HOW TO BUY A FURNACE

Purchase your furnace and have it installed by a dealer in whom you have confidence and heed the advice and suggestions given.

Do not let Price be the chief consideration or you may find that instead of saving money you are wasting it.

DON'T EXPECT TOO MUCH of a furnace when you have a small one or when you have it installed by some novice or by some would-be furnace man, or don't buy a furnace because it is cheap, for if you do you have fooled nobody but yourself.

Before you place your order for a furnace, give us a chance. We can supply any make of furnace that you may want and our prices are right.

Let us call and give you an estimate on your work. Advice will be cheerfully given as to the system of heating best adapted to your house.

Here are prices on furnaces we have in stock.
