

Welch's Grape Juice

The safest, most beneficial and most satisfying of all summer drinks

WELCH'S GRAPE JUICE is not a medicine or a preparation. It is just the pure juice of choice, full ripe Concord grapes transferred from the clusters to the bottle without preservatives or coloring matter.

Its purity and freedom from adulteration make it safe, its natural tonic properties stimulate the system and its mild acid flavor quenches the thirst.

A little satisfies, but a quantity does no harm. On draught at fountains; in bottles at groceries and drug stores.

If your dealer doesn't keep Welch's, send \$3.00 for trial dozen pints, express prepaid east of Omaha. Booklet of forty delicious ways of using Welch's Grape Juice, free. Sample 3-oz. bottle, by mail, 10 cents.
