AMUSEMENTS

Hoyt's "A Trip to Chinatown."

The late Charles Hoyt was not the only recognized playwright of his day, but the most successful. In his fifteenth year's career as an author he produced twelve comedies and never had a failure. A remarkable record when one comes to think of it. It is doubtful if any other theatrical attractions have as strong a hold upon the theatre-goers as the comedies of the late Charles Hoyt.

It may be because Mr. Hoyt was an American himself and knew just what the American public wanted, in the way of amusement. When a Hoyt comedy is announced for presentation it usually brings forth a crowded house for the public have learned from past experience that they will be offered something entertaining.

"A Trip to Chinatown" claimed by many to be Hoyt's best effort will be presented by a capable company of comedians at the New Phillips Theatre on Wednesday, Dec. 21.

"Thou Shalt Not Kill"

Elaborate and scenic and mechanical effects are employed to properly present "Thou Shalt Not Kill" which is looked for an early appearance at the New Phillips opera house. It is a new play and one of the best hits on the road. The company presenting it is thoroughly capable and includes the sterling actor, Mr. Walter H. Newman, a former resident of this city. Bright specialties add to the enjoyment of this great play. **New Phillips Theatre Dec. 26.**

Eagle's Minstrels.

The Eagle's Minstrels will go through a full dress rehearsal this afternoon at the Gennett Theatre. All members of the cast and orchestra will be on hand promptly at 2:15. Last call at 2:20. Every number of the truly fine program will be tested today and if need be strengthened. Tickets are selling rapidly and every Eagle is expected to have tickets and money ready for settlement on date of Dec. 22. Runge's full orchestra will be augmented and some out of town comedians will assist the local Eagles in making merry. The show will be a big one in every particular and the Gennett will be crowded Thursday and Friday evenings.

Coming Dramatic Event of Season.

The edict has gone forth; the die is cast and we are to have the "Katzenjammer Kids," which has earned the title of the greatest of all laughing shows. This celebrated, humorous creation has been booked at the Gennett theater on Tuesday, December 20, and it is considered a safe wager that the house will be filled to completion on the occasion of the visit of Messrs. Blondell & Fennessy's superb farce comedy to our city. It is claimed for the "Kids," aggregating that the cast this season is stronger and the production is given a better presentation than ever before in its long and exceptionally successful career. Almost everybody that is anybody has witnessed the performance and screamed with laughter at the mischievous capers of the "Katzenjammers," who first became famous through the medium of the cartoons in the comic supplements of the Sunday papers. When, through the enterprise of Managers Blondell & Fennessy, "The Kids" were transplanted to the stage and given an opportunity to exhibit themselves, the public was quick to appreciate the good thing offered, and responded by a most liberal patronage, which has continued without cessation from the first performance up to the present time. "The Katzenjammer Kids" is a farce comedy, pure and simple, and deals exclusively in unadulterated fun. It is in three acts and there is not a dull second during the two hours and a half required to present it. It was never charged with having a plot, but answers "guilty" to the claim that it was gotten up for fun of the cyclonic sort, which reaches out and gets everybody of a humorous character in sight. If you want to laugh away your care and trouble, visit "The Katzenjammer Kids" show and the thing is done. Read over the date of their coming and don't forget it. The company includes such well known artists as Baker and Lynn, the premier delineators of juvenile comedy; the popular German comedian, Robinson sisters, acrobatic marvels; Major Chiquie, the tiniest comedian before the public; Day and Vestal, novelty act; William Baker, monologue comedian; Josie Ralston, chic soubrette; George V. Baker, character comedian, and many others equally known to fame.

idence of sterling worth sticks out in every program offered by Lyman H. Howe, who will present his entirely new collection of scenes at the Gennett theater on next Wednesday evening. Mr. Howe, acting on the conviction that indifferently projected pictures with no set purpose are held in low esteem by the public, can always be relied upon to present pictures that are forceful, purposeful and at the highest tension of perfection, and still Mr. Howe's pictures retain that indefinable charm and a "something" that pervades the entire program, and holds his spectators spellbound from beginning to end.

Beware of Ointments for Catarrh That Contain Mercury.
Hall's Family Pills are the best. as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.
