Amusements
"Way Down East."
 With an entire new scenic production and with a capable cast, "Way Down East" will be seen at the Gennett Saturday matinee and night. The popularity of this wane. Local managers consider it a preferred booking and clamor to get it on their list of attractions. Acknowledging the merit of the play, there are other factors that have as much to do with its success. Foremost is the fact that Manager Brady has kept the cast up to its original standard of excellence. Every year he has given the play an entirely new scenic setting and in every way has given the play the same care and attention that he would a new production. That these things count in the long run, is evidenced by the continued success of the play.

The Cause of Many Sudden Deaths.
 There is a disease prevailing in this country most dangerous because so deep-seated. Many sudden deaths are caused by it—heart disease, pneumonia, hemorrhage, apoplexy, are often the result of kidney disease. Kidney trouble is allowed to advance the kidney-poison in the blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.
 Bladder trouble, mead always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.
 It corrects the facility to hold urine and scalding pain in passing it, and overcomes the unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.
 Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a kit that tells all about it, both free by mail, Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

"A Gentleman of France."
 Mr. Charles Dalton, who is starring this season in "A Gentleman of France," under the management of Frank L. Perley, which is the attraction at the Gennett next Tuesday night relates a story at his own expense in connection with his engagement some years ago with Sir Henry Irving. Mr. Dalton says that the play was Hamlet, and Sir Henry cast him for "Osric." Mr. Dalton said: "I thought I would be an ideal 'Laertes.' Irving didn't. I ventured to suggest that he was wrong. Irving looked me up and down—he had known me since I was in frocks—and then in his quiet way said: "My boy, you lack the chief attribute of youth—modesty. All young actors want to play good parts. I was a fool once myself."

"The Silver Slipper."
 A special scale of prices will be made for John C. Fisher's stupendous production of "The Silver Slipper," which will be duly announced in ample time. This production will in every way prove probably the largest theatrical attraction ever devised to travel and give a complete production the same as though it was located for a season's run.

"Si Plunkard."
 "Si Plunkard" and his company of funny comedians will be in this city next Wednesday. Remember the date and secure your seats early.

In the show window of Cash Beall's store on Main street, there is an exhibition a fine picture of a concrete bridge. This picture was sent to Mr. Beall by the Portland Cement Co., and is the kind of bridge that is needed in the south end. A cement bridge is what the south side has been fighting for for a long time, as it is the most lasting, cheap, though not the cheapest, and in every way exactly suited for hard and continuous usage. Mr. Beall stated this morning that the whole south end would use its influence to procure such a bridge since by all tests it is the best. The question of the bridge is stirring up the south end greatly and if all the residents fight for a fine cement one, it will not be hard to get.

A Woman's Prayer
 It is notable that in the despondency caused by womanly diseases, there seems to many a suffering woman no way of escape from pain except at the price of life itself. It would be sad to record such a story of struggle and suffering except for the fact that in such dire distress many a woman has found a way back to health and happiness by the use of Dr. Pierce's Favorite Prescription. The one and only remedy for leucorrhoea, female weakness, prolapsus, or falling of the womb, so absolutely specific and sure in curing these common ailments of women, as to warrant its makers in offering to pay, as they hereby do, the sum of \$500 reward for a case of the above maladies which they cannot cure.
 "Your medicine almost raised me from the dead," writes Mrs. Edwin H. Gardner, of Egypt, Plymouth Co., Mass., Box 14. "My urine was like brick dust, and I had pain all over me, and such a dragging feeling it seemed I could not do my house work. One day I found a little book. I read it and wrote to Dr. Pierce, and in a few days received an answer. I decided to try his medicine, and to-day I am a well woman. I have no backache, no headache, no pain at all. I used always to have headaches previously to the monthly period and such pain that I would roll on the floor in agony. I took three bottles of Dr. Pierce's Favorite Prescription and three of Golden Medical Discovery and three vials of Dr. Pierce's Pleasant Pellets, and was completely cured."
 Accept no substitute for "Favorite Prescription." There is nothing just as good. Dr. Pierce's Common Sense Medical Adviser—sent free on receipt of stamps to cover expense of mailing only. Send 21 one-cent stamps for the book in paper covers; or 31 stamps for the cloth bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

BAD BLOOD
 "I had trouble with my bowels which made my blood impure. My face was covered with pimples which no external remedy could remove. I tried your Cascarets and great was my joy when the pimples disappeared after a month's steady use. I have recommended them to all my friends and quite a few have found relief."
