HIGH SCHOOL NOTES

The High School foot ball candidates got together yesterday at noon and selected a captain and manager to lead them for the year of 1906. Donald Grave was selected as the captain and it is thought he is the best man that could be gotten. He is very capable of leading the boys in the game as he knows the game from start to finish and is a very heady and study player. When John Murray was selected as the manager it is thought that another good move was made. Mr. Murray will fill the place with greatest ease and regularity.

High School has some very good material for this year's team and if the team is not a success it will not be either the fault of the manager or the captain.

Harry Fetzer, who is a Sophomore in school has decided to stop school and take up work outside which he deems more profitable.
