CYCLONE DEATH LIST BIG

St. Louis, Mo., June 17.—Thirtytwo persons are known to have been killed in this state as result of terrific storm which swept through Missouri. Unverified reports place death toll at 40.

Wind of cyclonic velocity licked up houses, uprooted trees and picked people up bodily. Near Merwin, where 19 persons were killed, a baby was carried over a mile by the wind, then set down uninjured.

Heavy rain and lightning accompanied the wind, the lightning setting fire to many houses and barns.

Oklahoma and parts of Kansas were also visited by the storm, but no deaths have been reported. Rain is still falling in stricken districts.

KILLED IN EXPLOSION

Edward O'Brien, 30, 6442 Union avenue, killed and Thos. McInerney, 24, 2865 S. Loomis st., was probably fatally hurt in an explosion of a compressed air tank at the Barrett Manufacturing Co. plant, 28th street and Sacramento avenue, this afternoon.

Both were steamfitters. They

were at work above the tank, and were buried in its ruins when it exploded. O'Brien taken to St. Anthony's hospital.

DELEGATES INJURED.

Five negro delegates from Georgia were injured today when a Pennsylvania train from the south collided with another train outside the Union Station.

A. M. Fluker, Argyle, Ga., one of the delegates, was taken to St. Luke's Hospital, suffering from serious bruises and cuts. The others were not seriously hurt and were taken to the Washington Hotel.

IS HELD WITHOUT BAIL

Mrs. Louise Lindloff, suspected by police of causing death of two of her husbands and three of her own children, was held without bail when she appeared for preliminary hearing in Maxwell street court this morning.

Case was continued to June 27 to awaiting findings of chemists who are analyzing stomachs of Alfred Graunke, woman's 15-year-old son, who died last Thursday.

Dr. J. H. Frank of Milwaukee, who attended Julius Graunke, wo-
