TWO QUESTIONS UP

Presbyterians Will Have to Consider Them in General Assembly.

SESSIONS BEGIN MAY 21.

Kansas City, May 8.—Delegates to the one hundred and twentieth general assembly of the Presbyterian church of America, to be held in Kansas City on May 21, have two important questions before them.

They are expected to split pretty evenly on the subject of amending the shorter catechism. The subject of creating executive commissions for the general work of the church is also likely to be hotly contested.

John H. Converse, president of the Baldwin Locomotive works, heads a movement to extend the work of the Men's Brotherhood. The first business of the assembly will be to elect a successor to the Rev. W. H. Roberts, D. D., now moderator. Seattle and Denver are contesting to secure the assembly next year. Seattle, championed by the Rev. M. A. Matthews, pastor of a church with 5,000 members, is said to have the best chance of winning the prize.

THEY MAKE YOU BELIEVE

Because They Prove All They Claim.

There is no room for doubt when so many people of good standing are anxious to tell their friends of the great good received from the use of Root Juice. At this point many have been cured or greatly benefited of rheumatism, catarrh, indigestion, female weakness or some liver, kidney or stomach trouble, no wonder one friend is often heard advising another to try Root Juice. If you blast and belch, if food lays heavily on the stomach and pains, if what you eat does not give you strength, if you have swimming of the head, if you are nervous and your entire system is run down, if you are restless at night and feel as tired in the morning as you did when you went to bed, be governed by the experience of others and get to Luken's drug store, get a bottle of Root Juice and take it exactly according to directions. We predict that before you have used one bottle you will be advising your sick friends to get some of this wonderful medicine for Root Juice always proves all that is claimed for it. \$1 a bottle, 3 bottles for \$2.50 at A. G. Luken's drug store.

Eating Cocoanut-Custard Pie

Everybody sings the praises of Cocoanut-Custard pie if it's made just right so as to melt in one's mouth, but a heavy soggy pie will spoil the entire meal and injure the digestion. It is now possible for everyone to have good pie as grocers are selling "OUR PIE," each package containing just the proper ingredients for two pies. Varieties: Lemon, Chocolate and Custard, 19 cents per package. Order the Custard for Cocoanut-Custard pie.

FOR PIMPLES, TOO

New Discovery Cures Eczema and Eradicates Minor Skin Troubles Over Night.

A few months ago the dispensers of postam, the new discovery for the cure of eczema, decided to allow the druggists of the country to handle it. Previous to that time it could only be obtained direct from the laboratories.

Since this change in the method of distribution, postam has met with the most phenomenal success of anything introduced to the drug trade in the last 39 years. All leading druggists, including W. H. Sudhoff in Richmond, are now carrying the special 50-cent size recently adopted, also the \$2 jar. This great success is not surprising when it is remembered that, in eczema cases, postam stops the itching with first application, proceeds to heal immediately, and cures chronic case in a few weeks. In minor skin troubles, such as pimples, black heads, acne, herpes, blotches, rash, etc., results show after an overnight application. Experimental samples of postam are sent to anyone by mail free of charge, by the Emergency Laboratories, 22 West Twenty-fifth Street, New York City.

JAILER KISSES BRIDE

It Was Not However Until Prisoner Husband Asked Her to Be Game.

INDIANAPOLIS JAIL WEDDING

Indianapolis, Ind., May 8.—Though jail bars frowned upon him, Miss Pearl C. Potvin had only smiles and encouragement for Neal R. Downham, and, with Jailer Walton and Joseph Wannbaugh, a trusty, as witnesses, the two were married by Justice Holmes. Downham is held by the police on complaint of Miss Daisie Robinson, who went into partnership with him in the Indiana Electric Door Bell company. She gave Downham \$25, she says, with the understanding that she was to take charge of the office. When Downham came to Indianapolis, Miss Potvin followed him, and when he got into trouble she offered to marry him and stick by him until he was free again. After the ceremony in the jail she said: "It is not an encouraging start but Neal is alright, and we shall be happy I know. I think I should stand by him now more than any time."

After the ceremony Jailer Walton claimed a kiss from the pretty bride as his due for summoning the justice for the ceremony. Mrs. Downham hung back, but Downham said: "It's all right be game," and the blushing wife submitted a cheek. Then Downham was led back to his cell.

VIEWED THE SPRINGS.

Last week general manager, Mr. Charles McHenry, and other members of the Cedar Springs Hotel Co., were here from Columbus, O., going over the grounds and buildings.

They had little information to give out other than the statement that the resort was soon to be thrown open to the public and that it would be kept open winter and summer.

It is earnestly hoped that this information may not prove as disappointing as did several similar statements in the past.—New Paris Mirror.

INTIMIDATE THE POPE

This Was the Plan of Father Fay and Some of His Followers.

ST. GEORGE MAKES CHARGE

Milwaukee, Wis., May 8.—That Rev. Sigourney W. Fay, until recently a member of the faculty at Nashotah House, was engaged in a proposed movement with other Episcopal clergymen, to "march on Cardinal Merry el Val and make terms" this coming June, is a statement made by Rev. Canon Howard B. St. George, professor of ecclesiastical history at Nashotah House, the Episcopal theological school.

"The truth is that Father Fay, with one or two others at least, as early as May of last year, conceived the idea of banding together a number of the high church clergy in sufficient numbers and influence to be able to demand conditions from the Pope," said Prof. St. George. "They counted noses and tallied 50, and this coming June were going to march on Cardinal Merry Del Val and make terms, but somehow the plan miscarried. The two instructors at Nashotah found their position impossible and decamped."

Amusements

Vaudeville at the Gennett. Close of the first week of vaudeville at the Gennett under the management of Murray and Swisher shows that the project is going to prove a profitable and popular one, for despite the aggravating weather, the patronage has been very good. The public has shown that it appreciates a good bill, colored over former bills presented either at the New Phillips or the Gennett. Saturday there will be a special matinee for children and a double performance Saturday night. Next week's bill also promises to be very attractive. Miss Antonette Hartkorn, a local young woman, will appear with Demain Wood in "A Pair of Lunatics." Miss Hartkorn is clever and has had a number of years of experience in matters theatrical.
