The Painter or the Carpenter, WHICH?

It is better to call in the painter at once than to call in both the painter and the carpenter later. The property owner who neglects his buildings until they show the stains of passing time and until rust and decay get in and work their damage has a double illusion, and it would be better to direct his economy in another manner.

before cutting, as the effects are not so injurious as when immature hay is fed.

OATS AND PEAS: This emergency crop should be cut for hay when the oats are in the "dough stage" if a good quality of hay is to be secured at its maximum feeding value.

This mixture has been found a very desirable crop to grow for soiling purposes as it is very succulent and will supplement or replace pasture.

DO YOU WISH TO BUY AN AUTOMOBILE? We can supply you with any make, even though we do not handle the one you have thought of buying, or could purchase. In every case, first consult us before placing your order or closing a deal, as we will be able to give you the service at home, and can arrange to purchase the machine for you.

THE GARAGE AND MACHINE SHOP is prepared to do general machine shop work. We also do oxy-acetylene welding, the work being done by an expert who can weld anything which it is possible to weld: if not, he will tell you so before attempting it.

WE HAVE AUTOMOBILES TO SELL, BOTH NEW AND SECOND HAND. Call and see us.
