

GARFIELD

PROGRESS, OHIO.

What Has Occurred There in the Last Few Days.

Wednesday, October 12 there were two games of girls basket ball at Garfield. The first game was played between the Blues and the Yellows, the Blues winning by a decisive score of 19 to 1, Goldsberry making the only foul for the Yellows. Total goals, 19; fouls 4. Total goals, 19; fouls 10.

The second game was played by the Blues and Violets. By a close game the latter won by a score of 3 to 2. The other side scored in the last period. The work of both sides was good. Goals, 3; fouls, 4. Total—Blues 3, fouls 10.

Thursday, October 13. At noon the Elks and Giants had a very rough game of boys' basket ball in which the latter won by the decisive score of 34 to 0.

In the evening the Shamrocks defeated the Victors and won by a decisive score of 11-0. The work of both sides was good and the playing fast and interesting, neither side scoring in the period. Total 11 to 0.

Friday, October 14, 1904. The Reds and Blues had a game of boys' basket ball last evening in which the Blues won by a score of 5 to 1.

The Violets and Yellows also had a game in which the former won by a score of 10 to 7. Total goals, 10; fouls, 8. Total goals—Violets 5.

Last night there was two interesting games of boys' polo. The first was played by the Victors and Crescents in which the Victors won by a score of 12 to 4.

The second game played by the Blues and the Shamrocks in which the latter won by hard work, the score being 10 to 6. Both sides played hard and the playing was fast and interesting.

The school met in room H last Friday for a discussion of the regulations of the building. It is the aim of the school to teach about voluntary obedience to necessary rules, hence there must be an explanation to the pupils as to the rules are necessary. Of course for those pupils who refuse to fight there must be compulsion. This week one of the classes in manual training figured out how many working days of ten hours each put in at it in one year. They found that by not missing any work got in only seven days work.

A very attractive table bookcase being made by seven boys in Manufacturing laboratory for a 10 volume cyclopaedia for the high school boys making it are: Wilbur Hoff, Huston Marlatt, Roy Harlan, Julian Cates, Roy White, Paul Messell and Charles Clawson.

The first and third sections of the history pupils have chosen those which will give talks. Some selected in general exercises. Those presenting the first section are: Laurence, Robert Thornburg, Stoner and Virginia Roberts.

The second section is represented by Arthur Sudhoff, John Smyser, Abbie Miller and Carolyn Hutton.

A meeting of the managers and directors of boys basket ball and polo was held this week to complete arrangements for these games. A high standard of effort and behavior must be maintained by those who play on the teams. Any pupil who is below the requirements in relation to these points is at once denied admission to any of the games, even as a spectator.

Chamberlain's Cough Remedy. One who is acquainted with its qualities can be surprised at the popularity of Chamberlain's Cough Remedy. It not only cures cough and grip ecetually and permanently, but prevents these diseases resulting in pneumonia. It is a certain cure for croup. Whooping cough is not dangerous when this remedy is given. It contains no opium or other harmful substance and can be given as confidently to a baby as to an adult. It is also pleasant to take. When all of these facts are taken into consideration it is not surprising that people in foreign lands, as well as at home, esteem this remedy highly and very few are able to take any other after having used it. For sale by A. G. Luken & Co., and W. H. Sudhoff, corner Fifth and Main streets.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

A Thoughtful Man.
M. M. Austin of Winchester, Ind., knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble, physicians could not help her. He thought of and tried Dr. King's New Life Pills and she got relief at once and was finally cured. Only 25c at A. G. Luken & Co.'s drug store.
