PIMPLES SPREAD ALL OVER HEAD
Severe Itching and Burning, Red and Sore. Kept Awake at Night with Itching. Used Cuticura Soap and Ointment. Head All Healed.

3508 N. Hamilton Ave., Chicago, Ill.—
"My scalp trouble began on the lower part of my head with severe itching and burning, forming into lumps or pimples which spread all over my head. These would itch something terrible, getting red and sore and after some time they got hard. My trouble always seemed to be worse. Nights when I would take down my hair and comb it the scales were so thick that I would have nothing but scales in my comb."
"I had had the trouble six months when I heard about Cuticura Soap and Ointment and sent for a free sample. The itching had kept me awake at night but when I used the sample I had better rest. I bought a box of Cuticura Ointment and bar of Cuticura Soap and used them every night and morning for four weeks. My head was all healed and I would never wash my head now with anything else but Cuticura Soap." (Signed) Miss Helen Beyer, July 30, 1914.
