**MANSLAUGHTER PROBE  
IN POWER OF STATE'S  
ATTORNEY HOYNE**

*Eastland Horror Will Result in Murder Charge if Evidence Blackens Federal Inspector—Coroner's Inquest Begins Today—Grand Jury Next.*

Eight hundred and five bodies had been removed from the river and the Eastland at 10 o'clock this morning. Of the 728 bodies taken to Second Regiment armory 15 are still unidentified. There are 77 additional bodies in undertaking parlors. The additional dead is estimated at 460, making a total of 1,265.

Dead still being taken from boat.

New estimate of dead, 1,265.

Six separate investigations: State's attorney, district attorney, coroner, federal inspectors, police chief and mayor's office.

Attempt may be made to prevent federal inspectors from "investigating themselves."

Persons who perished went on trip for fear of losing jobs.
