SUFFRAGETS UNDAUNTED BY DEFEAT—FIGHT ON

Washington, Jan. 13.—Undaunted by the decisive defeat of the Mondell suffrage resolution in the house last night, suffraget leaders today declared the fight is merely warming up. Their next move, they indicated, will be in the senate.

The sweeping vote of 204 for and 174 against the measure was regarded by Mrs. Antoinette Funk, vice chairman of the woman's congressional committee, as "exactly one-fourth more than we suffragists had expected to muster."

"From any point of view," she declared cheerfully, "the achievement of a vote on this resolution was a victory for the suffragists, since it had never before reached the stage of consideration in the house itself."

Mrs. Arthur M. Dodge, head of the anti-suffrage movement, tersely commented that the "movement fostered by hysterical women is on the wane."

Three plans put forward today by the suffragists for continuation of the fight were:

Passage of the Shafroth-Palmer suffrage resolution, now on the senate calendar; passage of a federal measure whereby women could vote for senators and representatives; and passage in the states of a bill to permit women to vote for president.

SCHOOL EMPLOYEES WILL GET NO PAY INCREASE

The chances of getting a raise for eleven classes of employes of the school board went a-glimmering yesterday when the finance committee voted to shut off proposed increases in the educational budget.

Although they have been asking for the raise for some time and have presented many petitions to the board their work is in vain, as the income of the board for the coming year will be \$212,207 less than it was last year.

The teachers will get their regular increase, based upon time of service,
