

THE GREAT DISCOVERY!

A wonderful cartoon on "The Cause of White Slavery," drawn by the famous Will Dyson of England.

"I think it's an excellent idea," remarked the new lodger, as he finished his soup. "Ah!" said Mr. Starvem, "not used to beginning your dinner with soup, eh?" "Soup? I thought it was hot water to prevent dyspepsia."

Rev. Geo. Daniels is preaching to Philadelphians that child labor is murder. They're calling quite a few things by their right names down there since Marlen Pew's News-Post began to take the hide off the hypocrisy of their "brotherly love."
