

# COME! AND HEAR VOLIVA ON VACCINATION

in SHILOH TABERNACLE, ZION CITY, ILLINOIS, LORD'S DAY, FEBRUARY 22, 1914, AT 2:30 p. m.

**SUBJECT:** "Vaccination the crime of the century, and long ago it should have been made, by legislation, a criminal offense, punishable by a long term of imprisonment in the penitentiary."

**(1) WHAT VACCINATION DOES:**

- (a) It often injures—sometimes kills.
- (b) It frequently causes smallpox.
- (c) It kills more than smallpox.
- (d) It contaminates the healthy with the vile, filthy, decaying, poisonous matter, and causes numerous diseases.

**(2) WHO ARE THE DUPES?**

Zion People, who believe that God created their bodies to be the temples for the Holy Spirit, or the people who, through their ignorance and fear, bow down to the little medical gods and let them inoculate their sweet, God-given children with vile, filthy, rotten, COWPOX VIRUS?

## ZION STORES

We wanted to dispose of a lot of goods that if held would pass out of season and become of less value. ¶ Great reductions in prices were made, and the people realizing this have taken advantage thereof and secured wonderful values. ¶ We also decided to sell at reduced prices every article in the store, making it well worth while to invest heavily for future needs.
