AS we are entering the New Year and look back over the year that has just closed, enumerating the many blessings which God has poured upon us as a people, we should truly be thankful to God for a Zion City where we have the greatest privileges of any people in the world, where the Word of God is taught in its fulness, where the Bible is the principal text book of our schools, where children are taught to love and serve God—just the place for every Zion family.

We are looking forward, expecting to dispose of a large amount of Real Estate during this year. Now is the time to dispose of your outside property and invest in Zion City Real Estate. Our farm lands are limited. We have a number of good improved properties; a good selection of small tracts and vacant lots. Let us know what you are interested in and we will send you maps showing locations and prices.

We will be glad to serve you in any way possible. Call or address,
