

DUROC JERSEY SALE NEAR EATON DRAWS CROWD OF BIDDERS

(Special to The Palladium)
EATON, Ohio, Oct. 10.—Spirited bidding and lively contests, with buyers from several states, though the larger number were from Indiana and Ohio towns within a radius of 100 miles, made the first Duroc Jersey breed sale of Charles Hildebolt, held at his farm southwest of Eaton on Monday, fairly successful.

Prices paid were not sensational but were considered good for the rather depressed condition reflected in many sales, and unusual values in blood lines or individuality were promptly reflected in more eager bids, and higher prices.

Ora Morton of Warsaw, Ky., Harry Barker of Thorntown, Ind., Ralph Killion, Plainfield, Ind., represented some of the more distant buyers. Walter Doty of Cambridge City, Ind., was a frequent bidder and almost as frequent buyer, as was also Charles Harris, of Straughn, Ind. E. C. Caldwell and Sons from the same neighborhood, and D. R. Funk, Thomas Ryan and Joe Hill, all of Richmond, were other Indiana buyers. A large proportion of the offering was brought into this state.

Run Bids Up.
Ralph Killion furnished frequent entertainment for the crowd, all sitting up and listening to the bidding with interest as soon as they learned his system. He would put no bids on any hogs except those he was apparently determined to have at any cost, and then ran up the bids steadily until his opponents dropped out. He gave his bids promptly and left all of the auctioneers urging to be spent on the other bidders. Stewart Bros. of Camden fought a hard but losing battle with him for a good boar which went for \$152.50.

The buyers and prices paid were as follows: 1. Joe Hill, Richmond, \$115; 2. Ora Morton, Warsaw, Ky., \$100; 3. Ralph Killion, Plainfield, Ind., \$157; 4. Ora Morton, \$170; 5. Ralph Killion, \$152.50; 6. Lee Campbell, Eaton, \$36; 7. E. C. Caldwell and Sons, Connersville, \$51; 8. Ralph Killion, \$55; 9. Ora Morton, \$60; 11. E. B. Markey, Eaton, \$25; 12. Ralph Killion, \$51; 13. Ora Morton, \$30; 14. Harry Kautz, Eaton, \$32.50; 15. Ray Ott, \$25.

Walter Doty bought No. 16 for \$34; 17. D. R. Funk, \$22; 18. E. B. Markey, \$42; 19. J. E. Marker, \$39; 20. Howard Swafford, Camden, \$43; 21. Walter Doty, \$33; 22. E. M. Leaf, Lebanon, Ohio, \$37; 23. Ralph Killion, \$40; 24. James Casey, \$32.25; Walter Doty, \$31; 26. Ora Morton, \$37; 27. Walter Doty, \$33; 28. Harry Kautz, \$33; 29. Walter Doty, \$34; 30. Harry Kautz, \$29.

Straughn Man Buys
Charles Harris, of Straughn, took No. 31 for \$30; No. 32, Ward Hicks, \$40; 33, George Trustier, Colinsville, Ohio, \$30; 34, Joe Hill, \$55; 35, Chas. Harris, \$30; 36, Walter Doty, \$38; 37, Harry Kautz, \$35; 38, Walter Doty, \$36; 39, Silas Buriff, \$25; 40, Charles Harris, \$32; 41, Harry Barker, Thorntown, \$46; 42, Walter Doty, \$35; 43, Ray Ott, \$21; 44, Harry Kautz, \$34; 45, Thomas Ryan, \$27; 46, Harry Kautz, \$31; 47, Harry Kautz, \$27; 48, Walter Doty, \$29; 49, George Trustier, \$35.

No. 50 was taken by Charles Harris for \$30; 52, Walter Doty, \$33; 53, Ora Morton, \$30; 54, Harry Kautz, \$27; 55, Ora Morton, \$30.

The grand total of the sale was \$2,380 and the average price about \$45. John Weaver, of Elora, was the auctioneer, aided by Simon Weddle, of Richmond, and Reitz brothers, of Eaton, in the ring. J. H. Markey, secretary of the Preble County Duroc association, acted as clerk.

The common eel, which lives most of its life in fresh water, goes to the sea to breed. Scientists think it is descended from ancestors which were entirely sea fish.

Electric Motive Power Transmitted By Radio

(By Associated Press)
SAN FRANCISCO, Oct. 10.—Transmission of electric motive power by radio was accomplished for what is believed the first time here by the United States Radio corporation, a local concern. In the course of the experiments sufficient electric energy

was transmitted 2,000 feet to light brilliantly two 120-volt 50-watt tungsten bulbs. Another successful experiment consisted in the ringing of an electric doorbell in Berkeley, a city on the opposite side of San Francisco bay, with radio power transmitted here.

SAY "BAYER" when you buy Aspirin

Unless you see the name "Bayer" on package or on tablets you are not getting the genuine Bayer product prescribed by physicians over twenty-two years and proved safe by millions for colds, headache, toothache, earache, neuralgia, lumbago, rheumatism, neuritis, and for pain in general. Accept only "Bayer" package which contains proper directions. Handy boxes of twelve tablets cost few cents. Drug-gists also sell bottles of 24 and 100. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.—Advertisement.

Make a Home of Your House—

No other power has done so much to revolutionize and modernize living conditions as has electricity. Electricity has come to be recognized as not merely a luxury or convenience, but as a household necessity. Without electricity there would be no telephones and many of the other articles now recognized as necessities would not be known.

Better Homes Week Is a National Event Planned to Assist You

The ever increasing demand for electrically operated household articles proves the economical as well as the convenient phase. Women using electricity do their work quicker, giving them much more time for other activities and household duties. It also reduces their household expenditures.

Electric Rates Have Been Reduced

To Help Your Home Enjoy More of the Advantages of Electricity in Your Home

To encourage and develop the use of electricity for household use, the Municipal Light, Heat and Power Company are offering special reduced rates for both city and rural consumers. City rates are 7 1/2c per K. W. H. for the first 15 K. W. H. and 3c per K. W. H. over 15. A discount of 1/2c per K. W. H. for prompt payment. Rural rates are the same except the first 15 K. W. H. are 9 1/2c per K. W. H.

These low rates may be enjoyed by all customers having 2,000 watts or more heating load for domestic appliances including electric ranges, sweepers, washing machines, irons and other utilities. Operate your home the electric way. It is not only cheaper and more convenient, but so much cleaner.

SAVE Time AND Labor

"Better Homes" Mean "Happy Homes"

This is an age of progress and pride. The housewife must have the same consideration in her duties the man has in his business.

ELECTRIC RANGES

No business man would consider doing business by old-time methods; neither should he ask his wife to use the same cook stove made and used in days long gone. A demonstration of our new, modern electric ranges will convince any one of their economical value as well as their wonderful convenience.

Excel Cookers, Percolators, Irons, Chafing Dishes, Toasters

—all go to make easier the work of the home. The cost of these is minor considering the big advancement and convenience they add to the home.
