**JESUS THE HEALER,
AND
SATAN THE DEFILER**

The ministry of Jesus the Christ is summed up in three things: Teaching, Preaching, Healing. Jesus Christ is the same yesterday, today, and for ever. What did He teach? He taught His own Divinity. He taught His own incarnation. He taught that every man on earth was in need of a Savior. He proclaimed Repentance first, and Faith next. Zion proclaims that there is no salvation in any other name than that of Jesus.

SATAN THE DEFILER.

"He that doeth sin is of the devil; for the devil sinneth from the beginning. For this end was the Son of God manifested, that He might destroy the works of the devil."—I John 3:8. "How that God anointed Him with the Holy Ghost and with power: Who went about doing good, and healing all that were oppressed of the devil; for God was with Him."—Acts 10:38. "And ought not this woman, being a daughter of Abraham, whom Satan hath bound, lo, these eighteen years, be loosed from this bond on the Sabbath Day?"—Luke 13:16. Zion, in her teaching, smites the wicked lie that God makes His children sick.

**WHAT SHOULD A CHRIS-
TIAN DO WHEN SICK?**

"Is any sick among you? let him call for the Elders of the Church; and let them pray over him, anointing him with oil in the name of the Lord: "And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him. "Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much."—James 5:14-16. A Christian should obey the commands of God as contained in His Word. "What should a Christian do when sick?" is plainly answered by the above Apostolic command, which was inspired by the Spirit of God. It shows you what was the practice of the primitive Church. Nowhere in the Old Testament, nor in the New, is there a single word approving doctors, surgeons, or drugs. You may search the Bible from Genesis to Revelation, covering four thousand one hundred years of human history, of Divine Revelation, and you will find no provision for any other healing of God's people than God Himself. "What shall one then answer the messengers of the nation? That the Lord hath founded Zion, and the poor of His people shall trust in it." Zion has been called into existence as a place of refuge for the oppressed and afflicted of God's people. The ministers of the apostate Churches are, for the most part, false shepherds, and they have turned the sick, the suffering and the dying over to doctors and drugs, surgeons and knives. The sick know better than to ask the ministers to pray for their healing, for they will tell them that the day of miracles is past, that Jesus used to heal but that He does not heal now, and they will advise them to go to the doctors. Requests for prayer may be sent to ZION from any part of the world, and every Request will be given careful consideration. Send in your Requests. If you can come to ZION HOME and attend the meetings and get the teaching, all the better. Write to WILBUR GLENN VOLIVA, placing the words "General Ecclesiastical Secretary" on the lower left-hand corner of the envelope.

The following letter, which is self-explanatory, has just been received from a lady: "My subscription to LEAVES OF HEALING for ten weeks has just expired and I am in receipt of your letter with blank enclosed for renewal. I certainly have been blessed through reading the paper and I am enclosing 75 cents for fifteen weeks, after which time I hope to subscribe for a longer time. Also, I am sending 25 cents, for which kindly send a ten-weeks subscription to Mrs. D—; perhaps you remember that I asked prayer for her and myself about two months ago. I assure you that I have received many blessings through ZION. I love the literature; it strengthens me after reading the many good things within those blessed pages. I ask your prayers that I may become stronger and that I may be blessed in spirit, soul and body."

BAN REMOVED FROM NEWSPRINT

All restrictions on the use of newsprint paper have been withdrawn by the war industries board,

the ruling to become effective December 15. Under the restrictions placed by the board several months ago, publishers were required to reduce consumption of newsprint paper fifteen per cent in daily editions and twenty per cent in Sunday editions. Chairman Baruch, in announcing the letting down of restrictions, has urged the adoption of permanent rules by publishers prohibiting wasteful practices and continuing voluntary conservation of reading matter space for a time.

GARFIELD RESIGNS AS FUEL CHIEF

It was announced from Washington, on December 3, that Fuel Administrator Harry Garfield had tendered his resignation, to take effect at the pleasure of the president, and that the president had accepted the resignation, although it was made clear that the needs of domestic consumers will continue to receive the attention of the fuel administration until the winter is past.
