the popular favor—namely, to-wit the coal we furnish summer and winter for cooking and heating. There's no secret about it. We simply supply superior coal at the minimum market price, and as expeditiously as our teams can haul it from our yard to your door. The reader of this card may not be a customer of ours—we'd like him to be, to his own advantage.

BE HAPPY, EVERYBODY!

Santa Claus is growing old and rather absent minded and forgetful at times. Many expectant little folks will awaken to disappointment Christmas morning on account of Santa not having visited them. Now, little folks, don't grieve, but come to our store Monday morning [Christmas] and we will give you a nice sack of goodies to make up for Santa's neglect. Come and be happy. COACH CUTTS

At Purdue University Tenders His Resignation.

Lafayette, Ind., December 21.—Much surprise and regret were occasioned in athletic circles at Purdue University today when Oliver F. Cutts, who has acted as athletic director and coach of the football team for the last two years, announced that he would retire from the position as athletic director the first of the year.

Mr. Cutts will go East for the holidays, and will return the first of the year to straighten out athletic matters at Purdue, and then start his law practice. Cutts stated that while he would not return as athletic director, he would consider an offer to coach the football team next season.

Several men are now being considered to succeed Cutts, but no name has yet been made public. "Jimmie" Nutter, football trainer and coach of the basketball and track teams, will likely be advanced to the position.

Queen Margharita's Musicals.

Rome, Dec. 22.—Queen Margherita mother of the present King, today gave the first of the series of informal musical parties which it was recently announced she would give this season. Her Majesty intends to make the Palazzo Margherita, her home the musical center of the Eternal City, and is herself a musician of no mean ability. The Palazzo Margherita is furnished with several pianos of various makes, and an immense organ has recently been built in the palace.

IT'S UP TO YOU

It is our business to loan money in any amount from \$1 to \$5000 on any kind of security, for any length of time. Having a large capital of our own money, we do not need to ask anyone as to when or how we shall loan it, but we can do so on any terms and for any length of time we desire. Eighteen years banking experience renders us capable of giving you almost an immediate answer as to whether or not we can make you a loan. We seldom feel the necessity of any inquiry at all, but when it is made, it is invariably made as a bank. By securing a loan in this manner, you do not have the annoyance of your neighbors knowing that you are borrowing money, but can be sure of absolute secrecy in the matter. Our large capital enables us to loan at a much lower rate than that usually charged by loan companies, and you know it is to your interest to get a loan wherever you can get it the cheapest, the same as in buying anything. For instance, if there is a sale on granulated sugar, where you can buy 21 lbs for a dollar instead of 18 lbs regular, there is where you buy your sugar. Why not be just as careful about saving money when you are in need of a temporary loan? If we get our money out, the price must bring the business, so if you get a loan from us, it will prove a great money saver to you. Call and let us explain our methods. If you cannot call, write or phone us, and our agent will call on you.
