

Banquet For Basketeers Was Notable

Highlighting school social functions was the banquet held in Lincoln Memorial School auditorium April 30, 1954 at 6:30 p.m., honoring the 1953 - 1954 basketball teams, numbering 28 and Coach John Walker.

Lincoln team is the winner of the 1954 tournament trophy as well as many others which were on display at the banquet.

Present for this occasion were the cheering squad, composed of 31 girls and their leaders, Superintendent B. Williams, Principal Hazel W. Bledsoe; Board Members, Geo. Wright, Ernest Lemon; Clerk J. Grzadzinski, Mayor Theodore Hendricks, Mrs. Neely, Mr. Albert Johnson and faculty members.

Toastmaster for the evening was Mr. S. Williams, who was introduced by Principal Hazel W. Bledsoe.

The guest speaker was the nationally known Jesse Owens, who gave a most inspiring and challenging address. One that will long be remembered by all present.

Others adding to the enjoyment of the occasion with words of wisdom and advice were Mayor Hendricks, A. V. Hensley, R. Hobson, P. M. Searcy, A. M. Cooke, E. T. Hunter, D. Harvey, Mr. Geo. Wright and Supt. Williams.

Mr. J. Walker assisted by Supt. Williams and Mr. E. Lemon presented Letters and Certificates of Award to deserving members of the teams.

Musical numbers were rendered by Mrs. E. Ratliff, E. Trammell, M. Moody and W. Hoyle.

Roscoe Brown's "Thanks" for the evening of enjoyment was captivating.

Everyone left expressing themselves as having spent a "lovely evening."

X-Ray Unit Here June 1

All Robbins residents, 15 years of age and over, will have an opportunity to check on their health through a free chest x-ray on June 1st, when a mobile x-ray unit visits the community in a search for "unknown" cases of tuberculosis.

In the Robbins x-ray for Health survey in 1953, 549 x-rays were taken, of which eight revealed suspicious signs of TB. During the same year one person died of TB and 11 persons were hospitalized in

Robbins, at a cost of \$11,572, the Suburban Cook County Tuberculosis Sanitarium District revealed.

The free chest x-rays will be offered at the mobile unit, parked by the Lincoln Memorial School, on Tuesday, June 1st, from 11:00 a.m. to 6:00 p.m. The survey is sponsored jointly by the Christmas seal-supported Tuberculosis Institute and the SCCTSD, in cooperation with the Cook County Department of Health, Robbins Health Department and Robbins Health Council.

"Although the primary purpose of the program is to find TB in apparently healthy persons," said Dr. Edward A. Piszczek, executive director of the SCCTSD, "it is stressed that the free chest x-rays also serve as a general health check, for they are able to reveal lung cancer, heart disorders and other chest conditions. X-rays are our

In memory of my dear husband, Troupe Shearod, who passed away May 5th, 1953.

Your passing broke the chain of love which can only be repaired when we meet above.

Wife,
SALLIE.

COUNCIL MEETING

The Village Council met in regular monthly session Tuesday night, May 4th, 1954. The mayor opened the session and the usual routine of business began. This being the end of the fiscal year the reassignment of official duties of the Trustees was in order.

Trustees were re-assigned as follows:

Transportation:
U. S. Turner, Elbert (Zip) Johnson, Edward A. Starks.

Judiciary:
Leo Marsh, Edward Starks, Elbert (Zip) Johnson.

Finance:
O'Dell Anderson, Leo Marsh, U. S. Turner.

Plats:
Leo Marsh, Edward Starks,

best tool in uncovering chest conditions in their early stages, when treatment and recovery are easiest and fastest.

The ultimate goal of the survey is, of course, to wipe out TB completely," Dr. Piszczek continued, "and it is only by early discovery and proper care that we can stop the spread of this infectious disease, and thereby, make our community a safer place to live."

X-raying takes less than a minute and is done through the outer clothing, so that no undressing is required. Results of the x-ray will be mailed to the home within two weeks—and all findings are confidential.
