Uncle Sam Transfers Marines From Colon to Santo Domingo.

Colon, Feb. 15.—Hurried orders from Washington were received to embark a battalion of marines on the Prairie. A special train left Colon Sunday and returned with the 450 marines who were encamped at Bas Obispo station on the Panama railroad. The Prairie's boats were kept busy all day embarking the camp fittings, baggage, stores, etc. Major Lucas will command the battalion. The Prairie sailed today under sealed orders. It has leaked out here that the marines are destined for Santo Domingo. Only about 100 marines now remain at Bas Obispo.

**An Official Explanation.**

Washington, Feb. 15.—Naval officials say that while the Prairie with 450 marines from Colon aboard will touch at San Domingo, that the real destination of the vessel is the naval station at Guantanamo. The purpose of taking the men there, they say, is to give them a change of climate and surroundings.

The surgeon who performed the operation discovered that the actress was suffering from mastoiditis in its most advanced form.

"Had Miss Allen delayed in having this operation twenty-four hours," he said after it was over, "she could not have lived. The brain is exposed in two places and it will take several days to tell what the outcome will be."

**PLENTY OF MATERIAL**

Interesting Gossip Regarding Possible Successor to Fairbanks.

Indianapolis, Feb. 15.—There will be an abundance of material to select another United States senator from if Senator Charles W. Fairbanks is elected vice president. Congressman Chas. E. Landis, of the Ninth district, is making no secret of the fact that he wants the place and that he will ask for it. Congressman Crumpacker also has an eye on the opportunity and it is very probable he will enter if there is a vacancy. He would have a very strong Republican district at his back. Congressman Hemenway, of the First, is the most talked of prospective candidate as there is reason to believe that he has the support of a very large number of party leaders. Charles L. Henry, publisher of the party organ, is also being talked of and then there is a lot of talk about Governor Durbin for the place. One occasionally hears George F. McCulloch, the interurban and newspaper magnate, spoken of for the position, and J. Frank Hanly's name is also used. Of course the politicians may be counting their chickens before they're hatched, as Senator Fairbanks might refuse to accept the nomination, but the possibility of a vacancy in his seat in the senate has given rise to a lot of speculation as to who would succeed him.

The popularity of Senator Hanna in Indiana could not have been illustrated more perfectly than at the Lincoln Day banquet at the Columbia Club when over two hundred and fifty of the most prominent Republicans in the state fairly hung to every word from Washington concerning his condition. In fact it could have been called a Hanna dinner without detracting any from the honor that was paid to Lincoln. When a bulletin was received announcing that his condition was improved a great burden seemed to have been lifted and the banquet continued in a more happy vein. Throughout the entire state there has been a feeling of great alarm over the condition of Senator Hanna. A well known Republican politician declared today that no other man in public life has more friends in Indiana than the stricken Ohio senator.

It is probable that a meeting of the state committee of the Republicans will be held here this week. The call has not been issued, but Chairman Goodrich says it will be held just as soon as arrangements can be made. A number of important matters are to be considered and he wants to have them all in shape so they may be disposed of at one meeting so there will be no necessity for another trip of the members to this city. He says the date for the state convention has not been definitely determined but that it will probably be held the latter part of April. Something may come up, however, that will necessitate a change to a later date. One or two of the committeemen it is understood, are in favor of holding the convention about the middle of May.

The Republican candidates for nomination for governor are already beginning to spar for position. It is rumored that Hanly and Taylor are in favor of holding the convention about the middle of April. They have been in the race for a year and have their forces pretty well lined up. On the other hand Judge Penfield and Warren G. Sayre are just starting and it is said that they would rather the convention would not be held before the middle of May as it would give them more time to perfect an organization. Their wishes will be consulted before the date for the convention is formally announced. All of the candidates are in the saddle so to speak, going from county to county after support.

Chagrin Falls O., Feb. 15.—The worst wreck in the history of the Eastern Ohio Traction company occurred Sunday night in this village when a heavily loaded passenger car dashed down a steep hill for more than a mile from the center of the town and jumped the track at a sharp curve. **Trolley Car Ran Away.**

Cumberland, Me., Feb. 15.—Two persons were killed and about seventy-five injured, twenty-five of whom were seriously hurt, in a trolley car accident in Frostburg Sunday. The car ran away on a steep grade, and upon reaching a sharp curve jumped the track and crashed into a telegraph pole. The car was smashed to splinters and scarcely one of the eighty passengers escaped injury of some sort.
