FRIDAY, NOVEMBER 29, 1895.

In an old rat's nest found in the chimney of an old house at Ligonier, Pa., last week were some papers bearing date 1770, a Mexican dollar of 1774, and a Mexican quarter of 1772.

The last vessel of the Victoria sealing fleet arrived home last week, and the skins she brought makes the total catch of the British Columbia sealers this year 71,359 skins. Last year the fleet took 94,701 skins.

A "SOCIETY NOTE" in a Spartansburg, Pa., newspaper tells of a girl of that town who recently split a cord of wood in less than an hour. The information is added that she does not split wood for a living, either.

PITTSBURG, Pa., gave 22,000 republican majority three weeks ago, and now there is a tremendous uprising there against the local republican ring. This looks like another case of locking the stable after the horse has been stolen.

Morrison With Unanimity. St. Louis Republic.

Unless the indications are all wrong, William K. Morrison will be the unanimous choice of the democrats for president when the national convention convenes. No matter how democrats may be divided on other questions, there is a singular unanimity among them as to the expediency and propriety of making Col. Morrison the standard bearer of the party next year.

An entirely new agreement with respect to half-fare permits for the year 1896 has been adopted by all lines in the Western Passenger association territory, under which clergymen and others entitled to half-fare privileges under the rules will make but one application and receive a single permit which will be good over all lines party to said government.

Forty Years a Slave. A Minister Used Tobacco Two-Score Years—Was Cured by "Baco-Curo" and Gained 30 Pounds.

CLAYTON, Nevada Co., Ark., Jan. 28, '95.—Eureka Chemical & Manufacturing Co., La Crosse, Wis. Gentlemen: For 40 years I used tobacco in all its forms.

Pastor C. F. Church, Clayton, Ark. You can use all the tobacco you want while using "Baco-Curo." It notifies you when to stop. We have received thousands of letters, such as the one above, proving beyond a doubt that "Baco-Curo" is the only scientific, reliable and harmless cure for the tobacco habit.

that at this time nearly all the democrats in Washington feel that he will be nominated by acclamation. The republicans do not approve of this unanimity among the democrats. They feel that with the democrats united and enthusiastic in support of a candidate, approved by all the party, republican dreams of empire next year might have been in vain.

JOTTINGS ABOUT JOSLIN.

News of Miscellaneous Interest From the Upper End.

JOSLIN, Nov. 26.—The coward who attacked Mr. and Mrs. Brown and daughters has eluded his pursuers up to this writing.

The Joslin creamery now only runs four days in the week—Monday, Wednesday, Friday and Saturday.

Otto Nold, son of Henry Nold, who has been attending a medical college in Tennessee, not feeling very well, has returned home for the winter.

The counters and shelving of W. H. Whitesides' new store are about all in. They are now putting on the finishing touches, and the building will soon be ready for occupancy.

The boys of Joslin have adopted a new method of hunting rabbits. They get a step-ladder in the center of a cornfield. One boy with a gun mounts and takes a position on the top while the others go to the outskirts of the field and drive the rabbits toward the center.

Thursday evening last the Woodmen of Joslin dedicated their hall with an oyster supper and festival. There were upwards of 200 in attendance. Mrs. S. S. Seal wishes me to state that her shawl was exchanged for one which has been left at Mr. Donnan's store.

I notice that it is a frequently expressed opinion in farm journals that the hay crop of the northwest is such that the farmer who has plenty of hay and good roads to market, will think himself in good luck towards spring.

Farmers are now making the grand discovery that they are embarrassed more by the bulk of their products, than by the bulk of their cash, even if that cash should happen to be 50 cent dollars.

Sunday last Mrs. Elizabeth Williams had just returned home from a visit to Mrs. Wesley Hanna when she was suddenly taken sick and fell to the floor. Her friends worked with her for some time and finally thought she was dead.

The funeral of Mrs. Wesley Hanna was held at the residence and was conducted by the Rev. Thompson, of the Methodist church. The Zuma choir rendered efficient service by singing three select pieces.
