ATTACKS MANDEL BROS.

"Mandel Brothers' sub-basement salesroom is running in violation of law," said W. E. Rodriguez, Socialist candidate for alderman 15th ward, at Ywasek hall, Augusta and Newton sts., last night. "If a group of waitresses striking for a living wage attract a crowd in the street by picketing they are arrested as lawbreakers. If the Mandel Bros.' store operates a sub-basement conducive to the white plague and in violation of the law as laid down by a decision of the supreme court upholding a city

ordinance, nobody at the Mandel store is touched by the corporation counsel or the police. If I am elected alderman this is the first matter of public business I will give attention to at the city hall."
