AN OBJECT LESSON

Uncle Sam Takes Drastic Measures in San Domingo.

San Juan, P. E., Feb. 18.—A private message has been received here from Santo Domingo city, dated Feb. 17,

COLONEL GEORGE F. ELLIOTT, COMMANDER UNITED STATES MARINE CORPS. saying that an American war ship bombarded the insurgents at Pajarito, near Santo Domingo, and then landed marines. These men, however, subsequently re-embarked.

Why It Was Done. Washington, Feb. 18.—The landing of marines at Pajarito, near Santo Domingo, by an American war ship no doubt was authorized by the commanding officer as a result of some menace to American interests in that section of the country. The cruiser Columbia is now at, or near, Santo Domingo and the marines landed presumably were from that vessel. Her commanding officer is Capt. J. M. Miller. The unsettled condition of affairs of San Domingo, bordering in many places on anarchy, with its consequent menace to American interests, has been a source of considerable irritation to the administration and Admiral Wise, the senior naval officer in those waters, has been given large discretionary powers to deal with the situation.

LAND FRAUDS EXPOSED

Prominent Californians Under Federal Indictment. Washington, Feb. 18.—As a result of the investigation of the alleged wholesale public land fraud in many western states, the grand jury of the District of Columbia has reported a joint indictment for conspiracy against John A. Benson, a wealthy real estate operator of San Francisco, Frederick A. Hyde, of San Francisco, closely identified with Benson in land affairs, Henry C. Dimond of California, an attorney representing Benson and Hyde and Joost H. Schneider, of Tucson, Ariz., an agent of Benson and Hyde.

Second Trial at Kishineff. Kishineff, Bessarabia, Feb. 18.—The second trial of prisoners connected with the Kishineff massacres will begin on Monday.

St. Petersburg, Feb. 18.—The report of a massacre of Jews near Kieff is denied by the minister of the interior.

LIGHT AND DARK,
 Day and night, sunshine and shadow are not more different from each other than a healthful from a sickly woman. The healthful woman carries light and sunshine with her wherever she goes. The woman who suffers from ill-health casts a shadow on her own happiness and the happiness of others. She cannot help it. Those who suffer cannot smile and sing. Ill-health in woman is generally traceable to disease of the delicate womanly organism. Many women have been restored to happiness by the use of Dr. Pierce's Favorite Prescription. If there is an invalid woman, suffering from female weakness, prolapsus, or falling of womb, or from leucorrhoea who has used Dr. Pierce's Favorite Prescription without complete success Dr. Pierce would like to hear from such person—and it will be to her advantage to write as she offers, in perfect good faith, a reward of \$500 for any case of the above maladies which he cannot cure.

"I feel it my duty to inform you that I had been a sufferer for many years from nervousness with all its symptoms and complications," writes Mrs. O. N. Fisher, of 1866 Lexington Ave., New York, N. Y. "I was constantly going to see a physician. I was induced to ask Dr. Pierce's advice. I then took five bottles of 'Favorite Prescription.' I am not now cross and irritable, and I have a good color in my face; have also gained about ten pounds in weight and one thousand of comfort, for I am a new woman once more."
 The dealer who offers a substitute for "Favorite Prescription" does so to gain the little more profit paid on the sale of less meritorious medicines.
 Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper-covered book, or 31 stamps for the cloth bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

AT ALL HAZARDS

American Interests in the Far East Will be Protected.

Washington, Feb. 18.—Rear Admiral Evans, commanding the Asiatic station, has transmitted to the navy department a cablegram from Command-

REAR ADMIRAL ROBLEY D. EVANS. er Staunton, of the gunboat Helena now in mud dock at Nuchwang, China, in which he says that conditions there are greatly disturbed and that he is vigorously investigating the report that the Russian officials have delayed certain American and British merchantmen.

In the event that the American consulate is endangered, it is stated that Commander Staunton will land blue-jackets and marines for the protection of Consul Miller. There is every wish on the part of this government not to give the slightest cause for complaint by Russia or Japan of intervention, but the unalterable American policy of protecting American interests at all hazards will be adhered to.

HOW IT WAS DONE

Official Report of Latest Japanese Torpedo Attack.

Chicago, Feb. 18.—Confirmation of the report that two Russian war ships were torpedoed in an attack of Japanese torpedo boats upon the Russian fleet at Port Arthur last Sunday, has been received by Sheizaburo Shimizu, imperial Japanese consul in Chicago. The message briefly describing the engagement, which came from the government in Tokio, reads as follows: "The first fleet of torpedo destroyers left for Port Arthur Feb. 13, in spite of a heavy storm of wind and snow. At 3 o'clock on the morning of the 14th the fleet attacked the Russian war ships and was fired upon in spite of which the destroyer Asakiri torpedoed a Russian man-of-war and escaped safely. At 5 o'clock the same morning another destroyer, Hayatori, went close to the entrance of the port, where two Russian war ships were stationed. One of them was torpedoed, and a safe return was made."

Sofia, Feb. 18.—Russia has officially notified the Bulgarian government that any encouragement given by Bulgaria for the renewal of the insurrection in Macedonia will be regarded as an act of hostility which will be promptly and forcibly resented.

PREPARE FOR WAR

That is the Way to Preserve Peace, Says Secretary Moody.

Boston, Feb. 18.—Secretary of the Navy William H. Moody, speaking at the annual dinner of the New England Rubber company last night, strongly

SECRETARY MOODY. advocated a large navy, and declared that if the United States desires to maintain peace, it must be known that all times it was ready for war.
