

## Gaining Favor

Senator Samuel Ettleson is gaining favor among his friends in the Fifth Senatorial District and they have declared that he will succeed himself because of his faithfulness to his trust and his many favors to his constituents. He has always voted for the best interest of the people and has been a leading figure in the battle for five-cent fares. He is being backed by the regular Thompson Republican club and the Oscar Depriest organization.

## Opposes Wallace Clark

It is reported that Senator Ettleson is determined to defeat Wallace G. Clark, Dinnenc candidate, for the Treasurer of Cook County. It is remembered that Clark at one time went on record as opposing the occupation of several colored people in the Kenwood and Hyde Park District. He will be backed up in his fight by the voters of the Third Senatorial District. He is a candidate to succeed himself as State Senator.

## A Woman For Congress

Mary Belle Spenser, Republican Candidate for Congressman-at-Large to fill vacancy, is waging a fight for nomination which should bring her the distinction of being the first woman from Illinois to sit in Congress. She is a successful lawyer, fearless, capable and constructive. She supports the Soldiers' Bonus Bill, government reclamation of arid and swamp lands, which means employment and new territory for farm lands and is opposed to any measure which will interfere with the personal liberty of the people.

She promises, if elected, to support every measure which will aid the colored voters of this country. She has proven her worth and sympathy for black people in many instances in the courts of Chicago. A vote for her at the coming primaries, April 11th, will be a vote for a friend to the race.

## Blind Man For Office

William "Crip" Woods, Republican candidate for County Commissioner, is one of the most widely known men in the city. He has won many friends both white and black, in various parts of the city and now hopes that these friends and admirers will do him the honor of electing him to office which he now seeks, making him the first "Blind Negro" elected to public office. At the various meetings which he has attended throughout the city he has made a great hit and invites all who have not heard him to come to the meeting at The Community Center, 3118-20 Giles ave., for which advertisement has already appeared. He solicits your votes in his behalf on primary, April 11th.

## Makes Statement

Eugene J. Marshall, Republican Candidate for General Assembly (State Legislature), from the Third Senatorial District, in speaking of his fight in that District, seeks to make his position clear with all voters. Among some of the statements made are the following:

1. Has been in the fight for the last five years to get proper recognition according to voting strength for the black people of the Third Ward.
  2. Stands unalterably against interlopers who jump into the Ward at the last minute or who do not even belong in the ward but merely seek to control it.
  3. Believes that Bither has not given black people of ward, who are nearly seventy-five per cent of the voting strength, proper recognition.
  4. Questions whether Bither and his cohorts can mean the black people any good when he (Bither) supports Wallace Clark, whom The Tribune alleged aided in the attempt to keep black people from living on Forestville Avenue, in 1915.
  5. Stands for five-cent fares and calls attention to the fact that his opponent, Warren B. Douglas, voted against this measure last year in the State Legislature.
  6. Objects to Bither and others using this primary as a means to build up an organization for use for himself in 1924.
- He announces that he stands for five-cent fares, cheaper rent, participation in Ward affairs according to voting strength, is opposed to vicious vice conditions and their protection as they now exist, and for a full and freer personal liberty. He calls upon all reasonable voters to think and act at the polls April 11th with their eyes open and the idea of good government and fair practices in mind.

## New Orleans, La.

Mr. Frank Hickman of 631 Josephine Street, well known by all because of his sunny smile, died at his late residence on March 24. His body was sent to Grey, La., his home. Mr. Hickman had been ill only a short time with pneumonia.

## McMurray For Congress

Senator James McMurray of the 5th Senatorial District is the one citizen of Chicago that should be re-nominated and elected. Of all the highest class men who deserve this honor is Mr. McMurray. His record has been a splendid one. While he is an aristocrat and lives among them and by virtue of the financial standing is held in high esteem, it is nevertheless true that he has always stood by the great common people and voted for their interests. He gives employment to a number of our people in his industrial plant.

**Educating Two of Our Race**  
One of the big features of his character that stand out prominently is that he is educating two young men of the Black Race. One he is sending to the Arts and Science of the University of Chicago and the other in a College of Pharmacy. This alone should cause every voter of our race in the 5th Senatorial District to vote for him. He is endorsed by the regular Republican Organization of his District and is endorsed by the Legislative Voters League. This League says of him: "Senator McMurray 'made good' from the outset; was one of the leading opponents of the objectionable Thompson-Small measures and made a hard fight to bring about a legislative investigation of the expenditures of the Chicago taxing bodies; a public spirited and courageous member who made an unusually fine record."

**Admitted to Illinois Bar**  
Senator McMurray was born in Knox County, Mo.; educated in the public schools of Missouri and Illinois and graduated from the Chaddock College in Quincy, Ill., and also from the law school. He was admitted to the bar in Illinois and practiced law at Quincy for seven years. More than twenty years ago he bought the controlling interest in the Acme Steel Goods Co. and became its president, which position he now holds. It is at this plant where he employs a number of our people.

**Member of 6th Ward Organization**  
Senator McMurray is a member of the 6th Ward Republican Organization and has worked for its interest for the past twenty years. In 1908 he was President of the Taft Club of Chicago and did valuable work in that campaign. In 1910 he was chairman of the Republican Cook County Republican Convention. He is a Mason and a member of the leading social clubs of the Southside and a trustee of the St. James Methodist Episcopal Church; a trustee of the Illinois Woman's College and of Garrett Biblical Institute. Of all the candidates who are running for office in this primary, none deserves our support more than Senator McMurray.

**Adelphia Girls' Club.**  
The Stonill Adelphia Girls will be entertained by Miss Wietor Shorter Sunday, April 9, at 4:30 p. m., at 4924 Indiana Ave. Plans for our special Mother's Day program and May dance will be discussed. to Bill

BILL is a good substantial citizen who, like many of us, had, up to a short time ago, never saved his money systematically.

He never really thought seriously of investing in bonds until he was married a few years ago. Being inexperienced in financial matters, he wrote several letters to Ralph, an attorney friend of his, who answered all his questions in a very simple and clear manner.

We have just published a booklet called "An Investor's Letters" which contains all of Ralph's and Bill's correspondence. You will find it very interesting and it may clear up some of the questions you have in your own mind about investment matters.

We shall be glad to send "An Investor's Letters" free of charge or obligation to anyone who requests it.

## For Sheriff

HENRY C.  
LAUBENHEIMER  
Republican Candidate  
FOR SHERIFF  
Primary Election

TUESDAY, APRIL 11, 1922.

In submitting his candidacy to the Republicans of this County, Mr. Laubenheimer bases his claim for their support primarily on the experience he has gained during his 14 years of official connection with the Sheriff's office and emphasizes that it is his opinion that a thorough knowledge of all the various duties in the Sheriff's office is essential to properly conduct its affairs.

He served under Sheriffs Pease, Zimmer, Strassheim and Traeger, Republicans and Democrats, and since 1918 as Chief Deputy under Sheriff Chas. W. Peters and is entirely willing to leave it to the judgment of these officials and to the thousands of citizens who have come in official contact with him as to how well he has performed his duties.

He was instrumental in working out a concrete plan for policing the country highways. Through his pleadings before the Judges of the Circuit Court and the County Board the necessary a highway police department under the charge of the Sheriff of this county, and no matter who the next Sheriff may be he will find in existence a well organized and competent force for the protection of the public on the highways in the country districts, in command of Maj. Albert Denman, former captain of the Chicago mounted police. He is in complete sympathy with the appointment of Captain Westbrook as jailer and if elected he will retain his services with full power to maintain the highest degree of discipline in the jail.

Mr. Laubenheimer pledges himself not to aspire to any office during his term and to practice the strictest economy to bring about a reduction in the taxes of this County.
