Dr. J. E. Beverly has purchased Capt. Bonebrake's interest in the JOURNAL office and will take possession of the same as soon as the health of his family will permit. He will have the entire charge of the editorial department.

ELECTION TICKETS--*Notice to Candidates.*—The Union ticket for the October election in this County will be printed the first o next week. Those candidates desiring to have their names inserted on the Union tickets, will please let it be known by sending their names, accompanied by two dollars each, to this office not later than next Monday evening.

We this week present the JOURNAL to our readers in the old form of four pages. It will also be seen that we have made a little change in the name, from *Randolph* JOURNAL to *Winchester* JOURNAL.

CHAPLAIN TO THE 84th REGIMENT.—Rev. S. T. Stout has received the appointment of Chaplain to the 84th Regiment. He received the unanimous vote of the Regiment. We have no doubt but the choice is a good one, and that Mr. Stout's services will be highly acceptable to those interested. He will report to the Regiment next week.

The 19th Indiana covered it self all over with glory at the battles of Antietam and South Mountain. We have no account of the loss of Co., C in the last battle, but presume it will be sent us by Capt. Hamilton before our next issue.

We have received from Charlie Steele, Company Clerk, a correct list of the killed and wounded in Capt. Bonebrake's Company at the Richmond, (Ky.,) battle. It differs but little from other accounts published. See it in another column.

John Scott, of Deerfield, will canvass this township soon for the purpose of selling fruit trees, &c., raised by the Hamilton Nursery Company, near Cincinnati, Ohio. He claims for his trees many advantages over those grown in the Eastern Nurseries. His prices are very low, and he warrants all that he sells to give entire satisfaction.

Captain Samuel J. Williams, of the Selma—Delaware County—company has been promoted to the Lieutenant-Colonelcy of the 19th Indiana, and Captain Dudley, of Richmond has been promoted to Major.

HOWARD ASSOCIATION, PHILADELPHIA.—We are pleased to learn that this excellent Institution has been able to survive the prostrating effects of the present war and still continues its labors for the relief of the afflicted in all the loyal States, with undiminished zeal. Its business affairs are conducted with the most rigid system, and its Physicians and Surgeons are distinguished for their professional skill.

We have neglected heretofore to mention that B. F. Diggs, Esq., is attending to Pierce's Drug and Book Store, Mr. Pierce having volunteered in the defense of his country. Those wishing anything in the line of drugs, books, &c., will find Frank always on hand to attend to calls in his usual obliging manner.

In another column will be found a letter from Captain Hamilton.

Go to McAdams's for your stoves and tinware.

A fine shower of rain fell in this vicinity on Monday last.

John Richardson is having built a large two-story frame dwelling house, east of the Public Square. Thos. Best is doing the carpenter work.

Lieutenants Cook and Newman, of Co., C, 19th Indiana, have returned home on furlough, both of them having been wounded in the battles near Washington in August.

Show this number of the WINCHESTER JOURNAL to your neighbor and ask him to subscribe for it. It will do him good.

Two horses were stolen from Peter Lasley on last Sunday night. The thief nor horses have not yet been heard from.

One cord of good wood will pay for the WINCHESTER JOURNAL one year. Bring it along while the roads are in good condition.

Subscribe for the WINCHESTER JOURNAL. Only one dollar per year, if paid in advance; one dollar and twenty-five cents within six months, one dollar and fifty cents within one year, and two dollars if not paid within the year. Any person sending us a club of ten subscribers at the above rates will secure a copy of the paper free.

Rev. S. T. Stout having accepted the Chaplaincy of the 84th Regiment, the next Quarterly meeting of the M. E. Church for this place will be held on next Saturday and Sunday, the 4th and 5th. Rev. Mr. Marine, of Muncie, will be here to assist.

On Thursday morning last we were called upon by the Orderly Sergeant of Capt. Carter's Company—Samuel Ginger. He reports the boys as being in good health and fine spirits. Says that Capt Carter is *the* Captain of the Regiment. He also reports the boys of Captains Burres and Miller's Companies in pretty good health. There has been but little sickness in Capt Carter's Company, not more than five being reported at any one time.

Rev. S. T. Stout will leave Winchester for the 84th Regiment on next Tuesday. He will be glad to take all the letters and packages that friends of the 84th may wish to send to the soldiers of that regiment. They may be left at this office or at the Post Office.

ANOTHER COMPANY.—Lieut. Henry Carter and L. L. Moorman have between forty and sixty men recruited for another company, from this county.

The draft will be made on next monday in every township of this State that has not filled the quota assigned it.

Don't fail to attend the October election and remember to cast your vote for the Union ticket.

ARMY MOVING.

We are reliably informed that the Kentucky army has at last started in the pursuit of Bragg, under the joint command of Generals Buell and Thomas. We confess we have but little faith in their being able to accomplish anything.—Daily Journal.

GENERAL BUELL'S REMOVAL.

We learn from Louisville that the order for the removal of General Buell was received there, but that upon the almost unanimous remonstrance of his Generals of divisions, with some of the Brigadiers concurring, the order was revoked and he retained in command. We can not but feel that this is a most unfortunate act, but we hope Buell may deceive our apprehensions.—Daily Journal.

Senator Simmons of Rhode Island, has resigned, and the legislature has elected Lieut. Gov. Arnold to take his place. The term will expire on the fourth of March next.

$10. WAGES PAID $100.

To sell goods for the ADAMS SEWING MACHINE COMPANY. We will give a commission on all goods sold by our Agents or pay wages at from $40 to $100 per month, and pay all necessary expenses. Our machine is perfect in its mechanism. A child can learn to operate by half an hour's instruction! It is equal to any Family Sewing Machine in use, and we have *reduced* the price to Fifteen Dollars Each machine is warranted for 3 years.

HOME TESTIMONY.

VALPARAISO, Ind., Dec. 5, 1859.

DR C W Rohrck—Dear Sir: I write this for the benefit of the suffering and afflicted. This is to certify that our daughter, Almira Frances, 12 years old, has been afflicted for nine years with Inflammatory Rheumatism, or Neuralgia. She was attended by the most skillful physicians, but instead of being relieved she continued to grow worse till she became as helpless as an infant, her hands and knees all drawn and enlarged so as to cause her to suffer the most excruciating pains, and worn down to a mere skeleton.

At length I was induced to try your Blood Purifier and Pills, and she began to amend, and is now comfortable and going to school. We believe your remedies to be the best ever tried.

Yours with great respect,
A. T. HEMPHILL,
Mrs. M. HEMPHILL.
