The following letter has just been received from a gentleman in Chicago: "By chance today your publication, *The Theocrat*, dated January 24, came into my possession. The religious text seemed to pull at the cords and knock at the door of my sinful heart. Does each weekly copy contain religious matter? If so, kindly advise me and I will remit for one year's subscription." This letter is the result of work by the Seventy Workers in Chicago who distribute a quantity of *Theocrats* each week. The address referred to was entitled, "The Law of the Spirit of Life." This is the second inquiry from entire strangers, regarding subscription rates on *The Theocrat*, from the Chicago district within a few days.

Outside of the regular city business, Zion Building Industry is receiving many inquiries regarding work, from various points over the surrounding country. They have been asked recently to figure on the following: two jobs at Lake Villa, one job at Lake Forest, one job at Lake Bluff, two jobs at Waukegan, another south of Waukegan, two jobs at Kenosha and one at Russell. All of the above contracts, which have been closed, have been awarded to Zion Building Industry; some are still being held in abeyance. The Building Industry also is manufacturing wooden parts for a number of washing machine firms.

We often receive inquiries, at the literature booth in Shiloh Tabernacle, from persons who have lost Bibles, hymn books and other articles. Some people do not seem to realize that articles, left in seats, are picked up by the janitor, after the service, and kept in the Lost and Found room until the owners call for them. You would be greatly surprised to see what a miscellaneous assortment has accumulated there. There are literally hundreds of Bibles and hymn books, some Bibles practically new and having cost many dollars. There are scarfs, caps, gloves, valuable furs, umbrellas and a vast number of other things.

Some people standing alone in distant parts of the world are very faithful in distributing the literature. A few days ago we received seven yearly subscriptions for the *Leaves of Healing*, five yearly subscriptions for *The Theocrat* and two ten-week trial subscriptions for *The Theocrat* from a gentleman in South Africa, all to be sent to people in that distant land. Figure up how much these subscriptions amount to at the foreign rate and you will see that it is a considerable sum. Are you doing your part, or are you interested in everything else, neglecting this practical work which builds for eternity?

Mr. L. F. Harding, who moved to Zion a few months ago from South Dakota, states that he has not missed a copy of *Leaves of Healing* in twenty-three years and never a copy of *The Theocrat* since the paper was started. Furthermore, he has not missed a day's work because of sickness or disability since becoming a reader of *Leaves of Healing*. Mr. J. C. Brunkhorst, of 2803 Gideon avenue, has not missed a copy of *Leaves of Healing* in over twenty-two years and has read every issue of *The Theocrat*.

The business of Zion Meat Market, on last Saturday, was the heaviest in the history of that institution, going much ahead of the best days before Thanksgiving, Christmas or New Year's. The business from February 1 to February 22, since the adoption of the new "Cash and Carry" system, has gone far ahead of the corresponding period last year, the general trade for every day having decidedly increased. Many new faces are seen.

The old Bank building which was moved, several months ago, from the corner of Shiloh Boulevard and Elijah avenue to the corner of Twenty-ninth street and Elm avenue, has been remodeled into a 3-family apartment residence, being fitted up with modern conveniences, such as electric light, water system, toilet, baths, furnaces, etc. Mr. Charles H. McGarrahan and family are moving into this property, occupying one apartment.

Mr. L. F. Harding has taken a position as night watchman for Zion Department Store and other institutions along Elijah Avenue, relieving Mr. J. C. Wallace, who is retiring after a faithful service of many years and who is able to show the unusual record of having been on duty over twelve hundred nights in succession without a break. Mr. Wallace is going on a farm for the coming season.

Mr. and Mrs. Robert Johnson and daughter, Maud, from near Moline, visited over Saturday and Lord's Day with Deacon and Mrs. W. H. Hoyt and family, of 3006 Gabriel avenue.

Miss Charlesetta Jolli, who has held a position, for several years, in the trimming department of the Gage Brothers, Chicago, has been engaged as trimmer for the Millinery Department of Zion Store for the coming season.

Oscar Bennewate has returned home after five month's service overseas, having an honorable discharge. He was twice promoted, holding the rank of ordnance sergeant at time of discharge.

Mr. and Mrs. Ernest West, of Lake Bluff, were guests over Saturday and Lord's Day of Mr. and Mrs. Harry Burningham and Mr. and Mrs. Harold Brey, of Zion Home.

Mrs. J. A. Barnard, of Chicago, accompanied by her daughter, Edith, visited her mother, Deaconess C. Anderson, of Zion Home, over Lord's Day.

Mr. Albert Randolph has purchased a lot on Gilboa avenue from the Zion Estate.

Mr. Wm. Baker has purchased a 2½-acre tract, on Twenty-sixth street west of the electric line, from the Zion Estate.

Mrs. Charles Clarstrom and daughter, Esther, of Chicago, were guests last week of Mr. and Mrs. David K. Anderson, of Zion Home.

Miss Alice Barron has taken a position in the fancy goods section of the Dry Goods Department of Zion Store.

Mr. J. P. Steffen, of Wisconsin, spent Saturday and Lord's Day with his daughter, Miss Gertrude Steffen, of Zion Home.

Mr. and Mrs. Paul Kessler have moved into their property at 3021 Elisha avenue, which they recently purchased from the Zion Estate.

Mr. Alfred Copeland, who has been visiting his grand-daughter, Mrs. Harold Gates, has returned to his home in Michigan.

Mr. Peter Noteboom has purchased the residence property at Thirty-second street and Sheridan Road from the Zion Estate.

Mr. A. L. Hardy has purchased the residence property at 2804 Elisha avenue from the Zion Estate.

Mr. Delbert Lucy, of Michigan, has purchased the residence property at 2208 Emmaus avenue from the Zion Estate.

Mr. C. E. Elliott returned Wednesday from Argentina, S. A., where he has been employed in the interests of the International Harvester Co.

Mr. Rollie Hanni was home from Camp Grant over Saturday and Lord's Day, on furlough.

MARRIAGES

Mr. Rolla Jasper Eliason and Miss Gertrude May Gibson, on March 1, 1919.

BIRTHS

To Mr. and Mrs. Ernest Schewe, of 2506 Gideon avenue, on February 19, a girl.

Of Local Interest

(C. B. W.)

At a recent meeting of the City Council, there was organized a Board of Local Improvements, the Mayor being exofficio Chairman and he having appointed Alderman Pihl and Alderman Hueneryager as the other two members of the Board. The Clerk has not yet been appointed. The organization of this Board has been brought about by the contemplated improvement of Sheridan Road from Thirty-third Street to Twenty-first Street.

The Mayor and City Council, together with the City Attorney, are making investigations as to the possible cost and best plans to pursue in undertaking this improvement.

It has been suggested that a concrete road eighteen feet wide from Thirty-third Street to Twenty-ninth Street, and thirty feet wide from Twenty-ninth Street to Twenty-fifth Street, and eighteen feet wide from Twenty-fifth Street to Twenty-first Street, would be all that could be accomplished at the present time, but would be such a decided improvement over the old situation that it would be highly appreciated by everyone.

It is understood that Mr. J. J. Craig has been asked to take charge of the surveying and possibly the inspection for the City. His large experience in this kind of work would insure a good road.

The completion of this section of road would connect up Sheridan Road so that there would be a completed, permanent hard road between Chicago and Milwaukee.

INCOME TAX PAYERS MUST MAKE DETAILED REPORT BY MARCH 15

Failure to do So Entails Heavy Penalty

By March 15, every unmarried man or woman who earned \$1,000 or more in the calendar year 1918, and every married person whose income amounted to \$2,000 or more, must make a detailed report of his income to the federal revenue collector of his district. Failure to comply with the requirements of the income law will mean a heavy fine or imprisonment or both.

The Chicago *Tribune* says: "Congress has carefully differentiated between the person who 'fails' and the person who 'willfully refuses' to make a return and pay the tax within the specified time. Delinquents of the first class are subject to a fine of \$1,000. Those of the second class are subject to a fine of not more than \$10,000, or imprisonment for one year or both. For a fraudulent return the fine is not more than \$10,000, or imprisonment for one year, or both with an additional assessment of 50 per cent of the amount of tax evaded. For failure to make the return on time, in addition to the \$1,000 fine, there is an assessment of 25 per cent of the amount of tax due."

It will thus be seen that it is of the most urgent importance that persons, coming within the class of income tax payers, get busy at once preparing their returns.

The Chicago *Tribune* further says: "The tax rate for most individuals is 6 per cent. For a single person, that is imposed on the difference between the total net income for the year and \$1,000, the so-called exempt amount. For a married man, or for the head of a family, the exemption is \$2,000, and the 6 per cent tax is imposed on the difference between that and the total income.

EXEMPTIONS FOR CHILDREN

"There is provision for an additional exemption of \$200 for each child or other dependent person, under 18 years of age or incapable of
