Philadelphia.—Prof. Henry G. Walter, head of Plant Research institute of Yanchorne, declares roses fall in love and are immoral.

PROBE GIRL'S DEATH

Following the mysterious death Saturday evening of pretty Katherine Roller, 17, daughter of a wealthy Broadville, Logan county, Ill., farmer, Coroner William Ryan today came to Chicago to enlist aid of local police in solving the mystery.

Coroner Ryan today told the following facts regarding the girl's death. She went riding with a boy friend just after dinner Saturday. Returning about 9 o'clock she suddenly was stricken with convulsions. Within a few minutes she was dead. Just before she died she said she had eaten some candy on the buggy ride. A cursory examination, Coroner Ryan said, showed signs of strychnine in the girl's stomach. Lincoln police learned that a former sweetheart of Miss Roller bought strychnine there Friday, saying he wanted it for a sick horse. The young man is being looked for today.

SUNDAY JOETS "MEN ONLY"

Paterson, N. J., April 26.—Sweating under the fiery language of one of Billy Sunday's hottest "For Men Only" sermons and sizzling in a 90-degree atmosphere, 9,000 men yesterday heard the sawdust evangelist plead against the booze habit.

"Oh, if you Presbyterians would pass the booze by instead of talking about New Jerusalem," said Sunday, "or you Baptists would stop yelling 'water, water,' while two-thirds of your bunch are going where they can't get a drop, you'd soon clean up this saloon-filled, brewery controlled community for Christ."
