Mrs. George Sidle, McClure, Ohio, R. F. D. No. 1, says: "I was so nervous and broken down that I could not do my work. I doctored with two of our home doctors, and they said I had heart trouble. I had spells with my heart when it would beat so hard and then I would faint away. I received a sample bottle of Zoa Phora, which I took according to directions, and thought it was just what I needed, so I threw the doctor's medicine away and got a large bottle of Zoa Phora. It helped me so much that I bought two more bottles, and now I am well and strong. I do not have the spells with my heart since I took Zoa Phora and I am regular now, where before I took Zoa Phora I was very irregular and had severe pain at monthly periods. I have found it to be truly a 'Woman's Friend.' "If anyone calls in person or writes to me, I will give them the particulars in my case. I hope this will help induce some suffering woman to try Zoa Phora." SHOT BY ROBBER

Mail Agent on Alabama Railroad Killed by a Negro Bandit.

ANOTHER IS WOUNDED

Robber Is Run Down and Captured by Bloodhounds After Having a Leg Crushed.

Four Companies of Mississippi Militia Guarding Jail to Prevent Lynching.

Birmingham, Ala., March 1.—According to reports received here by the officials of the Alabama Great Southern railroad, two postal clerks were shot on north-bound train No. 2, two miles north of Meridian, Miss., during an attempt to rob the train. The shooting was done by Jim Paris, a negro, who boarded the train in the Meridian yards as it was pulling out. Before it was under good headway, Paris entered the postal car and opened fire on J. T. Stockton and A. J. Bass, killing Stockton instantly and wounding Bass in the arm. The negro then seized a package of registered letters and jumped off. In leaving the train he fell and had one leg crushed under the wheels, but managed to drag himself three miles. Bloodhounds were obtained at Meridian, the train having backed to that place. Their scent led to the capture of Paris at daylight. Several registered letters were found in his pocket. He was taken to jail at Meridian. The railroad officials say three or four negroes were involved in the plot to rob the train, though only one of them appears to have entered the postal car. Stockton, the dead clerk, lived at Meridian and Bass's home was near Birmingham. The killing of Express Messenger Stockton has caused much excitement. After Paris was placed in jail a mob of considerable proportions gathered about the stronghold. Fearing a lynching the sheriff notified Governor Vardaman, and the chief executive ordered out the local militia company. Three full companies of state troops surround the county jail in which is lodged J. P. Paris, a negro, who is charged with the killing of John R. Stockton, a mail clerk, the serious wounding of J. A. Bass, another mail clerk, and the robbery of the mail car on the Alabama Great Southern train which left Memphis for Birmingham.

LODGE CONTROVERSY

Sheriff Is Injured While Serving Papers. Boston, March 1.—While attempting to serve notice of a libel suit of William Miller, of St. Louis, supreme master workman of the Ancient Order of United Workmen, Deputy Sheriff Silsby was severely injured. As a result of the schism in the order, John Symonds, of Lynn, grand master workman of the state lodge, entered libel proceedings against Miller, damages being set at \$10,000 and Deputy Sheriff Silsby had been trying to locate the St. Louis man for several days. Last night the officer was notified that Miller was on his way to the headquarters of the national organization and the sheriff waited outside the door for him to appear. Miller escaped by darting into the headquarters and slamming the door on Sheriff Silsby's hand when the officer attempted to seize him. Three of the sheriff's fingers were fractured. The doors were then locked, bolted, chained and padlocked.

GOOD PHYSICIANS

Who Save Their Fellow Men RECOMMEND VITONA. That Wonderful New Discovery.

When a remedy has proven itself a safe, unfailing cure for stubborn ailments that weaken both the intellect and physical energies of the body, such as sluggish, impure blood, too slow and imperfect digestion, weak or delicate kidneys, lame back and other mysterious aching, then should physicians use it in their practice. Such a remedy is VITONA. When other tonics and catarrh remedies fail it will build up a broken down constitution and give strength to every weak part. VITONA makes the world more happy because it makes men and women more healthy, and as health is better than wealth, so is VITONA more precious than gold. A physician writes: "While I have often recommended VITONA to my convalescing patients invariably with favorable results, I do not care to give a public endorsement of it over my signature. You may, however, publish any portion of this letter you desire, leaving out my name. While you have never revealed to me the secret ingredients you use in compounding VITONA I know from its good effect on a number of my patients that it is a wonderful cure for weakness of the nerves, liver, kidneys, etc., and for general debility." VITONA costs one dollar a bottle or six bottles for five dollars, and while the VITONA Co., Coshocton, O., will continue to send it by express prepaid on receipt of price it is now obtainable in this County For sale by Alford Drug Co.
