the popular favor — namely, to-wit the coal we furnish summer and winter for cooking and heating. There's no secret about it. We simply supply superior coal at the minimum market price, and as expeditiously as our teams can haul it from our yard to your door. The reader of this card may not be a customer of ours—we'd like him to be, to his own advantage.

SPECIAL BUMPS INTO FREIGHT

AT SPRING VALLEY, O., SEVEN MILES FROM XENIA

OCCURRED MONDAY NIGHT

Seven People Were Injured Two of Them Seriously—No Local People Hurt.

At a late hour Monday night a special train from Pittsburg, bearing a party of railroad officials, inspecting the switches over the Pennsylvania system west of Pittsburg, crashed into the engine of a freight train at Spring Valley, seven miles south of Xenia, just as the freight was leaving a siding where it had waited for the east bound Pennsylvania which leaves Richmond at 8:48 p. m. The following were injured:

John Woodall, Cincinnati, engineer on the passenger; right arm crushed off below the elbow.

C. W. McClave, Loveland, flagman; hip wounded.

Ed Myers, Cincinnati, fireman on the freight.

William Mills, Camp Dennison, engineer on the freight.

Charles Baker, Cincinnati; slightly.

W. C. Penn, fireman on the passenger.

W. M. Grafton, Pittsburg, chief of inspection party; eye cut out and other injuries.

Woodall and Penn are the only ones seriously injured, and they may recover.

Engineer Mills says that the regular train which had passed carried no signals and he thought the track was clear.

The injured men were brought to Xenia and cared for.

On board the east bound Pennsylvania which so narrowly escaped being in the wreck were several passengers from this city.

POLO DOPE

Richmond is at the foot of the column for the first time in two years.

Critics of the sport have placed the strength of the Anderson team in Jack Mercer and Bert Mallory—where it rightfully belongs. The time worn fault of Wodtke—losing his temper—has detracted from his effectiveness until hard-working Jack has assumed the place of the Dutchman.

Billy Dawson would make an average Central League player. The polo pace in the major league is too fast for him.

Manager Henley has the right idea. He wants all his slumps during the first of the season. The game last night was the third consecutive defeat for the Quakers.

Soxy Lyons is the second "jumper" in the history of western polo. Mary Ann Tibbitts once left Racine and returned east, for which the league blacklisted him.

All last week the Central league managers looked anxiously for the bomb shell to burst in their midst from the western camp. They were disappointed and are now smiling wisely. It is probably better so. If the sport is paying the four managers with four entries in the race they will let well enough alone.

Soxy Lyons doesn't seem to be bringing the Indians any higher in the standing column.

Jim Sebern will probably bob up again with the Columbus team if that Buckeye dream is realized. The Western managers were sore at Durbin, but Sebern managed to escape their ire.

That schedule arranged by the managers provides for four straight games between Muncie and Anderson at Muncie counting the last one played.

Here is what Captain Canavan, of Ft. Wayne said when told that he was to captain Cincinnati in the Western league: "This is the first I have heard of it, so as my name is connected with it, but a Cincinnati paper of Friday stated that there was a likelihood that Cincinnati and

Columbus would join the Western. Jessup has been at Cincinnati trying to interest people in the game, and I don't know whether he has succeeded or not. As far as my connection with the matter is concerned there is nothing in it. The Richmond man evidently got his story from the Cincinnati paper. I am not going to manage any team, but am going to stay where I am, so far as present plans or knowledge count."

Jason still leads the Central league with 173 rushes and Hipson is second with 145. Jason also leads in goals, with 68, Hipson is second, with 58. "Long John" Wiley, of Lafayette, heads the list with 13 fouls.

Poor old Paddy Moran! It is now said that Anderson has parted with his services. It is time for Paddy to settle down in some other profession. He probably holds the record for having played with the greatest number of teams. For all that, Paddy is a good blocker.

WONDERFUL WORK

Lots Like it Being Done Right Here In Richmond.

Richmond people are surprised at the work being done by "The Little Conqueror." Public expression on the subject brings the matter frequently before the people. At first there were many doubters; and why not? So many claims of a similar nature have been made with little or no backing, excepting the word of some stranger residing in a far-away place this evidence was accepted for lack of better. Not necessary to accept it any longer. All sufferers from any kidney ail can find plenty of local indorsement for a remedy that will cure them. Surely the wonderful work of Doan's Kidney Pills right here at home is proof sufficient to satisfy any skeptic. Read the expression of one citizen on the subject:

Mrs. Jennie Laudig, 16 south 11th street says: "As a result of a severe attack of diphtheria my daughter was troubled with weakness of the kidneys. I tried numerous remedies and she was treated by various physicians but their relief was only temporary. Learning about Doan's Kidney Pills and seeing them so highly recommended I procured a box at A. G. Luken's drug store. In a short time the trouble entirely disappeared."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name Doan's and take no substitute.
