

# "Soup" Understood by Russians

FRENCH SOLDIERS BRINGING SOUP TO RUSSIAN CAPTIVES. (SUN-TELEGRAM SERVICE.)

This interesting picture, one of the first to show the Russian troops in France after their long march across Persia and the sea journey to Marseilles, shows French soldiers carrying soup to the tired Russians in their camp. Scenes of wildest enthusiasm took place at Marseilles when the Russians disembarked after their long journey. Cigarettes, flowers and all sorts of edibles were pressed on the soldiers of the Czar by the delightful French populace.

# WAR OF WORDS WAGED OVER MILITARY BILLS

"This sounds like we might be in Berlin," said Timothy Nicholson, after the United Chamber of Commerce referendum calling for a larger army and navy and for compulsory military training law for all boys, was read by President Bowman at the Commercial club meeting last evening. "If laws were passed in harmony with these resolutions, it would mean militarism equal to that of Germany. Mr. Nicholson was well supported in his view by Prof. A. D. Hole, secretary of the Friends peace board, but strong opposition was voiced to the sentiments of the two men by William Dudley Foulke and S. E. Swayne, which resulted in the club voting favorably on the referendum. Escape War Narrowly. "We have escaped war by only forty-eight hours," said Mr. Foulke, "and then only by a hair's breadth. And at that we may have only postponed war." Mr. Nicholson then voiced his disapproval of the compulsory military training feature of the proposed resolution and said that it meant universal militarism in the United States. "There is no danger of an invasion of the United States," said Mr. Nicholson. "The very idea of universal militarism in the United States is a preposterous one. Military preparedness is just the way to get in trouble. The

whole military program has been favored by the Navy league," said Mr. Nicholson. S. E. Swayne, chairman of the National Chamber of Commerce committee, which recommended the resolution for adoption, said that further preparedness was absolutely necessary for the safeguarding of this nation.

# Parents Should Know This Splendid Remedy

Simple Laxative Compound Helps to Correct Constipation in Children.

With all children there are times when the bowels fail to act naturally and it becomes necessary for the parents to administer a remedy. Cathartics and purgatives should never be used as these agents afford only temporary relief while their violent action shocks the system unduly. Mrs. Eva F. Gaff, 517 10th St., Washington, D. C., says that her little girl, Marie, had been subject to constipation, and that she found Dr. Caldwell's Syrup Pepsin the best remedy because of its mildness, and now always keeps a bottle of it in the house.

Dr. Caldwell's Syrup Pepsin is a compound of simple laxative herbs, free from opiates or narcotic drugs of any kind, and is an ideal remedy for children because of its mild action and positive effect. Its use tends to strengthen the impaired bowel action and restore normal regularity. It is important that parents should know of a dependable remedy with no

unpleasant after effects, griping or strain. Dr. Caldwell's Syrup Pepsin costs only fifty cents a bottle and can be procured at any drug store. To obtain a trial bottle, free of charge, write to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill.

**Applied Proverb of General Appeal**  
"The power of dress is very great in commanding respect." Every man should take thought of that proverb; every woman will. To dress badly is to mark ones self down. Foppishness is foolish, but in between the extremes is the happy mean. Good clothes are a rung in the success ladder for man or woman. And the guide to good dressing, to sensible well made clothes, sold at honest valuations will be found in the advertising of this newspaper. It's worth reading.

## CATHOLIC MISSION BRINGS OUT CROWD

The mission by the Dominican Fathers for men at St. Mary's Catholic church was well attended last night. The mission fathers expressed their appreciation of the interest that people are taking, and said at the service last night the mission here so far has been a wonderful success.

German army surgeons have to have gold for many jobs of jaw patching. Among the articles being melted down for the material are old wedding rings, English coins and even fillings from teeth.

## Try This If You Have Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.—Adv.
