

Thousands Have Kidney Trouble and Never Suspect it.

How To Find Out. Fill a bottle of common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

FISH IS VICTOR OVER HARRIMAN

Engage in Bitter Fight for Control of the Illinois Central Railroad.

NEW DIRECTOR ELECTED.

FISH IS ACCUSED OF BREAKING A PROMISE BY HARRIMAN'S REPRESENTATIVE — ANNUAL REPORT OF ROAD.

Chicago, Oct. 17.—President Fish of the Illinois Central railroad company, came out victor over E. H. Harriman at the annual stockholders meeting today after a sensational scene in which Mr. Fish was openly and bitterly accused of violating a promise.

The fight was over the election of a director to fill the vacancy caused by the recent death of W. Morton Grinnell.

Mr. Fish's candidate was James W. Cutting of New York, while Mr. Harriman wanted Henry W. DeForest.

It was a struggle between the Illinois Central and the Union Pacific interests, according to President Fish, who directly accuses the Harriman interests of attempting to secure control of the policy of the Illinois Central and make it subsidiary to the interests of the Union Pacific.

Mr. Harriman himself was not at the meeting, but was represented by William Nelson Cromwell, the New York attorney.

Language became violent. At one point in the proceedings the language became almost violent. Mr. Cromwell declared that no man of honor could divide a promise, and called on Mr. Fish not to violate his agreement. This was the alleged compromise made between the Fish and Harriman men at a directors meeting in New York some time ago, when as Cromwell asserted, Fish agreed to support De Forest.

Mr. Fish on his part repudiated De Forest, saying he had since learned that the latter was a director in the Union Pacific and a man who would throw the balance of power in favor of that road and against the best interests of the Illinois Central.

The annual report of the company showed that with a main track mileage of 4,374 miles, the Illinois Central has earned during the preceding fiscal year \$51,636,405 gross, with an excess of \$18,455,924 over expenses of operation and taxes. There was deducted for interest on the funded debt and rent of subsidiary roads \$7,593,585. The net income for the year was \$10,862,339.

BENNETT ENTERED PLEA OF GUILTY

Admits That He Gave Lacey Parks the Gun With Which Elmore Was Shot.

PARKS PLEAD NOT GUILTY

HE WAS ON THE STAND LAST NIGHT WHEN COURT ADJOURN AND WILL RESUME HIS TESTIMONY TODAY.

The case of the State vs Lacey Parks and William Bennett, both colored, on a charge of assault and battery with intent to kill on Ballard Elmore, also colored came up in Circuit Court yesterday morning, occupied the day and was adjourned until 9 o'clock this morning. The arguments will be done about ten o'clock and the jury will probably get the case near noon.

When Bennett and Parks were arraigned yesterday morning the former plead guilty and the latter not guilty. In the testimony of Bennett he stated that his connection with the case was that he had borrowed the gun with which Elmore was shot, from Elmore's wife and then gave it to Parks, who he stated had shot Elmore and then returned the gun to him (Bennett) who had then returned it to Mrs. Elmore.

The case was adjourned at 5:20 o'clock and Parks who had not finished his testimony will take the stand the first thing this morning.

Washington, D. C., Oct. 17.—President Roosevelt, it is reported, will probably ask Secretary Shaw to remain at the head of the Treasury Department for another year. The President will endeavor to again induce him to change his mind because of the difficulty of satisfactorily filling his place.

HAS-BEENS FIGHT AN EVEN BATTLE

Terry McGovern and Young Corbett Met in Prize Ring at Philadelphia.

CONSIDERED GOOD DRAW

A TELEGRAM WAS READ FROM MANAGER AT SAN FRANCISCO OFFERING \$20,000 FOR FIGHT BETWEEN WINNER AND BRITT.

Philadelphia, Oct. 17.—Terry McGovern of Brooklyn, and Young Corbett of Denver, both former featherweight champions, fought six interesting rounds here tonight, and a draw would have been a good decision. Neither man had either the speed or the punishing powers he had when he was champion, although both boys were badly cut about the face at the conclusion of the bout. Had young Corbett the strength behind his blows in the second and third rounds, when he had the Brooklynite almost out, the fight would have ended then and there.

Neither boy showed the wonderful physique of years ago and were much drawn from their hard training. In the preliminaries Kid Herann of San Francisco had the better of Kid Harris of Philadelphia after six rounds of a sparring match.

A telegram was read from Johnny Croffoth, of San Francisco, offering a purse of \$20,000 for the winner to meet Jimmy Britt.

Kid Sullivan, of Washington, challenged the winner. At the conclusion of the sixth round Corbett hooked light left to jaw and Terry swung two hard rights to jaw and the bell found them fighting in the center of the ring. Honors were even.

It was a very good draw.

Farmers' Sunday Paper

THE Richmond Palladium is the only paper published in Richmond on Saturday which reaches the people living on the rural routes for Sunday. Mail for rural free delivery is not delivered on Sunday, therefore Saturday morning's Palladium is the only local paper which is delivered before Monday. This fact proves conclusively the value of the Palladium as a medium in reaching the rural routes. Saturday morning's Palladium is the only paper they have to read on Sunday—the day they have the most time to read.
