NEWSPAPER LAW.

1. Subscribers who do not give express notice to the contrary are considered as wishing to continue subscriptions.
2. If subscribers order the discontinuance of their periodicals, the publisher may continue to send them until all arrearages are paid.
3. If subscribers neglect or refuse to take their periodicals from post-office to which they are directed they are responsible until they have settled their bills and ordered them discontinued.
4. If the subscriber moves to another place without informing the publisher, and the papers are sent to the former directions, they are held responsible.
5. The courts have decided that the refusing to take periodicals from postoffice, or removing and leaving them uncalled for, is prima facie evidence of intentional fraud.
6. If subscribers pay in advance they are bound to give notice to the publishers, at the end of their time, if they do not wish to continue it otherwise the publisher is authorized to send it, the subscriber will be responsible until an express notice with payment of arrearages is sent to the publisher.
7. The latest postal laws are such that newspaper publishers can arrest any one for fraud who takes a paper and refuses to pay for it. Under this law the man who allows his subscription to run along for some time unpaid, and then orders the postmaster to mark it "refused," and has a card sent notifying the publishers, lays himself liable to arrest and fine, the

\$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80 PER PAIR

Regular Price \$8.50 per pair.
To Introduce We Will Sell You a Sample Pair for Only \$4.80
(CASH WITH ORDER \$4.55)

NO MORE TROUBLE FROM PUNCTURES.

Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

COASTER-BRAKES, built-up-wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big SUNDRY catalogue.

DO NOT WAIT but write us a postal today. **DO NOT THINK OF BUYING** a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it NOW.

B. F. Caldwell

Hon. B. F. Caldwell, the candidate for Congress from this, the 21st Congressional district, is one of the best known and most popular men in our district. He delivered a timely address at the Old Settlers Home as he is accustomed to do on each year. Mr. Caldwell has been so satisfactory to his constituents, that he is not looked upon as a Democrat or Republican. He has served six years or three terms and was beaten 2 years ago by Zeno Rivers his Republican opponent, Mr. Rivers is again a candidate. Mr. Caldwell, being so well known and well liked by all, will hardly be overcome this year. He has been very helpful to many old soldiers and was instrumental in our new Post office and many other improvements throughout the district, he will have a strong following.
