### Three Drop Corn Killer

"Geta-It" Stops Pain Immediately and Corns Go Quick.

A few drops of "Geta-It" knocks the hurt out of any corn at once and soon loosens it so it lifts right off without any feeling. Oh, what comfort! How grand to walk and dance and jump without a single blister! Why not?

The ARDMORE Price \$11, \$11.50 and \$12

### For Men Not Easily Pleas'd

Some men won't wear extreme new styles, but that doesn't mean they're easy to please. They demand style plus something more. Here is an oxford with a medium round toe, fair width at tread, and a stylish low heel. Style here plus that something more—comfort. Also, the blucher cut makes an oxford easy-fitting; you lace it just as closely over your instep as you wish. Let us fit you in an oxford made of high-grade leather and both stylish and comfortable.

### UNION PRINTERS ELECT DELEGATE TO CONVENTION

Ballots cast yesterday by members of the Tri-City Typographical union, No. 107, for delegate to the 65th annual convention of the international Typographical union at Albany, N. Y., elected Victor H. Drescher of Davenport, to represent the tri-city men, and James A. Wood, secretary for the past six years, as alternate.

The convention of the international union was deferred last year. It will be held this year during the week of Aug. 9. It is expected that it will be a meeting of unusual interest, particularly as the "progressive" movement has grown in the last 18 months.

The tri-city union now numbers 130 members from the four towns. Three members are in the Union Printers' home in Colorado Springs.

### CLUB WOMEN SPLIT OVER QUESTION OF SMOKING MEMBERS

Chicago, May 27.—The question of whether it is proper for women to smoke will be taken up here today by the Illinois Federation of Women's clubs.

### Two resolutions were to be considered.

Anti-cigarette delegates want the federation to adopt their resolution providing for the expulsion of women smokers from the federation.

In an attempt to bring peace between the pros and anti a middle resolution has been offered. It merely deplores the smoking habit by women.
