QUAKERS DEFEATED

PAUW TRIMS THEM BY THE SCORE THIRTY-FIVE TO NOTHING

TAKE GAME FIGHT

the Weight of the Methodist Team Was Too Much for Them

MENT OVER FOR TOUCHDOWN

the Second Half Did an Earlham Player But Fumbled as is the Habit.

(Special to the Palladium.)

Greencastle, Ind., October 16.—

Pauw and Earlham met on Menard field yesterday before a large crowd which saw the Methodists overwhelm the Quakers by a score of 35 to 0. Every inch of ground was fiercely contested. De Pauw and Earlham both showed weakness of defense, but strength on their offensive. Douglas, Schultz, Tucker and they were the best ground gainers. De Pauw, Douglass scoring both touchdowns of the first half. The game at the end of the first half was 0 in favor of De Pauw. The game was twenty-five minutes each, the second half Tucker was substituted at quarter in place of Holmes. L. Tucker was placed at left end, the second half, by straight line. De Pauw lost the ball on a fumble and Earlham punted for a long kick. Earlham got the ball after a Pauw man fumbled and worked his way to De Pauw's ten yard line. On the next play Earlham, though tackle went over for a touch-down, which counted for nothing. In this time on De Pauw kept the ball and forced it over Earlham's line for four touch downs and goals were kicked, making the score 35 to 0. For the visitors Peary, Lawrence, Wilson and did excellent work. The line—

While Senator Fairbanks' special train was speeding through the wilds of Montana the candidate for vice president suddenly jumped from his Morris chair, exclaiming, "By Jove, I almost forgot." A few minutes later a telegram was speeding over the wires to Jerry Matthews, private secretary to the senator at Washington, D. C. The telegram read like this: "In the basement of the Capitol in the extreme northeast corner there are five hundred volumes of government reports. Get the four volumes at the bottom of the pile and send them to my old pals, Jesse Reeves, Ray Shiveley, Arthur Curme and Gus Huey, at Richmond, Ind."

Yesterday the reports came, Gus Huey and Jesse Reeves each got a volume on the foreign relations of the United States in 1900, and Ray Shiveley and Arthur Curme each received a similar report for 1896. In acknowledging the receipt of the favor Mr. Reeves has written to Jerry advising him to send Harry Starr a report of the patent office and to request the secretary of agriculture to forward to Dudley Foulke a package of turnip seeds.

At Columbus.

(By Associated Press.)
Columbus, O., October 16.—Fully 100 people saw Michigan defeat State yesterday afternoon by a score of 31 to 6. The plucky boys put up a game fight and Michigan men had their goal lined for the first time this season.

Tigers Shocked.

Princeton, N. J., October 16.—Princeton went down in defeat yesterday at the hands of the United States Naval Academy team, score 9 to 0. Princeton made one touch-down and kicked a goal from the field. Annapolis made two touch-downs. Sorrow reigns supreme at Princeton.

COEDS WILL NOW WEAR SHORT SKIRTS

Appleton, Wis., Oct. 15.—The Lawrence College coeds who for several weeks have been showing their loyalty to the college or rather hiding it, by wearing stockings of the college colors, yesterday showed it in earnest by appearing at the football game in short dresses. Two score of pretty girls appeared at the game, each with one stocking of white and the other of blue. The dresses came above the ankles.

Not New at Chicago.

Oct. 15.—The coeds of Lawrence university, who have started the scheme of wearing stockings of the college colors, are regarded by the girls of Northwestern university here as behind the times. The maidens of the Methodist institution wear hosiery of the colors of the sororities with the mystic Greek letters embroidered on the instep. The girls say they have just as much right to be original in their hosiery as in their gowns. One coed admits some wear socks. At the University of Chicago the girls think the Lawrence plan a good one and may adopt it if the faculty doesn't object.

PRISON SUNDAY

County Board of Charities Receives A Communication.

The following communication has been received by the County Board of Charities: To the ministers of Wayne County: Prison Sunday occurs this year October 30, and we very much hope it will be observed in every church in the county. Will you do what you can to interest the ministers in preaching a sermon on prison reform? We have prepared a pamphlet which will be helpful in the preparation of such sermons, and will be glad to send it to anyone who desires it. A. W. Butler, Secretary.

COLONEL BRYAN HAS BUSY DAY

ABOUT FOUR THOUSAND PEOPLE AT CAMBRIDGE

BIG CROWD AT RUSHVILLE

At the Latter Town the Democrats Held an All-Day Rally—Much Enthusiasm.

Cambridge City, Ind., October 16.—A big crowd greeted William J. Bryan yesterday. Before daylight people began arriving in the city and at 8 o'clock, when Mr. Bryan began to speak, nearly 4,000 people were gathered about the platform which had been erected for the occasion near the station. About one-third of the crowd was composed of women and children, one-third were Democrats and the remaining one-third were interested, but indifferent Republicans.

Mr. Bryan urged the Democrats regardless of their stand on some issues to rally to the support of the party's standard bearer and help down Roosevelt. After leaving Cambridge City Mr. Bryan spoke at the following places: Connersville, Brookville, Harrison, Lawrenceburg, Batesville, Greensburg, Rushville, Shelbyville, Columbus and Seymour.

At Rushville.

Rushville, Ind., October 16.—Yesterday was Bryan day. The "Peerless Leader" arrived here at 2:30 in the afternoon and his stay was a short one, but his coming was observed by the Democrats of this city by an all-day rally. In the morning J. C. Robinson, of Spencer, spoke and at 1 o'clock B. F. Shiveley, of South Bend addressed the large crowd. Three brass bands were in the city to enliven things. Mr. Bryan's address was principally an attack on imperialism. Mr. Bryan spent Sunday at French Lick.

FIGHTING

The Drum Corps Acted Badly in Cambridge City.

The local drum corps which was sent to Cambridge City to inject some enthusiasm into the people on account of Bryan being in town thought the place was entirely too small for it and started to tear it up. A number of them became intoxicated and marched through the streets for several hours raising all the noise possible. They finally began fighting among themselves and the police were forced to lock three of them up. The others got out of town in a hurry to prevent being arrested. The three were still in the police station last night.

ELKS WIN

Local Team Defeats Cambridge City High School Saturday.

Cambridge City, Ind., October 16.—By a score of 17 to 5, the Elks' football team of Richmond defeated the local high school team yesterday afternoon. The Cambridge City lads outweighed their opponents, but the speed of the Elks' team was too much for them.

The game was hard fought and rough and three of the Richmond players received injuries. Carl Allison had his nose broken, Wilson Magaw had the index finger of his left hand fractured and Charles Heltzer was carried unconscious from the field, the effects of a blow on the head.

Considering the fact that this was the second game the local boys have ever played their showing was excellent. Kaufman's line bucking was spectacular and Visor, for Cambridge City, played a brilliant game. The game was played at Wright's park.

TWO WEEK'S RECORD GIVEN

LIST OF ROBBERIES AND MISDEMEANORS LATELY

NEARLY ALL ESCAPED

A Record That is Not Envious to Say the Least—No Arrests and No Clues.

Within the past two weeks the Richmond police have had six important cases. Here they are and what has been accomplished:

Robbery of Father Frank A. Roell's house. No clue, no arrest.
Robbery of Lawall's Jewelry store. Thief arrested and convicted.
Horse and rig stolen from Ora Little. No clue, no arrest.
Bogus check passed at the First National bank by a man named Matthews. The man wanted is a brunette. The man arrested and later released is Mr. Matthews, of Centerville, who is a blond.

Forged check on Robinson & Company passed on the Quigley drug store. No clue, no arrest.

Six men reported being robbed by pickpockets at the Bryan meeting. No clues, no arrests, neither was there any preparations made to protect the crowd from these thieves.

The police refuse to give out any definite information in regards to any of these cases and every indication point to the fact that their prey has escaped them for good.

Many Divorces.

In circuit court yesterday morning the divorce suit of Albert Stephens against Stella McCormick Stephens; George W. Robinson against Verna Robinson, and Elizabeth L. Roberts against John Roberts were heard and in each case the divorce was granted.

STILL STEALING

Horse Thieves Operating in This Vicinity Make Another Haul.

Rushville, Ind., October 15.—A horse, buggy and harness were stolen from Joseph Vandement's barn in Union township Thursday night. The horse was harnessed and led out of the stable and hitched to a buggy, which had been previously taken from the buggy barn.

The horse is a bay with black mane and tail and a small blemish on the right hind leg.

The buggy was a steel tire rig with red running gears.

Charles Carroll Died at His Home in Fountain City.

(Special to the Palladium.)
Fountain City, Ind., October 16.—Charles Carroll, who had been sick for some time, passed away at his home in this city Friday afternoon about 1 o'clock of a complication of diseases. Besides his wife, he leaves three daughters and three sons, besides grandchildren and other relatives and friends to mourn his loss. The deceased was aged fifty-seven years, ten months and ten days.

The funeral will be held at the Methodist church at 1:30 this afternoon. Rev. Pierce and Greta Retts will have charge of the services. Interment at the South cemetery.

W. J. Dertthick has been in the city for the past two days making arrangements for his company "What Women Will Do" to appear at the Gennett Friday, October 21.

BUSINESS OUTLOOK IN RICHMOND GOOD.

Said a business man yesterday: "I have every reason to believe that this season's business will be better than was supposed a month or so back. The country as a whole, while not running at a breakneck speed is in a healthy condition and the people seem to realize this more every day. Another encouraging feature is that the feeling of uncertainty which gradually accompanies a campaign year is not felt to any great extent. Taking everything into consideration, I think this has been a remarkable good year. Last year was considered a record-breaker by nearly everybody and when our business shows a marked increase for this year so far I can but feel confident that this fall and winter season will be a prosperous one. It should be remembered that those who went to the World's Fair from this locality numbered between two and three thousand which means that a good many thousand dollars went to St. Louis instead of Richmond. But now that the Fair is about over, and Richmond has more than held her own through such a trying period every business man should pull together harder than ever to make Richmond the best city in this part of Indiana. The electric roads have proved of great benefit."

OLDEST MAN

In Indiana Dies at the Age of 103 Years—Never Married.

Wabash, Ind., Oct. 15.—Louis Vines, probably the oldest man in Indiana, is dead at his nephew's home in Adams County.

Mr. Vines said that he was born in Lancaster County, Pa., November 9, 1801, and had he lived another month he would have been 103 years old.

Mr. Vines never married, and his nearest relative is a sister, who lives at Paulding, O.

His health had always been of the best, and until a week ago he was able to get briskly around the house.

ROBBERS BUSY

Both in Richmond and in Cambridge City.

The police were busy yesterday picking up empty pocketbooks around the streets and alleys. A number of pocketbooks were picked up in alleys near Main street. Two were found in the rear of the annex of the George H. Knollenberg store. There is no doubt in the minds of the police now but what the work was that of a gang which is following Bryan. The gang worked its way well as some member of it managed to touch a fellow on the interurban going to Cambridge City. It is not known just how much was taken, but it is thought to have been about \$10. The same gang worked in Muncie when Bryan spoke there and relieved one man of \$125. Louis Crome, a prominent Odd Fellow, lost \$75 while he was in Cambridge City attending the anniversary of the Odd Fellows in that city. The robbers did not work in Cambridge City during the Bryan speaking because it was in the day time.

Two Big Apples.

(Special to the Palladium.)
Milton, Ind., October 16.—W. D. Beeson, a prominent farmer south of Milton, has placed two apples of the Northern Spy variety, among the exhibits at the Farmers' bank at Milton, that weigh one pound each. Rufus P. Lindsay, of Beechwood farm, south of town, also has an exhibit of yellow corn, a sample of which is twelve inches in length, has twenty rows and averages fifty-four grains to the row.

Makes Report.

Yesterday the treasurer of the Richmond Art Association made his report for 1904. The balance left over from 1903 was \$3.59; receipts for 1904, \$1,176.97; expenditures, \$1,171.34; balance, \$5.63.

RUSSIAN LOSS HEAVY

KUROPATKIN'S ARMY IS COMPLETELY CRUSHED BY JAPANESE

STILL FIGHTING

All Along the Line—Retirement of the Russians at a Terrible Cost—Japanese Offensive.

OYAMA MAKES HIS REPORT

One of the Bloodiest Episodes of the Desperate Fighting at Endotula Was Fought.

At the Russian Front, Thursday, October 13.—By way of Mukden, October 15.—The Japanese offensive began Tuesday along the whole line. The easiest work was on the Russian extreme right, where the fighting for the possession of Hau pass and Tumin pass did not cease until midnight. The Russians succeeded in capturing the latter, though at fearful cost. The position at Poliasautzi, still further toward the Tai Tse river, held by the Tomsk regiment, was furiously assaulted and the regiment lost heavily. The Tamboff regiment extricated itself from a seemingly hopeless position and succeeded in effecting its retirement. The Russians stuck to most of their positions heroically Tuesday, except at the Schill river. On the morning of Wednesday the Japanese renewed their attack, preparing the way for their infantry with an artillery bombardment. At noon the Russian right began falling back, but the attack upon the Russian center and left weakened perceptibly. The artillery fire slackened in the evening, but the rifle fire continued with little intermission throughout the night. The Japanese today (Thursday, October 13) renewed their attack and the battle proceeded with varying success, but on the whole, favorable to the Japanese, as the Russians continued to give ground. The Russian wounded are being sent north to Harbin.

Tokio, October 16.—Field Marshal Oyama estimates the Russian casualties at 30,000. The fighting continues, but the Russians are retreating. General Kuropatkin evidently is crushingly defeated.

Oyama's report is as follows: The right army, on the reinforcing detachment sent in the direction of Chiatao, reaching its objective on the morning of October 14, Prince Kanin's column began engaging the enemy near Wohingsun, on the left bank of the Tai Tse river. At dawn on the 14th the enemy's force that attacked us at Bensiuh and Tumenzu pass (Tumin pass) began retreating. At 11 o'clock on the 14th our detachment, assuming the aggressive, advanced in pursuit. The right column, having received reinforcements during the night of October 13, holds Cashin pass against a superior force of the enemy.

Mukden, October 15.—One of the bloodiest episodes of the desperate fighting between the Shakhe river and Yental during the last three days occurred at the village of Endotula, west of the railroad and on the neighboring heights, east of the rail. The Japanese had been driven out of those positions with terrible losses, but on October 13 they concentrated such a murderous artillery fire on the village that it became necessary for the Russians to withdraw, the railroad, however, being held. The same evening the Russian commander gave imperative orders to recapture Endotula. The Zaraisk regiment without
