DIXON'S PENCILS!

Dixon's American Graphite Pencils,

FOR OFFICE, DRAWING AND SPECIAL USES.

A New Lead Pencil

Of the finest quality, and all grades, from the softest up.

The peculiarity of these pencils consists in their being uniform and reliable, soft, smooth, very black, holding the point in wear; the mark clear and perfect, but easily removed by the rubber; the lead tenacious, the wood old and soft, the finish perfect; pleasant to use, they are wholly American, and no discriminating person will be without them after a trial.

Explanation of grade stamps (copyrighted) on Dixon's Graphite Polygrade Pencils:

S. "Soft".—For heavy work on soft paper; or for directing parcels; too soft for the pocket or general use. S. M. "Soft Medium."—For general commercial or pocket use; very smooth. M. "Medium."—For the accountant's desk, reporters, banks, and all uses where a smooth, black pencil is wanted that will last well in fine work. H. "Hard."—For architects, civil engineers, draughtsmen, &c.; a very fine, clean line. V. H. "Very hard."—For the finest lines. All these grades yield easily under the rubber.

It must be remembered that different hands require different grades of pencils, the same as they require different pens. The "S. M." will suit some parties for the uses set down for the "M." and the "M." suit many hands for general use. We find that even Stenographers differ, some requiring a softer pencil than others. The "M." was specially designed for them, and suits the majority, as it does the majority of Accountants in Banks and Offices, but the "S. M." is popular for general use. Samples free.

CATARRH REMEDY.

Catarrh of 25 Years' Standing.

With droppings in throat almos to Choking, Headache, Pains in Lhoulders, Back and kidneys, and entire Breaking Eown of the System, cured by Constitutional Catarah Remedy.

To Messrs. LITTLEFIELD & HAYES, Proprietors of Constitutional Catarrh Remedy, Manchester, N. H.:

I reside at Manchester, N. H., and previously resided at Henniker, and am a native of Wears, this State. I have had Catarrh 25 years, ever since I was 19 years old; had it bad all the time. It run all that period, and nights it would fill up and drop down in my throat, causing a feeling of choking, so that I would spring up in bed to save myself from strangulation. It affected my head so that I felt confused, and was troubled with severe headache at intervals for a week at a time. I also had pains in the shoulders, back and kidneys, from which I suffered immensely. So bad were they, that a year ago last summer I was obliged to be in bed most of the time for three months. I have tried all kinds of snuff and Catarrh remedies with no particular benefit, and consulted physicians. I began to take the Constitutional Catarrh Remedy last August. I began to grow better before finishing the first bottle. My catarrh is cured; my health is restored. I have no pains, aches or cough. My whole system is made over new. I know it is this medicine that has rescued me from intense suffering and almost the grave. I am now able to do the hardes work and bear the greatest exposure, and feel that I cannot say too much in favor of the Constitutional Catarrh Remedy.

MRS. E. J. FLANDERS.

Manchester, N. H., Feb. 1, 1871.

Why Have Catarrh?

I have had Catarrh or two years, and have had all its troubles arising from it, such as dropping from the head, sore throat, etc. It troubled more in the morning than at any time, as it would be some half hour before I could breath freely. The dropping from my head has ceased, and in the morning I have no trouble about breathing, which is a great relief to me, and I feel as free from it as ever I did. I have taken two bottles. Yours respectfully,

MRS. H. J. TIRRELL.

NEW AND IMPROVED

Compound Fluid Extract

—OF—

BUCHU

A Specific Remedy for all diseases of the Urinary Organs; as non-retention or incontinence of urine, irritations, inflamation, or ulceration of the Bladder nd Kidneys, Stone in the Bladder, Gravel, or Brick-dust deposit, Bright's disease, milky discharges, and all diseases of the Bladder, Kidneys, or Prostrate Gland, whether in Male or Female, Male or Child.

FOR WEAKNESS, *arising from youthful indiscretion or abuse, excesses or dissipation, attended with some of the following symptoms: Nervous Debility, Loss of Memory, Indisposition to exertion or business, Loss of Power, Shortness of Breath, Trembling, Troubled with thoughts of Disease, Dimness of Vision, Pain in the Back, Chest and Head, Rush of Blood to the Head, Skin Eruptions, Pale Countenance, and Dry Skin.*

If these symptoms are allowed to go on, very frequently Epileptic Fits and Consumption follow. The insane asylums and the records of death by consumption bear ample witness to the truth of the assertion where the constitution becomes affected with organic weakness, it requires the aid of an invigorating medicine to strengthen and tone up the system, which HENDERSON'S BUCHU does in every case.

FOR FEMALES, young or old, married or single, at the dawn of womanhood or at the turn of life, HENDERSON'S BUCHU has no equal in diseases peculiar to females, as in painful or difficult menstruation, Chronic Inflamation of the Uterus, Falling of the Womb, Leukhrea or Whites, Sterility or Barrenness and all complaints incident to the sex, whether arising from indiscretion, habits of dissipation, or in the decline or change of life. HENDERSON'S BUCHU is unequalled by any remedy known. It is prescribed by the most eminent physicians all over the world to be used after confinement, and all enfeebled constitutions of both sexes and all ages.

DYSPEPSIA OR INDIGESTION, headache, pain in the shoulders, coughs, dizziness, sour stomach, eructations, bad taste in the mouth, palpitation of the heart, pain in the region of the kidneys, and a thousand other painful symptoms, are the offspring of Dyspepsia. HENDERSON'S BUCHU invigorates the stomach, stimulates the torpid Liver, Bowels and Kidneys to a healthy action, in cleansing the blood of all impurities, and imparting new life and vigor to the whole system. It is the Great Life giving Principle.

PIN, TAPE AND OTHER WORMS, by which thousands of persons, young and old, are affected, are effectually removed from the system by HENDERSON'S BUCHU. Worms exist upon the diseased humors and not upon the healthy elements of the body. No vermifuges, anthelmitics or system of medicine will so effectually free the system from these monsters of disease like HENDERSON'S New and Improved Extract Buchu.

main there. The Indians whom he had instructed at Lapointe, at the extremity of Lake Superior, learning of the death of their beloved teacher, deliberately resolved to remove his bones from their desolate resting place. Placing them in a box of birch bark, they brought them, in 1677, in barbaric state, convoyed by over twenty canoes, to Mackinaw. * * * And now that right of the humble missionary and his bold companion to that imperishable fame is fitly recognized by the ovation which this brilliant assembly, in the greatest city of the Mississippi Valley, now celebrates in honor of them. "Peace hath her victories, as well as war;" and whatever glories the future of our valley may add to those already illumining its history, let its people ever honor the memory of those fearless Frenchmen who first made its existence known to the civilized world.

The governor was listened to with close attention; and was frequently applauded.

A double quartette, composed of members of Orpheus, under the leadership of Prof. C. Froelich, sang "The Evening Song," in fine style, and being encored gave "The Linden Tree." The remaining part of the musical programme was:

Dr. JOHN BULL'S REMEDIES.

Dr. JOHN BULL'S

GREAT REMEDIES.

Dr. JOHN BULL,

MANUFACTURER AND VENDER OF THE

Celebrated

Smith's Tonic Syrup

FOR THE CURE OF

Ague and Fever,

OR CHILLS AND FEVER.

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southern country to bear him testimony to the truth of the assertion that in no case whatever will it fail to cure if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain of cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually this medicine will not require any aid to keep the bowels in good order. Should the patient, however, require a cathartic medicine, after having taken three or four doses of the tonic, a single dose of Bull's Vegetable Family Pills will be sufficient.

BULL'S

SARSAPARILLA

Read the following extract of a letter from Mrs. Rivers, wife of Reverend Dr. Rivers, one of the most learned, eloquent, and popular Ministers of the Methodist Episcopal Church, and who is at present stationed at Broadway Church, Louisville, Kentucky.

LOUISVILLE, KY., Oct. 8, 1869.

DR. JOHN BULL—Dear Sir: Many thanks to you for the medicine you have so kindly given me. I have been a great sufferer for years, and had the advice of various physicians. Some pronounced my spine, some my lungs, and some my heart, to be the seat of my disease. I have been burnt, blistered and cupped until I had become disheartened. Several very eminent physicians who examined my spine informed me that I was threatened with paralysis or apoplexy any day, and that nothing but a seton would relieve me. I had a perfect horror of that, and was hesitating about having one inserted, when you kindly sent me your Sarsaparilla which I immediately began to take three times a day. I had suffered terribly with a most acute pain in the right side of my head, especially when I would read or write for any length of time, and on raising to my feet I would be perfectly blind for several minutes, and would have to hold to something to prevent falling.

I am most happy to inform you that the pain in my head is entirely relieved; I suffer but seldom with my spine and then not so acutely. My appetite is good; indeed for the first time in my life I enjoy my dinner more than any other meal during the day.

You kindly sent me four bottles again last night, and I began again this morning, and I hope to be entirely relieved. Please accept my heartfelt thanks and best wishes.

Very truly your most greatful friend,

Mrs. B. C. RIVERS.

My journal abounds with similar letters, all of which I guarantee to be genuine and written by the persons whose name they bear.

Do not suffer yourself to be imposed on. Don't be drawn away after new and doubtful experiments. Don't risk your health by testing novices experiment upon you with their trash.

My Sarsaparilla has stood the test of twenty-five years; it is still the Sarsaparilla of the day, and of the age, towering over all others in popularity and its curative qualities.

Avoid all those who are trying to palm off on you other extracts of Sarsaparilla so-called. Remember it is Dr. John Bull's Sarsaparilla, of Louisville, Ky., that is the old and reliable remedy for impurities of the blood and scrofulous affections. Always bear that in mind.

ANOTHER TESTIMONY.

BENTON BARRACKS, Mo., April 30, 1866.

Dr. John Bull—Dear Sir: Knowing the efficacy of your Sarsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my case:

I was wounded about two years ago, and taken prisoner and confined for sixteen months. Being moved so often, my wounds have not healed yet. I have not sat up a moment since I was wounded. I am shot through the hips. My general health is impaired, and I am suffering in need nature; I have more faith in your Sarsaparilla than anything else. I wish that which is genuine. Please express me half a dozen bottles, and oblige

CAPT. C. P. JOHNSON,
St. Louis, Mo.

P. S.—The following was written April 30, 1866, by Mrs. Jennie Johnson, mother of Capt. Johnson

Dr. John Bull—Dear Sir: My husband, Dr. C. S. Johnson, was a skilful surgeon and physician in Central New York, where he died, leaving the above C. P. Johnson to my care. At thirteen years of age he had a chronic diarrhoea and scrofula, for which I gave your Sarsaparilla. It cured him. I have for ten years recommended it to many in New York, Ohio and Iowa, for scrofula, fever sores, and general debility. Perfect success has attended it. The cures effected in some cases of scrofula and fever sores were almost miraculous. I am very anxious for my son to again have recourse to your Sarsaparilla. He is fearful of getting a spurious article, hence his writing to you for it. His wounds were terrible, but I believe he will recover.

Respectfully,
JENNIE JOHNSON

BULL'S

WORM DESTROYER.

EXTRACT FROM A LETTER FROM GEORGIA.

VILLANOW, Walker Co., Ga., June 28.

Dr. John Bull—Dear Sir: I have recently given your Worm Destroyer several trials, and find it wonderfully efficacious. It has not failed in a single instance to have the wished for effect. I am doing a pretty large country practice and have daily use for some article of the kind.

I am, sir, respectfully,
JULIUS P. CLEMENT, M. D.

P. S.—So unqualified and numerous are the testimonials in favor of my Worm Destroyer that news paper space is entirely too small to tell its merits.

It is an infallible remedy for Worms. Try it and be convinced. See my Journal for more full description.

JOHN DEERE'S

IMPROVED WALKING CULTIVATOR

THE "ADVANCE,"

HAS MANY POINTS OF SUPERIORITY OVER THE MANY CANDIDATES FOR PUBLIC FAVOR.

Its Double Arched Wrought Iron Frame gives greater strength, and enables us to use a single tongue, affording better facility in turning, and less liability to accident.

Its Height of Axle gives greater clearance for tall corn.

Its Whippletrees Lowered to the direct line of draft relieves all downward pressure on the end of tongue.

Its Improved Safety Break relieves the shovels and beams from extraordinary strain when meeting an obstruction.

Its Wrought Iron Coupling gives greater strength and durability to this, the vital point in all Cultivators.

Its Shovels are Adjustable to deep or shallow work, as well as to throw the soil either way.

It is essentially a Wrought Iron Machine.

Either Wood or Iron Beams are furnished, according to preference.

These improvements commend themselves to the farming community; and you have only to examine the "ADVANCE" to be convinced of its superiority.

The following testimonial as to the skill and success of Dr. C. Bigelow was published in this city.

From the Chicago Times Oct. 20, 1864.

DR. CHARLES BIGELOW.—Nearly three years since we welcomed the arrival in our city of Dr. C. Bigelow, one of the very few gentlemen of undoubted ability who have made diseases of the sexual organs a specialty. He is still among us, and during his stay has gained, in an eminent degree, the confidence of the community. He has proven himself to be a thorough master of all that pertains to the structure and pathology of the sexual organs, and well skilled in the means of effecting a radical cure of all kinds of private diseases. In the treatment of spermatorrhœic complaints, he is unequalled, and those troubled with those derangements should at once consult him. Dr. Bigelow is one who may always be relied on. He does not promise a cure for the sake of a fee. His rooms are centrally located at No. 464 South State street, and are admirably fitted for the convenience of patients.
