## Many Men Are Wearing Stein-Bloch Smart Clothes

who would consider themselves unfortunate if they could not get them every season. There must be a good reason for this. Good judges of clothing will tell you it lies in the three STEIN-BLOCH words: *Fit, Style and Quality.*

By Style, we mean the fashion of today, not yesterday. By Fit, we mean clothes that will make you look better than you do now.

By Quality, we mean woolen fabrics from the best domestic and foreign looms, and materials tested and tried by skilled use. No "mercerized" cottons ever enter our doors.

Try these clothes on. We will not ask you to buy. This is the Stein-Bloch label:
