

DISPUTE OVER BEAUTY BETWEEN TWO WOMEN ENDS IN CITY COURT

A beauty contest between Hazel Russell and Lena Wiggins, 211 South Sixth street, was brought to light in city court Tuesday morning.

"You ugly old pop-eyed horse!" one is said to have exclaimed to the other. "If I am uglier than you are I would have to go some!" the other retorted. One word brought on another until each decided to settle the argument by filing charges of provoke against the other in city court.

Mayor Zimmerman undertook to arbitrate the matter, however, he stated that he was no judge of beauty and would have to have all the facts of the case before deciding who was at fault for the argument.

It developed that the two women live in the same house and are unable to live peacefully and without trouble. The mayor decided that Lena had started the altercation and assessed a fine of \$1 and costs for provoke. The charge against Hazel was dismissed. The beauty problem remains unsolved.

Others Are Fined
R. C. Morton, of Chicago, and Catherine Kuth, of Dayton, were fined \$1 and costs each on a statutory charge. Both pleaded guilty. They were arrested at a local hotel on the complaint of Mr. Morton's wife.

Clifford Pehl was fined \$1 and costs for parking his automobile near a fire plug. He pleaded guilty. Joe Stolle was fined \$1 and costs for speeding, having been picked up by Motorcyclist Officer Willis Monday afternoon.

A family quarrel between D. D. Hunter, colored, 729 North Fourteenth street, and his wife Sunday morning, resulted in her filing charges of assault and battery in city court Tuesday morning. Mayor Zimmerman took the case under advisement.

Henry J. Freeze and Charles Long were fined \$5 and costs for public intoxication.

CLEVELAND IS READY TO GIVE RIGHT HAND TO ALL KIWANIS

CLEVELAND, O., May 17.—The Fifth City is completing arrangements to entertain one of the biggest conventions of business and professional men ever held in the country—the International Kiwanis Clubs convention, which is expected to attract fully 8,000 here during the week of June 20th.

Co-operating with the various committees of the Cleveland Kiwanis club in their extensive convention plans is the Cleveland Chamber of Commerce and practically every other civic and semi-civic organization. The entire city is preparing to extend the right hand of good fellowship to the visiting Kiwanians, who will come from 500 cities of the United States and Canada. Every minute of the week which is not devoted to business sessions of the organization will be given over to a round of amusement and entertainment, including lake trips, dances, dinners, sight-seeing tours, "stunts", shows and musical programs.

Wives Going Along.
Twenty-five hundred to 3,000 wives of Kiwanians are expected to accompany their husbands to the convention. A general women's committee of 250, headed by Mrs. Charles U. Davis, is arranging to entertain the women visitors.

All trains and lake steamers, including special cars and chartered boats upon which various clubs will journey to the convention, will be met by reception committees. These committees will function during the entire week, acting as information bureaus for the visitors.

The entire city will be in gala day attire for the big gathering. Downtown streets and office buildings will present a kaleidoscopic picture of color, with flags of all nations, bunting and pennants. Stores will co-operate in the decorative scheme. Thousands of autos also will be decorated.

Committees on transportation will establish booths in hotel lobbies for the convenience of the delegates.

CHILE SELLS NITRATE TO POOL IN LONDON

(By Associated Press)
SANTIAGO, Chile, May 17.—Announcement is made of the sale of 2,000,000 tons of nitrate by the Chilean Nitrate Producers' association to a nitrate pool in London, the price being fixed at £14 per ton.

Should the pool be forced to sell below this price, the loss will be borne equally by the pool and the producers, and payment of export duties to the Chilean government are guaranteed, even in the event there are no sales by the pool. Shipment of the nitrate will begin in September.

This arrangement was made in view of the decision of President Alessandri to urge up on congress a law providing for the nationalization of nitrate sales. Discussion of this step by the government will be held in abeyance until every effort has been made to relieve the present stagnation in the nitrate business.

The producers are urging that the export duty be slightly reduced, and that the government guarantee help toward the maintenance of the industry.

Earlham

The Earlham-Franklin track meet proved to be the necessary stimulus to bring a number of alumni and old students back to their alma mater last week end.

Among those back for the week-end and track meet were John Cox '14, Lindley Clark '13, Mr. and Mrs. Cloyd Chambers '09 and '10, Don Kellum '19, Lawrence Lindley '17, Leland Calvert '19, Ren Winslow, student '12-'13; Ralph Harris '20, Russell Titsworth '19, Walter Wildman '20, Virgil '20, Marna Johnson ex-'20, Althea Brown, Dorothy Slison ex-'23, and Dorval Whitehorn ex-'22.

The second monthly vesper service of the year will be held in the Earlham chapel Sunday afternoon at 4 o'clock. Music will be furnished by a quartet composed of Mary Carmen, Miriam Hadley and Anna Martha Osborne.

Plans for the publication of an Earlham "Who's Who" are being made by Prof. Homer L. Morris, who is chairman of a committee which will compile data and publish the book as soon as possible.

It was the plan of the college and alumni officials to have a "Who's Who" issued every four years, and 1920 was the date for its last appearance, but it was not possible to put the book out then. The book of 1916 was not a complete one, as it dated back only to about 1885. The next issue will contain as accurate and complete report as it is possible to get, from the founding of Earlham up to the present.

Prof. Harlow Lindley, President D. M. Edwards and Dr. Walter C. Woodward have been selected as a committee to arrange for the writing and publishing of a complete history of Earlham College, which it is hoped will be completed shortly after the commencement next year.

There has never been a full account of Earlham's history written, and one year is a short time to collect material and write a history, but the committee is starting plans now in order to rush the work.

Louis Ech, 1402 North G street, was fined \$100 and costs and sentenced to 30 days at the penal farm for violating the state liquor law by manufacturing "raisin-jack," in city court Tuesday morning. The penal farm sentence was suspended. Ech was arrested Sunday morning and a 15 gallon keg containing "raisin-jack" and three 25-pound boxes of raisins were brought to police headquarters.

Ech and his wife appeared in city court Tuesday morning and pleaded guilty to the charge. He paid his fine and tucked his three boxes of raisins under his arm and bade the officers goodbye.
