter, she was taking advanced work in Radcliffe, the Women's Graduate School of Harvard University. Much of her work was spent in studying children's newspapers and planning their further development. She has made many interesting visits to homes of children's newspapers in Boston, New York, Washington and Philadelphia. We hope that she will write to all Junior readers through our little paper and tell us about some of these visits, so that we may become better acquainted with our little Junior friends who live in the eastern part of our splendid big country. The Junior Palladium, as it is today, is a result, to a great degree, of Miss Mather's enthusiastic interest and work which she gave to it while editor of it during the winters of 1916-17 and 1917-18.

Abraham, when a boy, chose as the subject for one of the first essays he ever wrote, "Cruelty to Animals." In this characteristic, the man and the boy never parted company.
