

A Live Newspaper

THAT HAS CHARACTER

The Only Safe Kind to Have in the House

HAVE YOU EVER PAUSED TO THINK of the influence of a newspaper in your home? It is a daily companion—for better, for worse. It not only colors your own thoughts, but helps to form the characters of your children and to shape their lives for good or ill. The only kind of newspaper that is safe to have in the house is one that has character—one that you can trust as a family friend—one that your daughter may read as freely as your son.

THE RICHMOND PALLADIUM publishes that kind of a paper every week day. It has been the constant aim of the present management to make the PALLADIUM the best and newsiest paper in Richmond; to make it a paper worthy its long and glorious past.

THE BEST NEWSPAPER costs no more money than a poor one, while the sensational, sneering or untruthful paper costs more in evil effects than any man or woman can afford to risk. THE PALLADIUM tells the news of the whole world in a spirit of good will, good humor, independence and justice. It tells the truth smiling. That is why it has become the greatest family paper in Wayne county.

A SUPERB NEWS SERVICE

THE RICHMOND PALLADIUM'S NEWS SERVICE employs the largest number of reporters in Richmond, and the largest number of correspondents scattered over Wayne county. To its own corps of keen-eyed news gatherers is added the vast news service of the Publishers Press Association, covering every part of the inhabited world. Why not get the benefit of this trained army of experts yourself by reading the daily PALLADIUM?

FOR THE PUBLIC GOOD.

THE EDITORIAL COLUMNS OF THE PALLADIUM are shaped by one controlling idea—the public good. This paper is Republican in politics, standing for what is best in its party regardless of any special cliques, or factions. It is for such men as President Roosevelt and Senator Beveridge, and against such betrayers of a people's trust as Senator Aldrich or Senator Depew.

BEST PAPER FOR BUSINESS MEN.

THE FINANCIAL AND COMMERCIAL DEPARTMENTS of the PALLADIUM are so comprehensive and trustworthy that hundreds of farmers and business men prefer the paper to all others on this account. The market reports are more complete and authoritative than any other in Richmond or vicinity.

THE DEPARTMENT OF SPORTS is a good test of the tone of a paper. The PALLADIUM prints all the sporting news worth reading, but bars out objectionable matter and gives preference to wholesale amateur and college sports in the season.

THE DRAMATIC AND MUSICAL COLUMNS are written by reasoned critics who know how to make their writings newsy as well as authoritative. The result is that their critiques are not only sound, but also interesting.

FOR WOMEN AS WELL AS MEN.

WOMEN PREFER THE PALLADIUM because it contains more things of real interest to them than any other paper. Its suggestions for the household and boudoir, its society columns, its religious news, its fashions, receipts and menus, these are some of the attractions for feminine readers. The whole paper is written for women as well as for men. Try it and see.

THE CARTOONS AND ILLUSTRATIONS always have been of high order, helping to make each page attractive to the eye. The PALLADIUM was the first paper in Richmond to install a daily cartoon service, and one which could be appreciated by men and women alike.

THE PALLADIUM HAS A LARGE CIRCULATION among the intelligent people of Richmond and the surrounding country. It goes into more than 2,100 homes every week day, and this number is constantly increasing. WHY? Because it is a neat, clean, live newspaper of character and purpose. Because it wears well as a friend in the home. Right now is the best time to make it a regular morning visitor at your door if it isn't such already.

MANY PEOPLE WANT AID

MRS. SAGE IS BESIEGED

Simply Deluged With Letters From Every Part of the United States and Europe.

[Publishers' Press] New York, Aug. 4.—Mrs. Russell Sage has been overwhelmed with begging letters from all over the United States and from foreign countries. Some of them show by their postmarks they were mailed as soon as the news of Mr. Sage's death was made public.

Mrs. Sage today, at her home at Lawrence, L. I., authorized the statement that she will pay no attention to begging letters. She does not read them, beyond such perusal as is necessary to establish their character. None of them will be answered, and it will be useless to inclose stamps.

More than 700 letters asking Mrs. Sage for aid reached her at her Lawrence cottage this week, and several hundred more were addressed to the Russell Sage office. The clerks at the office threw these letters into the waste basket. Mrs. Sage never sees them.

PLAN BIG BRYAN BOOM

[Publishers' Press] New York, Aug. 4.—Norman E. Mack, the New York member of the Democratic National Committee, has announced that he will bring the name of W. J. Bryan before the New York Democratic State convention in a resolution endorsing him as the Democratic candidate for president in 1908, and there is much speculation among politicians as to what attitude the supporters of W. R. Hearst will take on the resolution. It is understood that the resolution to be proposed by Mr. Mack will be similar in tenor to those which have been adopted by democratic conventions in many Western states.

CONFESSES BIG THEFT GOT AWAY WITH \$125,000

C. S. Hixon of Union Trust Company Pittsburgh, Tells How he Located the Institution—Trust Company Issued a Statement of Case.

[Publishers' Press] Pittsburgh, Pa., Aug. 4.—C. S. Hixon, a bookkeeper for the Union Trust Company, is a prisoner in the Allegheny county jail, having confessed to having stolen \$125,000. He charges that C. B. Wray, a teller, was an accomplice to the theft and that they divided the money equally. H. C. McEldowney, president of the Union Trust Company, made the following statement today:

"On Wednesday August 1, while a bookkeeper, C. S. Hixon, was on his vacation, a discrepancy was found in his books in the Union Trust Company. Hixon was immediately arrested and has made a complete confession.

"In his confession he stated that acting jointly with C. B. Wray, a teller, they had stolen \$125,000, dividing the money equally. Wray taking the money off the counter while Hixon falsified the books. The money was all lost in speculation. Our auditors have verified the confession of Hixon to a cent. Hixon is now lodged in the Allegheny county jail, and the Union Trust company will do all that is necessary to arrest C. B. Wray, who has escaped, and see that he is punished to the full extent of the law.

"The Union Trust Company on Friday, August 3, charged to profit and loss account \$125,000, the full amount of its loss."

OPENS THE WAR ON GRAIN TRUST

John Hill, Jr., Begins Tirade Against Public Warehouse Owners.

TRADE IS BEING RUINED

Interstate Commerce Commission Will Meet in Chicago Next Month and Hill Will Have His Say.

[Publishers' Press] Chicago, Aug. 4.—John Hill, Jr., has reopened his war on the owners of public warehouses in Chicago with the declaration that the grain trade of the country is in the clutches of a "trust." Mr. Hill says that he now has in his possession evidence that will show the existence of an illegal combination among the warehouse men and that he intends to fight the "trust" to its death.

The interstate commerce commission will meet here next month and Mr. Hill says he expects to see an investigation of the so-called elevator trusts started at that time.

Meantime he is pressing his charge before the States Attorney Healy, intending to show that the Armour Elevator Company is violating an injunction issued by the late Judge Tuley eight years ago prohibiting the owners of public elevators from storing grain belonging to themselves in their own houses.

A sharp decline in prices of oats last month, in consequence of which some of the smaller shippers and dealers lost large sums of money is said to have been directly due to the alleged evil practices of some of the large elevator concerns, which manipulated receipts and the inspection in such a way as to give the impression that the market was threatened with a flood of new oats when such was not the case.

LEGAL RESIDENCE OF SIMON A. HOLT

Question Whether He Can be Placed in Eastern Insane Hospital.

ACTION OF COMMISSION

FORMER RICHMOND MINISTER IS DECLARED INSANE—APPLICATION MADE TO EASTHAVEN FOR ADMISSION.

Simon A. Holt, former minister of the gospel, whose queer actions and apparent disregard for all decency, caused his arrest a few days ago, will likely be an inmate of the Eastern Hospital for the Insane, though there has arisen some question as to whether Holt can legally be accepted by Dr. S. E. Smith because of his non-residence in Richmond or any other part of this hospital district.

Though it is asserted that Holt "claims" Richmond as his home, this must be established, it is asserted, in some legal manner. However, it was apparent to the authorities that Holt was not a proper person to be given liberty and he himself had admitted to Judge Converse that there were times when the state of his mind was such that he was not accountable for his actions. Yesterday a commission of lunacy acted on the case and declared the former minister to be a fit subject for treatment in an insane hospital. The commission was composed of Drs. C. S. Bond, F. H. Dunham and A. L. Brankamp and Justice Abbott.

Evidence Was Complete.

Evidence brought before the commission was similar to that presented to Judge Converse in the city court a few weeks ago. Application for Holt's admission to Easthaven has formally been made by County Clerk Haas and Richmond is given as the man's residence. In the meantime, Holt will be held in jail. Should it be held that he cannot be admitted to the Eastern Indiana Hospital it is not plain what disposition can be made of the man. It is believed that Holt has been something of a wanderer for several years past and therefore it might be legally claimed that Richmond was his residence in the absence of evidence to show that he had any other residence.

THE CASE WAS CONTINUED

The injunction proceedings brought by the Eaton Telephone Company against the Richmond Home Telephone Company to prevent the latter from severing relations with the plaintiff, was called in the Wayne Circuit Court yesterday and continued until August 14. The trouble between the companies is likely to be amicably settled in the meantime and the proceedings dropped.

RESTRAINING ORDER OUT

Judge Fox has issued a temporary restraining order against Donilee Kelly, to prevent her from making disposition of any property transferred to her by her husband, John Kelly. The latter brought suit to have her title in the property revoked by the court. On August 15 the case will be called.

MUCH PRESSURE BROUGHT

It is said that the friends of Prof. R. L. Sackett are bringing much pressure to bear to have him named as a member of the Board of Public Works. His fitness for the place is being emphasized.

Many Calls for Tents.

The Chautauqua management is still filling the calls for tents which are being made daily by prospective campers. Though more tents have already been rented than last year, the management has plenty to supply all needs. The Chautauqua "white city" promises to be very popular this year.

Reunion Held Yesterday.

The annual reunion of the pupils of the Pennville school was held yesterday in Swallow's Grove, Jackson town ship. A large number of Richmond people went over on the trolley. Judge Abbott was the principal speaker. A picnic dinner was a feature of the day.

Will Hold Memorial.

Mrs. Retts, who died last Tuesday, was one of the best known Friends' ministers in the Indiana Yearly Meeting.
