

HOW LONG SHOULD A KISS BE?

Agnes

Los Angeles, Cal.—What is the correct length of a kiss?

Should it continue, indefinitely, or should it have a uniform "footage?"

Summertime, the osculatory time in parks and front verandas, is no

doubt the correct time to settle this question once and for all.

Anyway, an attempt is being made in Los Angeles. And the board of moving picture censors has taken a hand. If the footage of kissing registers a fraction of an inch over two
